TRIUMPHKEY 0558

TRIUMPHKEY L-Shaped Makeup Vanity Model 0558 User Manual

Comprehensive instructions for assembly, operation, and maintenance.

1. INTRODUCTION

Thank you for choosing the TRIUMPHKEY L-Shaped Makeup Vanity, Model 0558. This manual provides essential information for the safe assembly, proper operation, and effective maintenance of your new vanity. Please read these instructions thoroughly before beginning assembly or use, and retain this manual for future reference.

Figure 1.1: The TRIUMPHKEY L-Shaped Makeup Vanity, Model 0558, featuring an LED mirror, multiple drawers, and a matching stool.

2. SAFETY INFORMATION

Please observe the following safety precautions to prevent injury or damage to the product:

- Always follow the assembly instructions carefully.
- Keep electrical components away from water and moisture.
- Do not overload the integrated power outlet.
- Unplug the vanity from the power source when not in use or during cleaning.
- Always supervise children around the vanity to prevent accidents.
- Ensure the vanity is placed on a stable, level surface to prevent tipping.

3. PACKAGE CONTENTS

The TRIUMPHKEY L-Shaped Makeup Vanity is shipped in multiple packages. Verify all components are present

before beginning assembly. Refer to the included parts list in your assembly guide for detailed identification.

Figure 3.1: The vanity components are typically shipped in two separate packages.

4. SETUP AND ASSEMBLY

Assembly of the TRIUMPHKEY L-Shaped Makeup Vanity requires careful attention to detail. It is recommended that two people perform the assembly. Please follow the step-by-step instructions provided in the separate assembly guide included with your product. Ensure you have all necessary tools as specified in the guide.

4.1. Pre-Assembly Checklist

- Unpack all components and lay them out on a clean, soft surface to prevent scratches.
- Identify all parts against the provided parts list.
- Gather necessary tools (e.g., screwdriver, hammer, Allen wrench - usually included).

4.2. Assembly Steps Overview

1. Assemble the main desk frame and L-shaped extension.
2. Install the drawers and their runners.

3. Attach the LED mirror unit and shelving.
4. Secure the power strip and hair dryer holder.
5. Assemble the stool.

5. OPERATING INSTRUCTIONS

5.1. LED Mirror Operation

The integrated LED mirror features touch controls for illumination and color temperature adjustment.

- **Power On/Off:** Lightly touch the designated sensor on the mirror surface to turn the LED lights on or off.
- **Change Light Color:** With the lights on, short press the touch sensor to cycle through three light colors: cool white, natural white, and warm yellow.
- **Adjust Brightness:** With the lights on, press and hold the touch sensor to continuously adjust the brightness level. Release when the desired brightness is achieved.

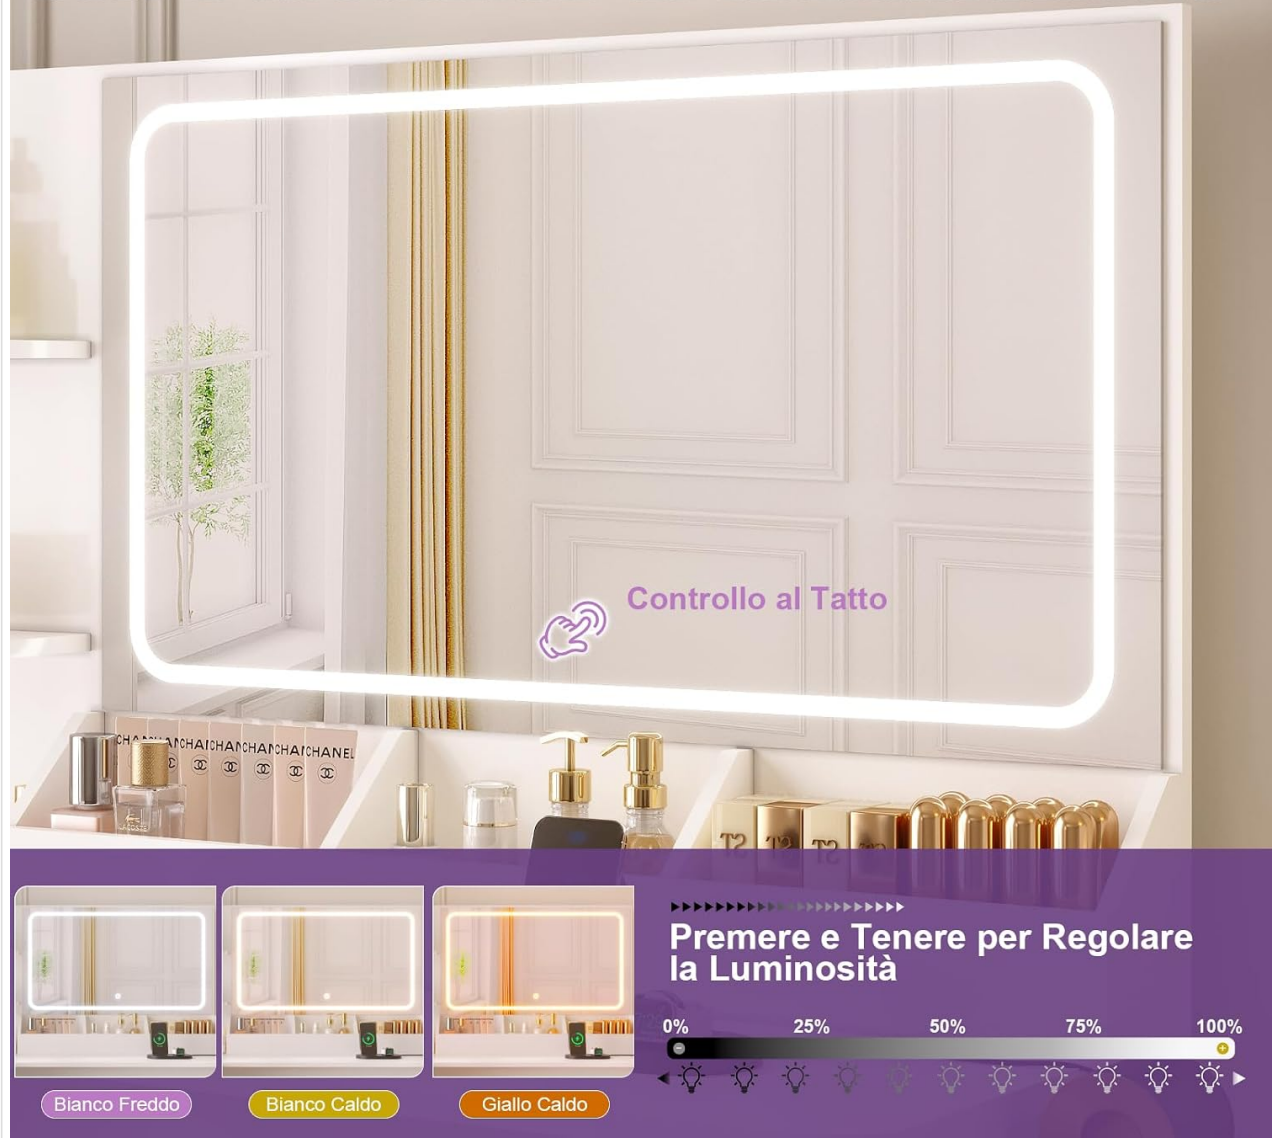

Figure 5.1: The LED mirror features touch controls for adjusting light color and brightness.

5.2. Power Strip and USB Ports

The vanity includes a built-in power strip with AC outlets and USB ports for convenience.

- **AC Outlets:** Use the two standard AC outlets to power hair dryers, curling irons, or other small appliances. Do not exceed the maximum wattage specified in the specifications section.
- **USB Ports:** Use the two USB ports to charge mobile devices such as smartphones or tablets.
- **Hair Dryer Holder:** Utilize the dedicated holder for convenient storage of your hair dryer.

Figure 5.2: Detail of the integrated power strip and hair dryer holder for convenient access to power and storage.

5.3. Storage Features

The vanity offers various storage options to organize your items efficiently.

- **Drawers:** Utilize the five spacious drawers for classified storage of cosmetics, accessories, and personal items.
- **Open Shelves:** The open shelves above the desk and within the L-shaped section are suitable for frequently used items or decorative displays.
- **Hidden Storage:** An interior storage cabinet under the table provides space for bulkier items.

Figure 5.3: Overview of the vanity's storage capabilities, highlighting drawers, open shelves, and dividers.

6. MAINTENANCE

Regular cleaning and proper care will extend the life and appearance of your vanity.

- **Surface Cleaning:** Wipe down all surfaces with a soft, damp cloth. Avoid abrasive cleaners or harsh chemicals that may damage the finish.
- **Mirror Cleaning:** Use a glass cleaner specifically designed for mirrors and a lint-free cloth. Spray cleaner onto the cloth, not directly onto the mirror, to prevent liquid from seeping into the LED components.
- **Stool Care:** The PU leather surface of the stool can be wiped clean with a damp cloth. Avoid prolonged exposure to direct sunlight to prevent fading or cracking.
- **Electrical Components:** Ensure the vanity is unplugged before cleaning near any electrical outlets or the LED mirror. Do not immerse any part of the vanity in water.
- **Tighten Fasteners:** Periodically check and tighten all screws and fasteners to ensure stability.

7. TROUBLESHOOTING

If you encounter issues with your vanity, refer to the following common troubleshooting steps:

Problem	Possible Cause	Solution
LED mirror lights do not turn on.	Vanity not plugged in. Power outlet not functioning. Touch sensor malfunction.	Ensure the vanity is securely plugged into a working electrical outlet. Test the outlet with another device. Contact customer support if the issue persists after checking power.
Power strip outlets/USB ports not working.	Vanity not plugged in. Overloaded circuit.	Verify the main power cord is connected. Unplug some devices to reduce load. Check if a circuit breaker on the power strip (if present) has tripped.
Drawers are stiff or do not slide smoothly.	Improper assembly of drawer slides. Obstruction in the drawer runner.	Review assembly instructions for drawer slide installation. Remove the drawer and check for any foreign objects.

If these steps do not resolve the issue, please contact TRIUMPHKEY customer support for further assistance.

8. SPECIFICATIONS
