LayBurst 39.3" Farmhouse Wood File Cabinet with Wheels - User Manual

Model: ywq25020101-FL | Brand: LayBurst

INTRODUCTION

Thank you for choosing the LayBurst 39.3" Farmhouse Wood File Cabinet with Wheels. This manual provides essential information for the safe assembly, operation, and maintenance of your new file cabinet. Please read these instructions carefully before use and retain them for future reference.

IMPORTANT SAFETY INFORMATION

- Always lift with a partner to avoid injury.
- Secure the cabinet to the wall to prevent tipping.
- Do not overload the cabinet beyond its weight capacity.
- Keep fingers away from drawers and shelves when closing to avoid pinching.
- Always follow the assembly instructions carefully.

SETUP AND ASSEMBLY

Your LayBurst file cabinet is designed for quick and easy assembly. Detailed installation instructions are included with your product. Please ensure all components are present before beginning assembly.

Key Features for Assembly:

- **Durable Wheels:** The cabinet is equipped with four durable wheels for easy mobility. Two of these wheels feature locking mechanisms to secure the cabinet in place once positioned.
- **Sturdy Metal Handles:** The drawers are fitted with sturdy metal handles for smooth operation.

OPERATING INSTRUCTIONS

Storage Solutions:

This file cabinet provides versatile storage options to keep your workspace organized.

- **Adjustable Drawers:** The two large drawers are designed to accommodate legal, letter, and A4-sized documents. They feature detachable rods that can be adjusted to fit your specific filing needs.
- **Open Shelves:** Five open shelves offer additional space for office supplies, books, decorative items, or other essentials.

MAINTENANCE AND CARE

To ensure the longevity and appearance of your file cabinet, follow these simple maintenance guidelines:

- **Cleaning:** The smooth surface of the cabinet is easy to clean. Use a soft, damp cloth to wipe away dust and spills. Avoid abrasive cleaners or harsh chemicals that could damage the finish.
- **Inspection:** Periodically check all hardware and connections to ensure they are secure. Tighten any loose screws as needed.
- **Weight Distribution:** Distribute weight evenly across shelves and drawers to prevent strain on the structure.

TROUBLESHOOTING

If you encounter any issues with your file cabinet, please refer to the following common solutions:

- **Drawers not sliding smoothly:** Check for any obstructions in the drawer slides. Ensure the cabinet is on a level surface.
- **Cabinet instability:** Verify that the locking wheels are engaged. If the cabinet still feels unstable, ensure all assembly screws are tightened. Consider securing the cabinet to a wall using appropriate hardware (not included).
- **Missing parts:** If any parts were missing during assembly, please contact customer support for assistance.
