4. SETUP

4.1 Charging the Earbuds and Case

Before first use, fully charge the earbuds and the charging case.

1. Connect the USB charging cable to the charging port on the case and to a power source.
2. The LED indicators on the case will show the charging status.
3. Once fully charged, the indicators will change or turn off.

A full charge provides up to 75 hours of total playtime with the charging case.

4.2 Pairing with Your Device

The ACwO Dwots 111 earbuds feature Instant Auto Connect for quick pairing.

1. Open the charging case. The earbuds will automatically enter pairing mode.
2. On your device (smartphone, tablet, laptop), enable Bluetooth.
3. Search for available Bluetooth devices and select "ACwO DWOTS 111" from the list.
4. Once connected, you will hear a confirmation tone.

The earbuds support Bluetooth V5.4 for stable and low-energy connections up to 10 meters.

4.3 Wearing the Earbuds

For optimal sound quality and comfort, ensure a proper fit.

- Choose the eartips that best fit your ears.
- Gently insert each earbud into your ear canal and twist slightly to secure.
- The earbuds are designed to be sleek, light, and comfortable for all-day wear.

5. OPERATING INSTRUCTIONS

The ACwO Dwots 111 earbuds feature intuitive touch controls for various functions.

5.1 Touch Controls

Action	Function
Single Tap	Play/Pause Music, Answer/End Call
Double Tap (Left Earbud)	Previous Track
Double Tap (Right Earbud)	Next Track

Action	Function
Triple Tap	Activate Voice Assistant (Google Assistant/Siri)
Long Press (2 seconds)	Switch between Cinematic Mode and Bass Mode
Long Press (Earbud) during call	Reject Call

5.2 Audio Modes

Enhance your listening experience with dedicated audio modes:

- **Cinematic Mode:** Provides a surround sound experience, bringing movies and games to life.
- **Bass Mode:** Delivers heart-thumping lows for a deep, dynamic audio experience.

To switch between modes, long press the multi-function touch area on either earbud for 2 seconds.

5.3 Call Management

The Dwots 111 earbuds are equipped with 4 Noise Cancellation Mics, enhanced by AI-ENC and SONIC SHIELD technology, ensuring crystal-clear voice quality during calls.

- **Answer Call:** Single tap either earbud.
- **End Call:** Single tap either earbud.
- **Reject Call:** Long press either earbud.

5.4 Voice Assistant

Access your device's voice assistant (Google Assistant or Siri) by triple tapping either earbud.

6. MAINTENANCE

6.1 Cleaning

- Regularly clean the earbuds and charging case with a soft, dry, lint-free cloth.
- Do not use harsh chemicals or abrasive materials.
- Clean the charging contacts on both the earbuds and the case to ensure proper charging.

6.2 Water Resistance

The ACwO Dwots 111 earbuds are IPX5 water resistant, meaning they are protected against low-pressure water jets from any direction. This makes them suitable for workouts and light rain.

- Do not submerge the earbuds in water.

- Ensure the earbuds are dry before placing them back in the charging case to prevent damage.

7. TROUBLESHOOTING

If you encounter any issues with your ACwO Dwots 111 earbuds, please refer to the following common solutions:

Problem	Possible Solution
Earbuds not pairing	Ensure earbuds are charged. Turn off and on Bluetooth on your device. Forget the device in Bluetooth settings and re-pair.
No sound from one earbud	Place both earbuds back in the case, close, then reopen. Check earbud battery level.
Low volume or poor sound quality	Adjust volume on your device. Ensure eartips provide a good seal. Clean earbud mesh.
Charging issues	Ensure charging cable is securely connected. Clean charging contacts on earbuds and case. Try a different charging cable or power adapter.
Earbuds disconnect frequently	Ensure no obstacles between earbuds and device. Stay within 10 meters Bluetooth range.
