Dowinx MB33 Pro

Dowinx MB33 Pro Fabric Gaming Chair Instruction Manual

Model: MB33 Pro

INTRODUCTION

Thank you for choosing the Dowinx MB33 Pro Fabric Gaming Chair. This manual provides detailed instructions for assembly, operation, and maintenance to ensure safe and optimal use of your chair. Please read this manual thoroughly before assembly and retain it for future reference.

DUAL FOAM SUPERIOR COMFORT

One-Piece Molded Foam for Enhanced Support

Image: Cross-section view illustrating the dual foam superior comfort design of the chair's cushion, featuring one-piece molded high-density foam for enhanced support and low deformation.

WIDENED BACKREST

Wide backrest can effectively reduce 50% of the pressure.

Giving your back multi-directional support and increasing the fit between your back and the chair.

KNITTED FABRIC

knitted fabric on the edges of the chair for increased wear resistance

KNITTED FABRIC

The core area of the cushion and backrest is made of more expensive KNITTED FABRIC, which is extremely skin-friendly, soft, wipeable and easy to clean, and has better breathability.

Safety Information

Warning: This chair requires assembly. Always follow the assembly instructions carefully to ensure safe and proper installation. Do not exceed the maximum weight capacity of 300 pounds to prevent damage or injury.

- Ensure all parts are present and undamaged before beginning assembly.
- Use only the provided tools and hardware.
- Assemble the chair on a soft, clean surface to prevent scratches.
- Do not overtighten screws during assembly.
- Keep children and pets away from the assembly area.
- Regularly check all bolts and screws to ensure they remain tightened.
- Do not stand on the chair.
- Avoid exposing the chair to direct sunlight or extreme temperatures.

COMPONENT LIST

Before starting assembly, verify that all components are included in the package. Refer to the diagrams below for identification.

Image: Exploded view of the Dowinx MB33 Pro Fabric Gaming Chair components, showing the backrest, seat cushion, armrests, footrest, gas lift, base, and casters.

QUALITY ACCESSORIES

Image: Diagram illustrating the quality accessories included with the chair, such as the aluminum thickened tilt mechanism, high safety Grade 4 gas cylinder, heavy-duty nylon base, and quiet swiveling casters.

If any parts are missing or damaged, please contact Dowinx customer support.

ASSEMBLY INSTRUCTIONS

Follow these steps carefully to assemble your Dowinx MB33 Pro Fabric Gaming Chair.

1. **Attach Casters to Base:** Insert the five casters into the holes at the end of each leg of the chair base. Push firmly until they click into place.
2. **Install Gas Lift:** Place the gas lift cylinder into the center hole of the chair base. Cover it with the provided plastic cover.
3. **Assemble Mechanism to Seat:** Align the chair mechanism with the pre-drilled holes on the underside of the seat cushion. Secure it using the appropriate screws and tighten them evenly.
4. **Attach Armrests:** Secure the armrests to the seat cushion using the designated screws. Ensure they are firmly attached.
5. **Connect Backrest to Seat:** Attach the backrest to the seat cushion by aligning the metal brackets and securing them with screws. Do not fully tighten yet.
6. **Install Footrest Rails:** Attach the footrest rails to the underside of the seat mechanism.
7. **Mount Footrest:** Slide the footrest cushion onto the rails.
8. **Final Tightening:** Once all components are loosely assembled, go back and securely tighten all screws.
9. **Attach Seat to Gas Lift:** Carefully place the assembled seat and backrest onto the gas lift cylinder, ensuring it is centered.
10. **Install Lumbar and Headrest Pillows:** Attach the lumbar support pillow and headrest pillow as desired for ergonomic comfort.

OPERATING INSTRUCTIONS

Learn how to utilize the various features of your Dowinx MB33 Pro Fabric Gaming Chair for maximum comfort.

Height Adjustment

To adjust the chair's height, pull the lever located on the right side of the seat upwards. While seated, lift your weight off the seat to raise it, or remain seated to lower it. Release the lever to lock the height.

Backrest Recline (90-145°)

The backrest can be reclined from 90° (upright) to 145° (relaxed position). Pull the recline lever, typically located on the left side of the seat, and lean back to your desired angle. Release the lever to lock the backrest in place.

Image: Diagram illustrating the 90-145 degree recline function of the Dowinx MB33 Pro chair, highlighting neck, scapular, and back support areas, along with the massage lumbar support.

Extendable Footrest

To use the footrest, pull it out from underneath the seat. It can be extended to provide leg support when reclining. Push it back in when not in use.

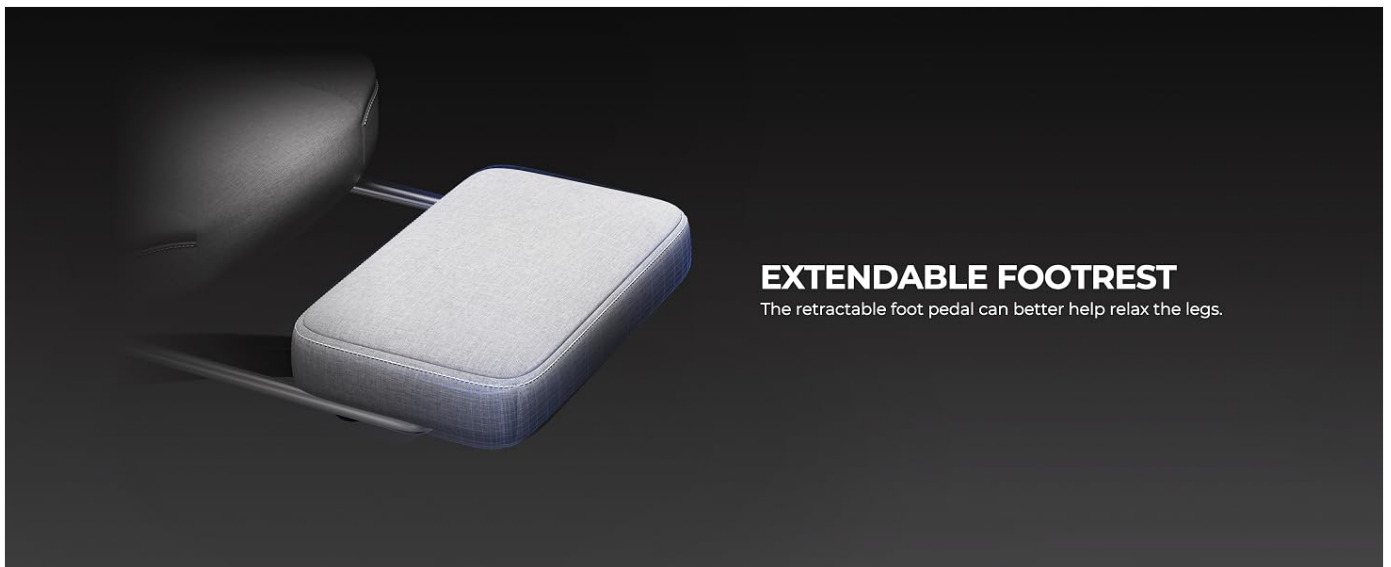

MASSAGE FUNCTION

The adjustable lumbar pillow follows the natural curve of the back, and you can enjoy a comfortable massager by USB.

Image: Close-up view of the extendable footrest on the Dowinx MB33 Pro chair, showing its retractable design for leg relaxation.

Lumbar Massage Pillow

The adjustable lumbar pillow includes a massage function. Connect the USB cable from the pillow to a compatible USB power source (e.g., computer, power bank) to activate the massage. Adjust the pillow's position for optimal comfort.

EXTENDABLE FOOTREST

The retractable foot pedal can better help relax the legs.

Image: Detailed view of the lumbar massage pillow on the Dowinx MB33 Pro chair, illustrating the massage function and USB connectivity.

Armrest Functionality

The chair features patented linkage armrests that move with the recline of the backrest, providing continuous support for your elbows and forearms in various positions.

Image: Close-up of the patented linkage armrest on the Dowinx MB33 Pro chair, highlighting its design for improved stability and support.

MAINTENANCE

Proper care will extend the life and appearance of your Dowinx MB33 Pro Fabric Gaming Chair.

- **Cleaning:** Wipe clean with a damp cloth. For stubborn stains on the fabric, use a mild fabric cleaner and follow the product instructions. Test on an inconspicuous area first.
- **Inspection:** Periodically check all screws and bolts to ensure they are tight. Retighten as necessary.

- **Avoid Harsh Chemicals:** Do not use abrasive cleaners or harsh chemicals, as these can damage the fabric and other materials.
- **Placement:** Keep the chair away from direct sunlight and heat sources to prevent fading and material degradation.

TROUBLESHOOTING

If you encounter any issues with your chair, refer to the following common problems and solutions.

Problem	Possible Cause	Solution
Chair wobbles or feels unstable.	Loose screws or uneven assembly.	Check and tighten all assembly screws, especially those connecting the seat to the mechanism and the backrest. Ensure the base is level.
Height adjustment not working.	Gas lift issue or lever mechanism malfunction.	Ensure the height adjustment lever is fully engaged. If the issue persists, the gas lift may need replacement. Contact customer support.
Backrest does not recline or lock.	Recline mechanism jammed or damaged.	Inspect for any obstructions around the recline mechanism. Ensure the lever is functioning correctly. If damaged, contact customer support.
Footrest does not extend or retract smoothly.	Rails obstructed or damaged.	Inspect the footrest rails for any debris or damage. Clean the rails if necessary. Do not force the footrest.

For issues not listed here or if solutions do not resolve the problem, please contact Dowinx customer support.
