Taiahiro BK6301

Taiahiro Wireless Gaming Keyboard and Mouse Combo User Manual

Model: BK6301

INTRODUCTION

This manual provides detailed instructions for the setup, operation, and maintenance of your Taiahiro Wireless Gaming Keyboard and Mouse Combo. This combo features a 98-key RGB backlit mechanical keyboard with blue switches and an ergonomic wireless gaming mouse, offering versatile connectivity options (USB-C, 2.4G, Bluetooth 5.0) for various devices.

PACKAGE CONTENTS

- Wireless Mechanical Keyboard
- Wireless Gaming Mouse
- USB-C Cable
- 2.4G USB Receiver
- Mouse Pad
- User Manual (this document)

SETUP

Keyboard Setup

The keyboard supports three connectivity modes: USB-C wired, 2.4G wireless, and Bluetooth 5.0.

1. **USB-C Wired Connection:** Connect the provided USB-C cable from the keyboard to an available USB port on your computer. The keyboard will be recognized automatically.
2. **2.4G Wireless Connection:**
 - Locate the 2.4G USB receiver, typically stored in the mouse or keyboard compartment.
 - Plug the 2.4G USB receiver into an available USB port on your computer.
 - Ensure the keyboard's mode switch (usually on the back or side) is set to 2.4G mode.
 - The keyboard should connect automatically.
3. **Bluetooth 5.0 Connection:**
 - Ensure the keyboard's mode switch is set to Bluetooth mode.
 - On your device (PC, laptop, tablet, smartphone), enable Bluetooth and search for new devices.
 - Select "Taiahiro Keyboard" (or similar name) from the list of available devices.
 - Follow any on-screen prompts to complete pairing.

3 Modes Wireless Gaming Keyboard

Bluetooth + 2.4GHz + USB-C connects to more devices

Image: A pink mechanical keyboard connected to various devices (monitor, laptop, tablet) illustrating its triple-mode connectivity via Bluetooth, 2.4GHz, and USB-C.

Mouse Setup

The mouse supports 2.4G wireless and Bluetooth connectivity.

1. 2.4G Wireless Connection:

- Insert 1 AA battery (not included) into the mouse.
- Plug the 2.4G USB receiver (shared with keyboard) into an available USB port on your computer.
- Ensure the mouse's power switch is turned ON.
- The mouse should connect automatically.

2. Bluetooth Connection:

- Insert 1 AA battery (not included) into the mouse.
- Ensure the mouse's power switch is turned ON and set to Bluetooth mode.
- On your device, enable Bluetooth and search for new devices.
- Select "Taiahiro Mouse" (or similar name) from the list of available devices.
- Follow any on-screen prompts to complete pairing.

OPERATING INSTRUCTIONS

Keyboard Functions

- **RGB Backlighting:** The keyboard features 8 different RGB lighting modes.
 - Press **Fn + Home** to cycle through lighting modes.
 - Press **Fn + ↑/↓** to adjust brightness (5 levels).
 - Press **Fn + ←/→** to adjust breathing speed (5 levels).
- **Multimedia Keys:** Use the **Fn** key in combination with F-keys for multimedia controls (e.g., Fn+F1 for media player, Fn+F2 for volume down, etc.). Refer to the keycap legends for specific functions.
- **Adjustable Feet:** The keyboard has adjustable feet on the underside to change the typing angle for ergonomic comfort.

Image: A close-up view of the side of the pink mechanical keyboard, showing its ergonomic sloped design and the adjustable feet extended for comfortable typing. The accompanying mouse is also shown on a mousepad.

Mouse Functions

- **DPI Adjustment:** The mouse features 4 adjustable DPI levels (800/1600/2400/3200). Press the DPI button (usually located behind the scroll wheel) to cycle through the sensitivity settings.

- **Ergonomic Design:** The contoured shape of the mouse is designed to fit comfortably in your hand, reducing fatigue during extended use.
- **Anti-skid Scroll Wheel:** Provides precise scrolling control.

MAINTENANCE

- **Cleaning:** Use a soft, dry cloth to clean the surfaces of the keyboard and mouse. For deeper cleaning, a slightly damp cloth can be used, ensuring no liquid enters the internal components. Avoid harsh chemicals or abrasive materials.
- **Battery Replacement:** For the mouse, replace the AA battery when performance degrades. For the keyboard, recharge via the USB-C cable when the battery indicator shows low power.
- **Storage:** When not in use for extended periods, store the combo in a cool, dry place away from direct sunlight and extreme temperatures.

TROUBLESHOOTING

| Problem | Solution |
|--|--|
| Keyboard/Mouse not connecting via 2.4G. | Ensure the 2.4G USB receiver is securely plugged into a working USB port. Check if the keyboard/mouse mode switch is set to 2.4G. Try plugging the receiver into a different USB port. Ensure the mouse has a fresh battery. |
| Keyboard/Mouse not connecting via Bluetooth. | Ensure the keyboard/mouse mode switch is set to Bluetooth. Make sure Bluetooth is enabled on your device. Remove previous pairings of the device from your computer's Bluetooth settings and try pairing again. Ensure the mouse has a fresh battery. |
| RGB backlighting not working or dim. | Press Fn + ↑ to increase brightness. Ensure the keyboard battery is charged if in wireless mode. |
| Mouse cursor erratic or unresponsive. | Replace the mouse battery. Clean the optical sensor on the underside of the mouse. Ensure you are using the mouse on a suitable surface (e.g., the included mouse pad). |

SPECIFICATIONS
