MOCBROPCS Toyota 4Runner SR5PRO Building Kit Instruction Manual

Brand: MOCBROPCS | Model: PB8809

1. PRODUCT OVERVIEW

The MOCBROPCS Toyota 4Runner SR5PRO building kit is an officially licensed construction set designed to replicate the iconic Toyota 4Runner SUV. This kit includes 540 pieces, allowing for the assembly of a detailed model that captures the rugged elegance of the original vehicle. It is compatible with Speed Champion series components and comes with a unique collectible display container.

This image displays the complete MOCBROPCS Toyota 4Runner SR5PRO building kit, featuring the assembled white SUV model alongside its distinctive collectible display container and product box.

The assembled model features intricate details, from its distinctive grille to its off-road tires. The included container serves both as a secure storage solution for the model and a stylish display piece, enhancing its value as a collectible item.

2. SAFETY INFORMATION

WARNING: Small parts. Not suitable for children under 3 years due to choking hazard.

This product is recommended for ages 8 years and up. Adult supervision is advised during assembly for younger users.

3. PACKAGE CONTENTS

Please verify that all the following items are included in your package:

- Building Blocks (540 pieces)
- Collectible Display Box
- Paper Instruction Manual

4. ASSEMBLY INSTRUCTIONS (SETUP)

Follow the detailed step-by-step instructions provided in the included paper manual. The building blocks are organized into numbered bags, corresponding to the assembly steps, to ensure a smooth and comfortable building experience.

1. **Unpack Components:** Carefully open the product box and sort the numbered bags of building blocks.
2. **Follow Manual:** Refer to the paper instruction manual for detailed visual guides for each step.
3. **Assemble Chassis:** Begin by constructing the base and chassis of the Toyota 4Runner model.
4. **Build Bodywork:** Proceed with assembling the body panels, interior, and exterior details.
5. **Attach Wheels and Accessories:** Secure the wheels, roof rack, wading device, and other accessories to complete the model.

6. CARE AND MAINTENANCE

To ensure the longevity and appearance of your MOCBROPCS Toyota 4Runner model, follow these care guidelines:

- **Cleaning:** Use a soft, dry cloth to gently wipe away dust from the model and display container. Avoid using harsh chemicals or abrasive materials.
- **Storage:** When not on display, store the model inside its provided collectible display box to protect it from dust and potential damage.
- **Handling:** Handle the model carefully to prevent pieces from detaching. If any pieces come loose, reattach them according to the instruction manual.

7. TROUBLESHOOTING

If you encounter any issues during assembly or with the product, please refer to the following common solutions:

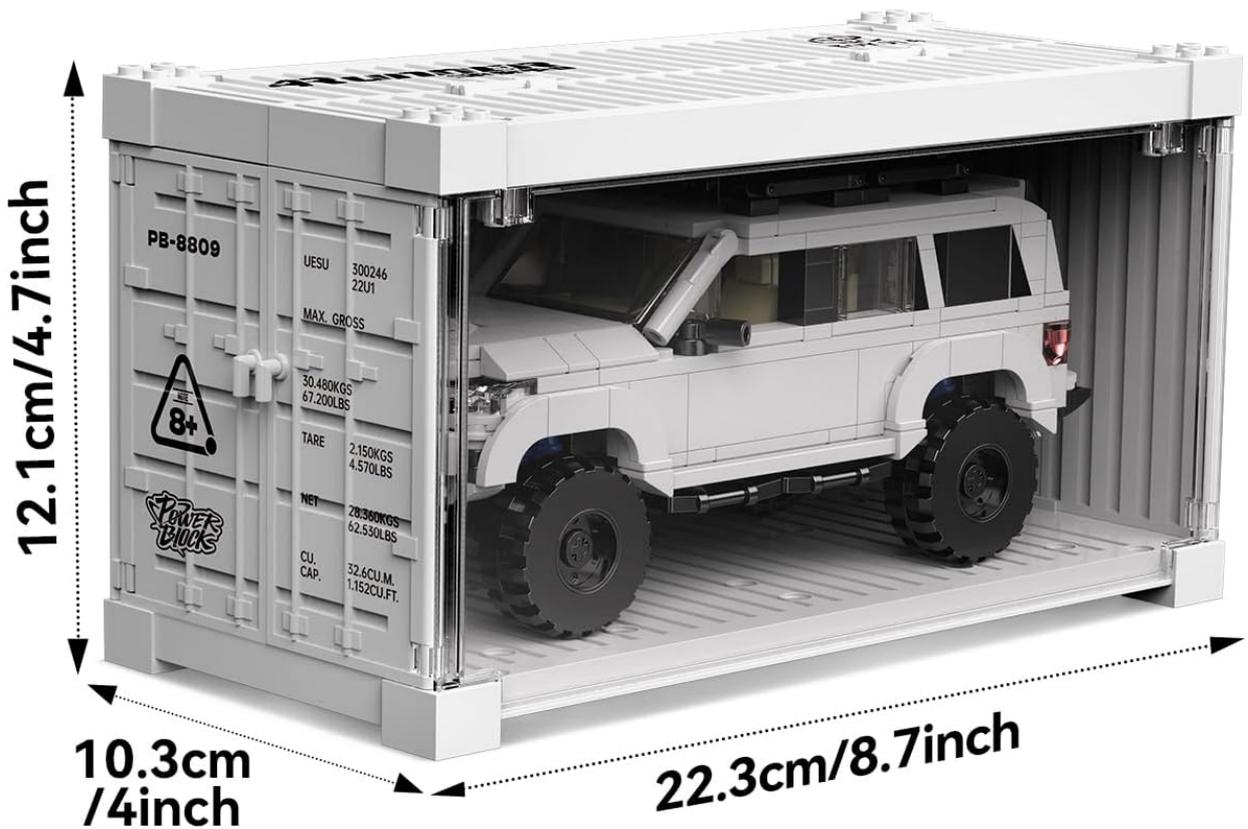

- **Missing Pieces:** In the event of missing building blocks, please contact MOCBROPCS customer service for replacement parts.
- **Assembly Difficulty:** Double-check the instruction manual for the specific step causing difficulty. Ensure all pieces are correctly oriented and firmly connected.
- **Loose Connections:** If parts are not holding together, ensure they are fully pressed into place. The building blocks are designed for a secure fit.
