FUSOU BF006-GR-F

FUSOU Full Bed Frame with Headboard User Manual

Model: BF006-GR-F

IMPORTANT SAFETY INSTRUCTIONS

Please read and understand all instructions before assembling and using this product. Failure to follow these instructions may result in injury or damage to the product.

- Keep all packaging materials away from children and dispose of them properly.
- Ensure all parts are present and undamaged before beginning assembly. Do not use if any parts are missing or broken.
- Assemble the bed frame on a soft, clean surface to prevent scratches.
- Tighten all bolts and screws securely. Periodically check and re-tighten as needed.
- Do not exceed the maximum weight capacity of 1200 pounds.
- Only use the integrated charging station with compatible devices and within specified electrical ratings.
- Unplug the LED lighting and charging station from the power source before cleaning or moving the bed frame.
- Keep liquids away from the charging station and electrical components.

PACKAGE CONTENTS

Verify that all components listed below are included in your package:

- Headboard Frame Components
- Side Rails (Left and Right)
- Footboard
- Center Support Bar(s)
- Bed Slats
- Support Legs
- Hardware Pack (bolts, washers, nuts, Allen wrench)
- LED Light Strip
- LED Remote Control

- Power Adapter for LED and Charging Station
- Instruction Manual

ASSEMBLY INSTRUCTIONS

Follow these steps carefully for proper assembly. It is recommended to have two people for assembly.

Step 1: Unpack and Identify Parts

Carefully remove all components from the packaging. Lay them out on a clean, soft surface. Refer to the parts list in the manual to identify each piece.

Step 2: Assemble the Headboard

Connect the headboard frame components using the provided bolts and Allen wrench. Ensure all connections are snug but do not fully tighten until all parts are aligned.

Step 3: Attach Side Rails and Footboard

Connect the side rails to the assembled headboard and then attach the footboard. Ensure the frame is square before tightening all bolts completely.

Step 4: Install Support Slats and Legs

Place the center support bar(s) and attach the support legs. Then, lay the bed slats across the frame, securing them according to the instructions. The recessed design helps prevent mattress sliding.

This image illustrates the recessed design of the bed frame, which helps prevent the mattress from sliding, and shows the simple process of installing the bed slats.

Step 5: Connect LED Lighting and Charging Station

Carefully attach the LED light strip to the designated area on the headboard. Connect the LED strip and the integrated charging station to the provided power adapter, then plug the adapter into a wall outlet.

Recessed Design

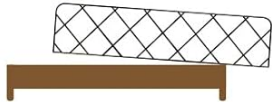

Prevent the mattress from sliding

No Sliding

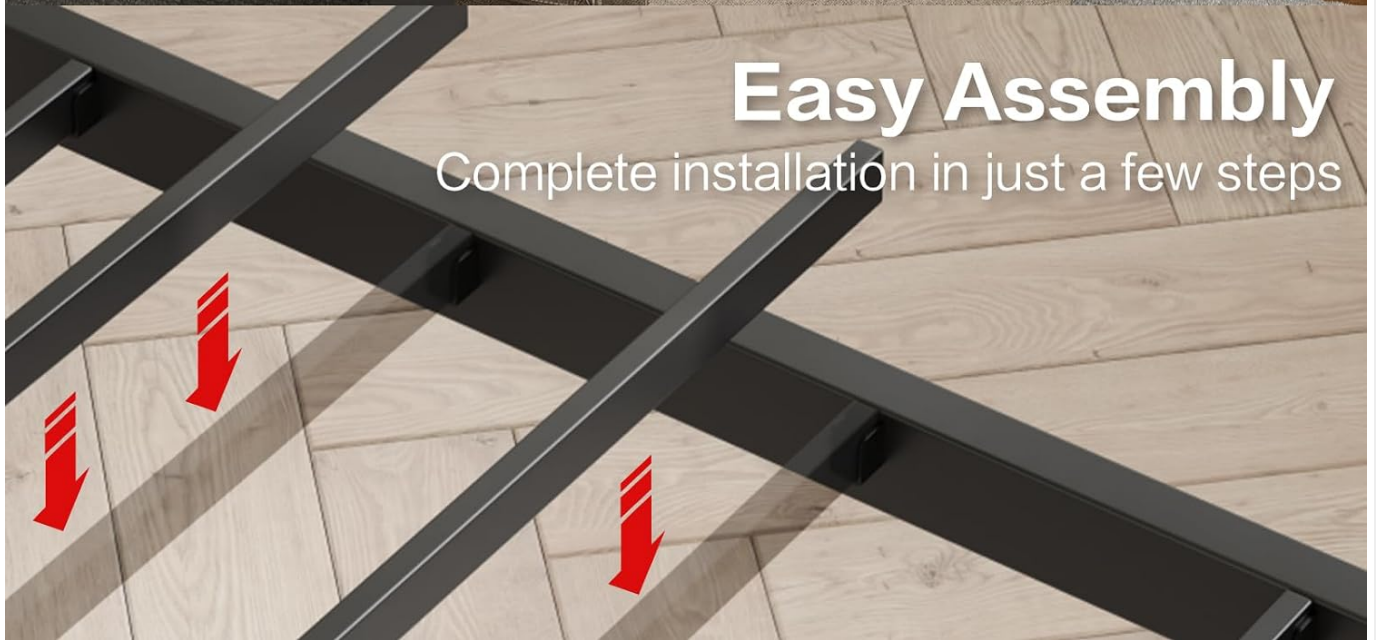

Easy to Slide

Easy Assembly

Complete installation in just a few steps

This image provides a close-up view of the integrated charging station located on the headboard, showing its two AC outlets, one USB port, and one Type-C port, with devices actively charging.

OPERATING INSTRUCTIONS

LED Lighting System

The integrated LED lighting system offers customizable ambiance for your bedroom.

- **Control Methods:** The LED lights can be controlled via a user-friendly mobile application or the included remote control.
- **Color Options:** Explore over 60,000 customizable colors to match your mood or decor.
- **Brightness Adjustment:** Adjust the brightness levels to your preference.
- **Dynamic Modes:** Utilize various modes including Style Mode, Music Mode (lights react to sound), and Microphone Mode.
- **Timer Function:** Set specific times for the LED lights to automatically turn on or off.

Storage Headboard with Charging Station

120V/12A
2 AC Outlets

5V/2A
1 USB Ports
1 Type-C

4.9-FT
Power Cord

This image displays the bed frame illuminated with purple LED lighting, alongside a smartphone screen showing the intuitive app interface used to control the LED features, including color selection and various modes.

Integrated Charging Station

The headboard features a convenient charging station to power your electronic devices.

- **Ports:** It includes 2 standard AC outlet ports (120V/12A), 1 USB port (5V/2A), and 1 Type-C port.
- **Usage:** Simply plug your devices into the appropriate ports for charging. Ensure the bed frame's power adapter is connected to a live wall outlet.
- **Safety:** Avoid overloading the charging station. Do not use damaged cables or devices.

MAINTENANCE

Regular maintenance helps prolong the life and appearance of your bed frame.

- **Cleaning:** Wipe the metal frame and headboard surfaces with a soft, damp cloth. Avoid abrasive cleaners or harsh chemicals that could damage the finish.

- **Tightness Check:** Periodically check all bolts and screws to ensure they remain tight. Re-tighten as necessary to maintain stability and prevent squeaking.
- **Electrical Components:** Keep the LED strip and charging ports free from dust and debris. Ensure power cords are not pinched or damaged.

TROUBLESHOOTING

Refer to this section for solutions to common issues.

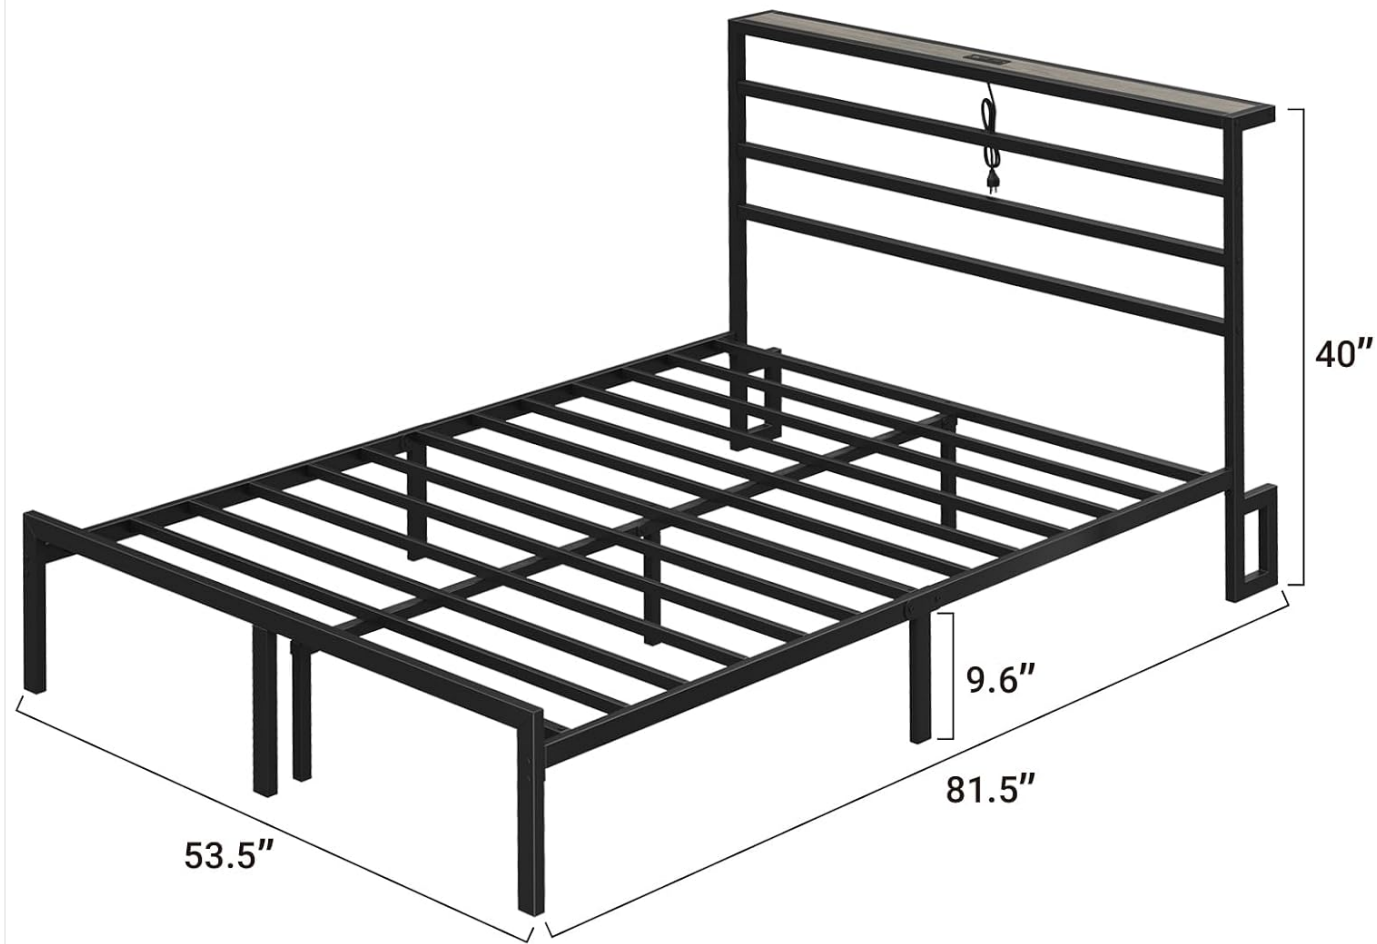

- **LED Lights Not Working:**
 - Check if the power adapter is securely plugged into both the bed frame and a working wall outlet.
 - Ensure the LED strip connection to the controller is secure.
 - If using the remote, check its battery.
 - If using the app, ensure your device's Bluetooth is on and connected to the bed frame.
- **Charging Station Not Functioning:**
 - Verify the bed frame's power adapter is plugged into a live wall outlet.
 - Test with a different device or charging cable to rule out device issues.
 - Ensure the power cord for the charging station is fully inserted.
- **Bed Frame Squeaks or Makes Noise:**
 - Re-tighten all bolts and screws on the frame, headboard, and support legs.
 - Ensure the mattress is properly seated on the slats and not causing friction against the frame.
- **Mattress Sliding:**
 - Confirm the mattress is correctly positioned within the recessed edges of the bed frame.
 - Consider using a non-slip mattress pad for additional stability.

SPECIFICATIONS

FULL SIZE

L x W x H
81.5" x 53.5" x 40"

This diagram illustrates the key dimensions of the full-size bed frame, including length, width, height, and under-bed clearance.

Feature	Detail
Brand	FUSOU
Model Number	BF006-GR-F
Color	Black
Material	Metal
Product Dimensions (L x W x H)	207 x 136 x 101.6 cm (81.5" x 53.5" x 40")
Item Weight	19.2 kg (42.3 lbs)
Weight Capacity	Up to 1200 pounds
Under-Bed Clearance	9.6 inches

Charging Station	2 AC Outlets (120V/12A), 1 USB Port (5V/2A), 1 Type-C Port
