## WMBickser WMBickser

# WMBickser 1120-Piece WW2 Landing Craft Battlefield Building Block Set Instruction Manual

Model: WMBickser

## 1. Introduction

This instruction manual provides detailed guidance for assembling and understanding your WMBickser 1120-Piece WW2 Landing Craft Battlefield Building Block Set. This set is designed to recreate a World War II military landing craft and battlefield scene, offering an engaging building experience.

Figure 1: Complete WMBickser WW2 Landing Craft Battlefield Building Block Set.

## 2. Safety Information

**WARNING: CHOKING HAZARD - Small Parts. Not suitable for children under 3 years.**

- Keep small parts away from young children.
- Ensure all parts are securely connected during assembly and play to prevent detachment.
- Do not ingest any building block components.

## 3. Package Contents

Your WMBickser WW2 Landing Craft Battlefield Building Block Set includes the following:

- 1120 Building Blocks
- 1 Instruction Manual

Please verify all components are present before beginning assembly. If any parts are missing or damaged, please contact customer support.

## 4. Assembly Instructions (Setup)

This 1120-piece set offers a challenging and rewarding building experience. Follow the step-by-step instructions provided in the included manual for optimal assembly. The set features a detailed design that captures the authenticity of historical military vehicles and structures.

### 4.1. Understanding the Components

The set includes various operational facility displays such as Highland Bunkers, Highland Watchtowers, Sand Bunkers, Landing Craft, and Landing Trenches. Familiarize yourself with these components before starting.

Figure 2: Key components of the battlefield set.

### 4.2. Step-by-Step Assembly

1. **Preparation:** Unpack all building blocks and sort them by color and type to facilitate easier assembly.
2. **Base Construction:** Begin by assembling the baseplate and foundational elements as indicated in your printed instruction manual.
3. **Structure Assembly:** Proceed with building the main structures, including the bunkers, watchtowers, and trenches. Pay close attention to the detailed diagrams.

4. **Vehicle Assembly:** Construct the landing craft and any other vehicles or accessories.
5. **Final Placement:** Arrange all assembled structures and vehicles on the baseplate to create the complete battlefield scene.

## 5. Operating Instructions

Once assembled, the WMBickser WW2 Landing Craft Battlefield Building Block Set offers several interactive features:

- **Turrets:** The turrets on the fortresses are designed to swivel, allowing for dynamic play scenarios.
- **Landing Craft:** The landing craft feature opening compartments, enabling placement of figures or other small accessories (not included).
- **Modular Design:** The set can be displayed as a complete showpiece or integrated into larger military diorama setups for expanded creative play.

## 6. Maintenance

To ensure the longevity of your building block set, follow these maintenance guidelines:

- **Cleaning:** Dust the set regularly with a soft, dry cloth. For deeper cleaning, gently wipe with a damp cloth and mild soap, then rinse with clean water and air dry completely. Avoid harsh chemicals.
- **Storage:** Store the set in a cool, dry place away from direct sunlight to prevent discoloration or warping of the plastic components.
- **Handling:** Handle the assembled model with care to prevent parts from detaching.

## 7. Troubleshooting

If you encounter any issues during assembly or play, consider the following:

- **Missing Pieces:** Double-check all packaging and sorting areas. If a piece is genuinely missing, refer to the "Warranty and Support" section for contact information.
- **Difficulty Connecting Parts:** Ensure parts are aligned correctly and apply firm, even pressure. Some pieces may require a bit more force to snap into place.
- **Loose Connections:** If parts are loose, ensure they are fully pressed together. If a piece consistently remains loose, it may be defective; contact customer support.

## 8. Specifications

| Feature | Detail |
|---|---|
| Product Name | WW2 Landing Craft Battlefield Military Fortresses Building Block Set |
| Brand | WMBickser |
| Model Number | WMBickser |
| Number of Pieces | 1120 |
