Setup and Assembly

Assembly is required for this loft bed. Follow the included detailed assembly instruction guide step-by-step. It is highly recommended to have two adults for assembly.

Before You Begin:

- Clear a spacious area for assembly.
- Unpack all components and verify against the parts list in the separate assembly guide.
- Keep children and pets away from the assembly area.

Assembly Tips:

- Do not fully tighten screws until the entire section is assembled.
- Pay close attention to the orientation of parts as shown in the diagrams.
- The staircase can be installed on either the left or right side during assembly, as per your preference.

Operating Instructions

Using the Loft Bed:

- Access the bed using the integrated storage stairs. Always use the stairs safely, one step at a time.
- Ensure the mattress is properly seated within the bed frame and does not exceed the recommended 6-inch thickness.

Using the L-Shaped Desk:

The spacious L-shaped desk provides ample surface area for studying, working, or creative activities. Position your computer, books, and other essentials as needed.

Using the Wardrobe and Storage Stairs:

- The wardrobe includes a hanging rod for clothes and an adjustable divider at its base for additional storage.
- Each step of the staircase also functions as a storage compartment. Open the step covers to access the storage space.

Maintenance

Proper maintenance will extend the life and appearance of your loft bed.

- **Cleaning:** Wipe metal and wood surfaces with a soft, damp cloth. Avoid harsh chemicals or abrasive cleaners.
- **Fasteners:** Periodically check all bolts, screws, and connections to ensure they are tight. Re-tighten if necessary.
- **Electrical Components:** Keep the charging station and LED light strip free from dust. Do not expose to liquids.

Troubleshooting

Common Issues and Solutions:

- **Bed feels wobbly:** Ensure all assembly bolts are securely tightened. Check that the bed is on a level surface.
- **Charging station not working:** Verify that the power cord for the charging station is properly plugged into a wall outlet. Check for any tripped circuit breakers.
- **LED light strip not illuminating:** Ensure the power connection for the LED strip is secure. If applicable, check the remote control battery.
- **Parts missing or damaged:** Refer to your assembly guide for contact information for replacement parts.
