Safety Information

- **Adult Supervision:** Adult supervision is recommended, especially for children under 8 years old, due to small parts and the use of glue.
- **Glue Safety:** Use glue in a well-ventilated area. Avoid contact with eyes and skin. In case of contact, rinse thoroughly with water.
- **Battery Safety:** The kit uses certified batteries. Ensure batteries are inserted correctly. Do not mix old and new batteries. Dispose of used batteries responsibly.
- **Choking Hazard:** Small parts are included. Keep away from young children to prevent choking.

Setup and Assembly

1. Preparing Your Workspace

Lay down newspapers or a protective mat to prevent glitter and glue from making a mess. Ensure all kit components are easily accessible.

2. Assembling the Fairy Lantern Night Light

1. **Attach Fairy Silhouettes:** Apply glue to the back of your chosen fairy silhouettes and other decorative cutouts. Carefully attach them to the inside surface of the fairy jar. Allow to dry completely.

Figure 2: Attaching Fairy Silhouettes. Securely glue the fairy cutouts to the inner surface of the jar.

2. **Apply Glitter:** Once the silhouettes are dry, apply a thin layer of glue to the inside of the jar where you want glitter. Use the provided funnel to carefully pour glitter into the jar. Rotate the jar to ensure even distribution. Tap out any excess glitter.

Figure 3: Applying Glitter. Use the funnel to add glitter to the glued areas inside the jar.

3. **Insert Lights:** Place the LED string lights and the rose-shaped LED light inside the decorated fairy jar. Position them to illuminate the silhouettes and glitter effectively. Ensure the battery pack for the string lights is accessible for turning on/off.

Figure 4: Inserting Lights. Carefully place the LED lights inside the jar for illumination.

4. **Decorate the Lid:** Wrap the leaf-wrapped twines around the lid of the jar. Use adhesive tape or a small amount of glue to secure them. Attach decorative flowers and butterflies to the lid using glue or tape.

Figure 5: Decorating the Lid. Enhance the jar's lid with twines, flowers, and butterflies.

3. Assembling the Fairy Potion Necklace

1. **Prepare the Potion Bottle:** Ensure the fairy potion bottle is clean and dry.
2. **Add Glitter (Optional):** If desired, use the funnel to add a small amount of glitter to the potion bottle.
3. **Attach Necklace Rope:** Thread the necklace rope through the loop on the fairy potion bottle's cap. Use the rope buckles to secure the ends of the rope, creating a wearable necklace.

Operating Instructions

1. Fairy Lantern Night Light

- **Turning On/Off:** Locate the switch on the battery pack for the LED string lights. Flip the switch to the "ON" position to activate the lights. Flip to "OFF" to turn them off.
- **Rose LED Light:** The rose-shaped LED light typically has a small switch or button on its base to turn it on or off.

Maintenance

- **Cleaning:** Wipe the fairy jar and potion bottle with a dry or slightly damp cloth. Do not submerge electronic components in water.
- **Battery Replacement:** When lights dim, replace the batteries in the LED string lights and rose LED light according to their respective compartments. For the fairy potion necklace, refer to the specific instructions for battery access, usually located in the cap.
- **Storage:** Store the kit components in a cool, dry place away from direct sunlight to preserve materials.

Troubleshooting

Problem	Solution

Problem	Solution
