2. Safety Information

- Ensure all parts are present and undamaged before assembly. Do not proceed with assembly if any parts are missing or damaged.
- Assemble the desk on a soft, clean surface to prevent scratches.
- Do not overtighten screws during assembly, as this may damage the materials. Tighten all screws firmly once assembly is complete.
- Keep small parts away from children and pets to avoid choking hazards.
- Do not stand or sit on the desk. The desk is designed for holding office equipment and supplies.
- Distribute weight evenly across the desktop to maintain stability. The maximum load capacity is 265 lbs.
- Regularly check all fasteners to ensure they remain tight.

3. Package Contents

Before starting assembly, verify that all components listed below are included in your package:

5. Operating Instructions

Your DUMOS desk is designed for versatile use in various settings, including home offices, bedrooms, and study areas. It provides a stable surface for computers, writing, studying, and other work-related tasks.

- Utilize the desktop for placing your computer, monitor, keyboard, mouse, and other essential accessories.
- The integrated storage bag offers convenient access to documents, notebooks, and magazines, helping to keep your workspace tidy.
- The side hook is ideal for hanging headphones, bags, or other small items, keeping them within reach but off the desktop.

6. Maintenance and Care

To ensure the longevity and appearance of your DUMOS desk, follow these maintenance guidelines:

- **Cleaning:** The desktop is waterproof and scratch-resistant. Wipe surfaces with a soft, damp cloth. Avoid harsh

chemicals or abrasive cleaners.

- **Protection:** While scratch-resistant, using coasters for drinks and mouse pads can further protect the desktop surface.
- **Fasteners:** Periodically check all screws and bolts to ensure they are tight. Retighten if necessary to maintain stability.
- **Placement:** Avoid placing the desk in direct sunlight or near heat sources to prevent material degradation.

7. Troubleshooting

- **Wobbling Desk:** Ensure all screws are fully tightened. Check that the desk is placed on a level surface. Adjust the feet if available.
- **Missing Parts:** If any parts are missing upon arrival, please contact DUMOS customer support for assistance.
- **Difficulty Assembling:** Review the assembly instructions and videos carefully. Ensure correct parts are used for each step. If issues persist, contact customer support.
