## Jolydale Sonegra 4.6 x 2.5 FT

# Jolydale Sonegra Outdoor Storage Shed 4.6 x 2.5 FT Instruction Manual

Model: Sonegra 4.6 x 2.5 FT

## 1. IMPORTANT SAFETY INFORMATION

---

Read all instructions carefully before assembly and use. Failure to follow these instructions may result in injury or property damage. Keep this manual for future reference.

- **Assembly Safety:** Always wear appropriate personal protective equipment (PPE) such as gloves and eye protection during assembly. Two or more people are recommended for safe assembly.
- **Site Selection:** Choose a level, stable surface for shed installation. Ensure adequate clearance around the shed for assembly and access. Avoid installing near power lines or gas pipes.
- **Anchoring:** Securely anchor the shed to the ground immediately after assembly to prevent wind damage. Anchoring hardware may not be included and should be purchased separately based on your ground type.
- **Ventilation:** Ensure proper ventilation if storing items that may emit fumes.
- **Weight Distribution:** Distribute stored items evenly to maintain shed stability. Do not overload shelves or walls.
- **Children and Pets:** Keep children and pets away from the assembly area. Do not allow children to play inside or around the shed.
- **Sharp Edges:** Metal components may have sharp edges. Handle with care to avoid cuts.

## 2. PRODUCT OVERVIEW

---

The Jolydale Sonegra Outdoor Storage Shed is designed for organizing tools, garden equipment, bikes, and other outdoor items. It features a durable galvanized metal construction and a lockable door for security.

*Figure 2.1: Front view of the assembled Jolydale Sonegra Outdoor Storage Shed. The shed features a brown corrugated metal finish with a dark grey roof and trim.*

# DIMENSIONS

This item includes 1 package.

2Gloves included

Figure 2.2: Dimensional drawing of the shed. The shed measures approximately 4.53 FT (138 cm) in width, 2.43 FT (74 cm) in depth, and 6.07 FT (185 cm) in height at its tallest point. The roof extends slightly beyond these dimensions.

## 3. SETUP AND ASSEMBLY

Assembly of the Sonegra Outdoor Storage Shed requires two or more people. Ensure you have all parts and tools before beginning. Refer to the included hardware and panel identification guide for specific component names.

### 3.1 Required Tools (Not Included)

- Work gloves
- Safety glasses
- Phillips head screwdriver
- Adjustable wrench or socket set
- Step ladder (optional, for roof assembly)
- Drill (optional, for anchoring)

### 3.2 Assembly Steps

1. **Unpack and Identify Parts:** Carefully unpack all components. Verify that all parts listed in the packing list are present and undamaged. Separate similar parts to avoid confusion.
2. **Base Frame Assembly:** Assemble the base frame according to the diagrams in your separate assembly guide. Ensure the frame is square and level before proceeding.
3. **Wall Panel Installation:** Attach the side and back wall panels to the base frame using the provided screws and nuts. Ensure panels are correctly oriented and aligned. The shed features galvanized iron sheets for durability.
4. **Door Frame and Door Installation:** Assemble the door frame and attach it to the front wall panels. Install the door(s) onto the hinges. Ensure the door opens and closes smoothly and the lockable latch aligns correctly.
5. **Roof Assembly:** Assemble the roof frame and attach the roof panels. The roof features a groove and slope design for efficient water runoff. Secure all roof components firmly.
6. **Finishing Touches:** Install any remaining trim pieces, handles, or protective caps. The shed includes nut protection features to prevent injury during assembly and use.
7. **Anchoring:** Once fully assembled, anchor the shed to the ground using appropriate anchoring hardware (not included) to prevent movement due to wind or other forces.

Figure 3.1: Detail showing the high-quality galvanized iron sheet construction and the inclusion of nut protection for safety and durability during assembly and use.

## 4. OPERATING INSTRUCTIONS

The Sonegra Outdoor Storage Shed is designed for straightforward operation.

- **Opening the Door:** Unlock the latch mechanism and pull the door open.
- **Closing and Locking the Door:** Push the door firmly shut until it aligns with the frame. Engage the latch mechanism to secure the door. For added security, a padlock (not included) can be used with the lockable door feature.
- **Storage:** Utilize the interior space for storing garden tools, bicycles, and other outdoor equipment. Consider adding shelving or hooks for optimal organization.

Figure 4.1: Close-up of the shed's security features, including the robust lockable door latch and anti-collision protection on the corners of the roof.

# MULTI-FUNCTIONAL STORAGE

Figure 4.2: Illustrations demonstrating the shed's versatility for storing various items such as bicycles, tools on a pegboard, general storeroom items, and even garbage cans.

## 5. MAINTENANCE

Regular maintenance will extend the life and appearance of your Sonegra Outdoor Storage Shed.

- **Cleaning:** Clean the exterior of the shed periodically with mild soap and water. Rinse thoroughly with a garden hose. Avoid abrasive cleaners or scrubbers that could damage the finish.
- **Inspection:** Annually inspect all screws, bolts, and connections to ensure they are tight. Re-tighten any loose fasteners. Check for any signs of rust or damage to the panels.
- **Drainage:** Ensure the area around the shed is clear of debris to allow for proper water drainage from the roof and base. The shed's groove and slope roof design is intended for efficient water runoff.
- **Snow Removal:** In areas with heavy snowfall, regularly remove accumulated snow from the roof to prevent excessive weight and potential damage.

Figure 5.1: The shed is designed to withstand various weather conditions, including rain, snow, and sun, thanks to its waterproof construction and UV protection.

## 6. TROUBLESHOOTING

---

If you encounter issues with your shed, refer to the following common problems and solutions.

- **Door Does Not Close Properly:**

- Check if the shed is level. An uneven base can cause the door frame to twist.
- Inspect hinges for damage or misalignment.
- Ensure no obstructions are blocking the door's path.

- **Water Leaks Inside:**

- Verify all roof and wall panels are securely fastened and overlapping correctly.
- Check for any gaps or damaged seals. Apply silicone sealant if necessary.
- Ensure proper drainage around the shed and that the roof is clear of debris.

- **Shed Feels Unstable:**

- Confirm the shed is properly anchored to the ground.
- Check all fasteners for tightness.
- Ensure the base is level and stable.

## 7. SPECIFICATIONS

---

Feature	Detail
Brand	Jolydale
Model Name	Sonegra Outdoor Storage Shed
Dimensions (Approx.)	4.6 FT (Width) x 2.5 FT (Depth) x 6.1 FT (Height)
Material	Galvanized Metal (as indicated by product title and images)
Color	Brown35
Water Resistance Level	Waterproof
Ultraviolet Light Protection	25 (Rating)
Required Assembly	Yes
UPC	724156165184
ASIN	B0DS5SSQZD

## 8. WARRANTY AND SUPPORT

---

For warranty information, please refer to the documentation included with your purchase or contact the manufacturer directly. Jolydale is the brand for this product.

If you require technical support or have questions regarding assembly, parts, or operation, please contact Jolydale customer service through their official website or the retailer where the product was purchased. Please have your model name (Sonegra 4.6 x 2.5 FT) and ASIN (B0DS5SSQZD) ready when contacting support.
