Newtral NT002

Newtral Ergonomic Office Chair NT002 User Manual

Model: NT002

1. PRODUCT OVERVIEW

The Newtral Ergonomic Office Chair NT002 is designed to provide optimal comfort and support for extended periods of sitting. It features an innovative auto-following lumbar support system, multi-directional armrests, and extensive adjustability to suit various user preferences and body types.

3. OPERATING AND ADJUSTMENTS

The Newtral Ergonomic Office Chair offers multiple adjustment points to customize your seating experience for optimal comfort and ergonomic support.

3.1 Adaptive Lumbar Support

The chair features a unique auto-following lumbar support mechanism that automatically adjusts to the natural curve of your lower back as you move, providing continuous support and helping to alleviate lower back pain.

Video 2: This video specifically demonstrates the adaptive lumbar support feature in action.

3.2 4D Armrests

The armrests can be adjusted in four dimensions: height (up/down), depth (front/back), width (left/right), and pivot (rotation). This allows for precise positioning to support your arms and shoulders.

3.3 2D Headrest

The headrest can be adjusted for height and angle to provide optimal neck and head support, reducing strain during use.

3.4 Seat Depth and Height Adjustment

Adjust the seat depth to ensure proper thigh support and circulation. The chair height can be adjusted using the gas lift lever to find your ideal working posture.

3.5 Reclining Function (96° to 136°)

The backrest can be tilted and locked at various angles between 96° and 136°. Use the tension knob to adjust the resistance for rocking mode. The integrated footrest can be extended for full body relaxation.

4. MAINTENANCE

To maintain the longevity and appearance of your Newtral Ergonomic Office Chair, regularly wipe clean all surfaces with a soft, damp cloth. Avoid using harsh chemicals or abrasive cleaners.

5. SPECIFICATIONS

Feature	Detail
Brand	Newtral
