SAFETY INFORMATION

Always adhere to the safety warnings provided with the product. Keep all assembly hardware out of reach of children. Ensure all screws and bolts are securely tightened before use. Do not stand on the table or benches. Avoid placing excessively hot items directly on the tabletop without protection. Regularly inspect the furniture for loose parts and tighten as necessary.

PACKAGE CONTENTS

Verify that all components are present before beginning assembly. If any parts are missing or damaged, contact customer support.

- Extendable Dining Table Top
- Table Legs and Support Frame

- Two (2) Upholstered Benches
- Assembly Hardware (screws, bolts, Allen wrench)
- Instruction Manual

ASSEMBLY INSTRUCTIONS

Assembly requires two adults. Follow the included step-by-step instructions. All necessary tools are provided.

1. **Unpack Components:** Carefully remove all parts from the packaging and lay them out on a clean, soft surface to prevent scratches.
2. **Assemble Table Frame:** Attach the table legs to the main support frame using the provided hardware. Ensure the 'H' design base is correctly oriented for stability.
3. **Attach Tabletop:** Secure the tabletop to the assembled frame. Ensure all screws are tightened firmly but do not overtighten.
4. **Assemble Benches:** Attach the legs to each bench frame. Then, secure the upholstered cushions to the bench frames.
5. **Final Check:** Verify that all connections are secure and the table and benches are stable before use.

OPERATING INSTRUCTIONS

The CABIHOMÉ dining table features an extendable design, allowing it to comfortably seat 4 to 8 people. The extension mechanism is designed for smooth and quiet operation.

Extending the Table:

1. Locate the extension switch or release mechanism, typically found underneath the tabletop.
2. Gently pull the two halves of the tabletop apart. The internal sliding mechanism will guide the sections smoothly.
3. Insert the extension leaf into the gap created. Ensure it is properly aligned and seated.
4. Push the tabletop halves back together until they meet the extension leaf and lock into place.

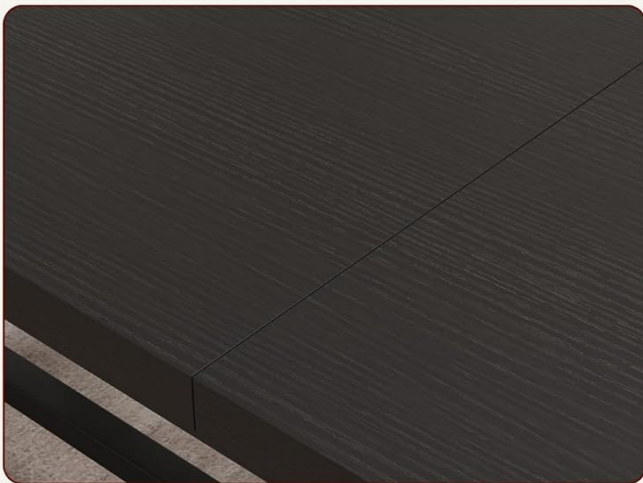

Retracting the Table:

1. Locate the extension switch or release mechanism and disengage it.
2. Gently pull the tabletop halves apart to release the extension leaf.
3. Remove the extension leaf and store it safely.
4. Push the tabletop halves back together until they meet and lock into place for compact storage.

MAINTENANCE

Tabletop Care:

The MDF tabletop has a smooth surface that is easy to clean. Wipe spills immediately with a soft, damp cloth. Avoid abrasive cleaners or harsh chemicals that could damage the finish. Do not place hot dishes directly on the surface; use placemats or coasters.

Bench Upholstery Care:

For the upholstered benches, spot clean with a mild soap and water solution. Blot gently and allow to air dry. Avoid saturating the fabric. Regular vacuuming can help remove dust and debris.

Frame Care:

Wipe the metal frame with a soft, dry cloth. Avoid moisture to prevent rust. Periodically check and tighten all hardware to maintain structural integrity.

TROUBLESHOOTING

- **Table Wobbles:** Ensure all leg bolts and frame connections are securely tightened. Check that the table is on a level surface.
- **Extension Mechanism Sticks:** Clean the sliding rails to remove any debris. Apply a silicone-based lubricant if necessary. Do not force the mechanism.
- **Benches Feel Unstable:** Verify that all bench leg and frame bolts are tightened. Ensure the benches are placed on a flat, even floor.
