

ACwO DWOTS111

ACwO Dwots 111 Wireless In-Ear Earbuds User Manual

Model: DWOTS111

1. INTRODUCTION

Welcome to the ACwO Dwots 111 Wireless In-Ear Earbuds user manual. This guide provides essential information for setting up, operating, maintaining, and troubleshooting your new earbuds. Please read this manual thoroughly to ensure optimal performance and longevity of your device.

The ACwO Dwots 111 earbuds are designed for a superior audio experience, featuring 10mm Spatial Drivers, up to 75 hours of battery life, and 4 noise-cancellation microphones for clear calls. They also include dedicated Cinematic and Bass modes for versatile listening.

2. WHAT'S IN THE BOX

Upon unboxing your ACwO Dwots 111, please verify that all the following components are included:

- ACwO Dwots 111 Wireless Earbuds (Left and Right)
- Charging Case
- USB Charging Cable
- Eartips (various sizes)
- User Manual
- Warranty Card

3. PRODUCT OVERVIEW

The ACwO Dwots 111 earbuds are engineered for comfort and high-fidelity sound. Below is an image of the product:

The ACwO Dwots 111 wireless earbuds are shown in their charging case, highlighting their compact design and Comet Blue finish.

The charging case protects your earbuds and provides additional battery life, while the earbuds themselves feature touch controls and integrated microphones.

4. SETUP

4.1 Initial Charging

Before first use, fully charge your ACwO Dwots 111 earbuds and charging case. Connect the provided USB charging cable to the charging port on the case and a power source. The charging indicators on the case will show the charging status.

The Beat *Goes On...*

For Up To

75 HOURS

10 Mins = **120 Mins**
Charge Playtime

HYPER BOOST[®]
charging Technology

The ACwO Dwots 111 offers up to 75 hours of total playtime with the charging case. Charging indicators on the case provide battery status.

4.2 Pairing with a Device

1. Ensure the earbuds are charged and placed inside the charging case.
2. Open the charging case lid. The earbuds will automatically enter pairing mode.
3. On your device (smartphone, tablet, laptop), enable Bluetooth.
4. Search for available Bluetooth devices and select "ACwO Dwots 111" from the list.
5. Once connected, the earbuds will provide an audio confirmation.

The earbuds feature Bluetooth V5.4 for stable and efficient connections, along with instant auto-connect for subsequent uses.

Key Highlights

- ✓ **Spatial Audio Drivers**
- ✓ **Up To 75 Hours Battery Life**
- ✓ **Dedicated Cinematic & Bass Mode**
- ✓ **4 Noise Cancellation Mics For Clear Calls**

The ACwO Dwots 111 earbuds are shown connected to a smartphone, illustrating the Bluetooth v5.4 connectivity for efficient pairing.

4.3 Wearing the Earbuds

Select the eartips that provide the most comfortable and secure fit for your ears. Insert the earbuds gently into your ear canals and rotate them slightly until they feel snug and stable. A proper fit is crucial for optimal sound quality and noise isolation.

Industry's Latest *Bluetooth v5.4*

- ✓ Less Energy Consumption
- ✓ Drop-Free Connections
- ✓ Faster Pairing

The ACWO Dwots 111 earbuds are designed to be sleek, light, and comfortable for extended wear.

5. OPERATING THE EARBUDS

5.1 Touch Controls

The ACWO Dwots 111 earbuds feature intuitive touch controls on each earbud. Specific functions may vary, but common controls include:

- **Single Tap:** Play/Pause music, Answer/End call.
- **Double Tap (Left/Right):** Previous/Next track.
- **Triple Tap (Left/Right):** Volume Down/Up.
- **Long Press:** Activate Voice Assistant (Google Assistant, Siri).

5.2 Audio Modes

The earbuds offer dedicated audio modes to enhance your listening experience:

- **Cinematic Mode:** Provides an immersive surround sound experience for movies and games. Activate by long-

pressing the multi-function touch area for 2 seconds.

- **Bass Mode:** Enhances low frequencies for a powerful bass response. Activate by long-pressing the multi-function touch area for 2 seconds.

Dedicated Cinematic Mode provides an immersive audio experience for media consumption.

Dedicated Bass Mode enhances low frequencies for a powerful audio output.

5.3 Making Calls

The ACwO Dwots 111 features 4 noise-cancellation microphones with AI-ENC and SONIC SHIELD technology for

clear voice quality during calls, even in noisy environments. Use the single tap control to answer or end calls.

6. MAINTENANCE

6.1 Cleaning

Regularly clean your earbuds and charging case to maintain optimal performance and hygiene. Use a soft, dry, lint-free cloth. For stubborn dirt, slightly dampen the cloth with water. Avoid using harsh chemicals or abrasive materials.

6.2 Water Resistance

The ACwO Dwots 111 earbuds are rated IPX5 water resistant, meaning they can withstand splashes and sweat. They are not designed for submersion in water. Avoid exposing them to heavy rain or swimming.

The ACwO Dwots 111 earbuds feature IPX5 water and sweat resistance, making them suitable for various activities.

6.3 Storage

When not in use, store the earbuds in their charging case to protect them from dust, damage, and to keep them

charged. Store the case in a cool, dry place away from direct sunlight and extreme temperatures.

7. TROUBLESHOOTING

If you encounter issues with your ACwO Dwots 111 earbuds, try the following solutions:

Problem	Possible Solution
Earbuds not pairing	Ensure earbuds are charged. Turn off and on Bluetooth on your device. Forget the device in Bluetooth settings and re-pair.
No sound from one earbud	Place both earbuds back in the case, close the lid, then open and try again. Check device audio balance settings.
Low volume	Adjust volume on both your device and the earbuds. Ensure eartips provide a good seal.
Charging issues	Check charging cable and power source. Ensure charging contacts on earbuds and case are clean.
Touch controls unresponsive	Ensure your fingers are clean and dry. Restart the earbuds by placing them in the case and taking them out.
