# Timechee Vanity Desk with Lights and Full-Length Mirror

Model: YG-KF460025-01 | Brand: Timechee

## INTRODUCTION

---

Thank you for choosing the Timechee Vanity Desk with Lights. This manual provides essential information for the safe assembly, operation, and maintenance of your new vanity desk. Please read these instructions thoroughly before beginning assembly or use to ensure proper functionality and longevity of the product.

## SAFETY INFORMATION

---

**WARNING:** To prevent tip-over, always secure the vanity to the wall using the provided anti-tip kit. Failure to do so can result in serious injury. Keep small children and pets away from the vanity when it is not in use to prevent injury from sharp edges or small parts. Ensure all electrical connections are secure and follow local electrical codes. Do not overload the power outlets.

## PACKAGE CONTENTS

---

Before assembly, verify that all parts listed in the included assembly guide are present and undamaged. Each part is numbered for easy identification. If any parts are missing or damaged, please contact customer support.

## PRODUCT FEATURES

### Large Storage Space

This vanity desk is equipped with extensive storage options to help organize your cosmetics and accessories. It includes three large drawers, a sliding storage cabinet with sorting dividers, and multiple shelves with doors. This design allows for customized organization based on your personal usage habits.

## OPERATING INSTRUCTIONS

---

### Using the LED Mirror Lights

- **Power On/Off:** Lightly touch the power icon on the mirror to turn the lights on or off.
- **Change Light Mode:** With the lights on, short-press the power icon to cycle through the three light modes: Cool White, Warm Light, and Natural Light.
- **Adjust Brightness:** With the lights on, long-press the power icon to gradually increase or decrease the brightness. Release when the desired brightness is achieved.

### Using the Integrated Power Outlets

- Plug your electronic devices or beauty tools into the available AC outlets or USB ports.
- Ensure devices are compatible with the power specifications (120V AC, 60Hz for AC outlets; 5V DC for USB ports).
- Avoid overloading the outlets to prevent electrical hazards.

## MAINTENANCE

---

### Cleaning

- For the wooden surfaces, wipe with a soft, damp cloth. Avoid harsh chemicals or abrasive cleaners.
- For the mirror, use a glass cleaner and a lint-free cloth. Do not spray cleaner directly onto the mirror; apply it to the cloth first.
- Regularly dust all surfaces to maintain appearance.

### Care

- Avoid placing hot items directly on the vanity surface. Use coasters or protective pads.
- Do not expose the vanity to excessive moisture or direct sunlight for prolonged periods.
- Periodically check all screws and fasteners to ensure they are tight.

## TROUBLESHOOTING

---

### LED Mirror Lights Not Working

- Check if the power cord is securely plugged into a working electrical outlet.
- Ensure the power switch on the vanity is in the 'On' position.
- If the issue persists, contact customer support.

### Drawers Sticking or Not Sliding Smoothly

- Ensure the drawer slides are clean and free of debris.
- Check if the drawer is properly aligned on its slides.
- Verify that the drawer is not overloaded.
