Frida Baby 100001971

Frida Baby Electric NoseFrida Nasal Aspirator

Model: 100001971

INTRODUCTION

The Frida Baby Electric NoseFrida Nasal Aspirator is designed to provide gentle yet effective relief from nasal congestion for babies and toddlers. Its user-friendly design and multiple suction levels ensure a comfortable experience for your child, helping them breathe easier.

frida baby®

Electric NoseFrida®

The speedy, self-driving SnotSucker®
that banishes boogers and snot

The Frida Baby Electric NoseFrida Nasal Aspirator, shown with its packaging and included silicone tips. This device is designed for efficient and gentle nasal congestion relief in infants and toddlers.

WHAT'S INCLUDED

Your Frida Baby Electric NoseFrida package includes:

- 1 Electric NoseFrida Nasal Aspirator unit
- 2 Silicone Tips (different sizes for baby and toddler)
- 1 Cleaning Brush
- 1 USB Rechargeable Charging Cable (USB-C)
- 1 Storage Case for convenient travel and organization

Fully-loaded boogie buster

All essential components of the Electric NoseFrida are included for immediate use and easy maintenance. This image displays the main unit, two silicone tips, a cleaning brush, and the USB-C charging cable.

SETUP

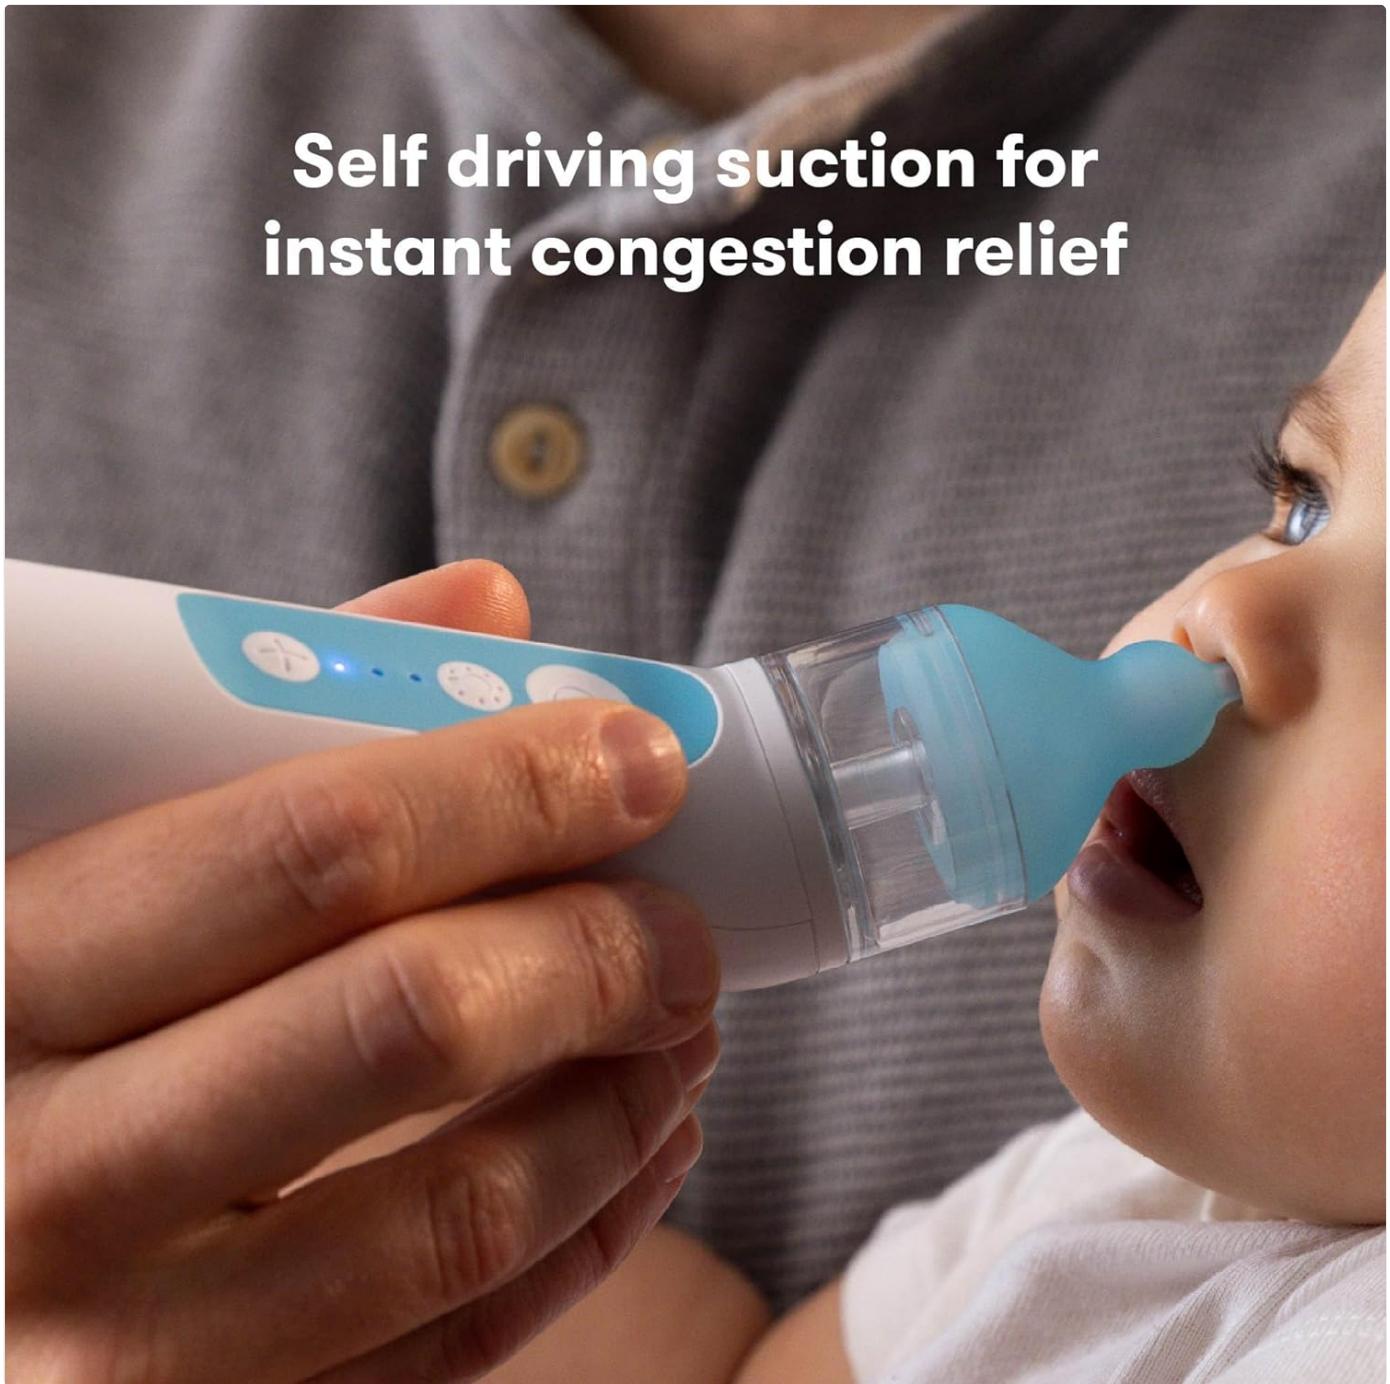

- Charge the Device:** Before first use, ensure the device is fully charged using the provided USB-C charging cable. The charging port is located on the side of the unit.
- Attach Silicone Tip:** Select the appropriate silicone tip size for your child's age and comfort. Gently push the chosen silicone tip onto the top of the aspirator unit until it is securely in place.

OPERATING INSTRUCTIONS

- Power On:** Press the power button on the device to turn it on. It will typically start on the lowest suction setting.
- Select Suction Level:** The aspirator features 3 power levels. Press the '+' button to cycle through the suction levels (low, medium, high) to find the most effective and comfortable setting for your child's congestion.

3. **Optional Distraction Light:** Press the light button to activate the color-changing light. This can serve as a distraction to help calm restless children during use.
4. **Aspirate:** Gently insert the silicone tip into your child's nostril. Ensure a snug fit to create effective suction. Move the tip as needed to clear mucus. Repeat for the other nostril.
5. **Power Off:** Press the power button again to turn off the device when finished.

Self driving suction for instant congestion relief

The Electric NoseFrida provides self-driving suction for instant congestion relief. Gently place the silicone tip into the nostril to clear mucus effectively.

Power through sick days

The device features an optional color-changing distraction light and three distinct suction levels, indicated by LED lights, allowing for customized and comfortable use.

MAINTENANCE & CLEANING

Regular cleaning is essential to maintain hygiene and performance.

- 1. Disassemble:** Remove the silicone tip and the clear collection cup from the main unit.
- 2. Clean Components:** Wash the silicone tip and collection cup with warm soapy water. The parts are designed to come apart for thorough cleaning and are dishwasher safe.
- 3. Use Cleaning Brush:** Utilize the provided cleaning brush to ensure all mucus is removed from the narrow passages of the tip and cup.
- 4. Wipe Main Unit:** Wipe the main electric unit with a damp cloth. **Do not submerge the main unit in water.**
- 5. Dry & Reassemble:** Allow all parts to air dry completely before reassembling the aspirator.

This

That

vs

Comes apart for cleaning

Gets gross + moldy

Dishwasher safe parts

Hides nasty buildup inside

Unlike traditional bulb syringes that can harbor hidden buildup, the Frida Baby Electric NoseFrida features parts that easily detach for thorough cleaning, ensuring hygiene and preventing mold.

TROUBLESHOOTING

If you encounter any issues with your Frida Baby Electric NoseFrida, please ensure the device is fully charged and all components are correctly assembled and clean. Refer to the cleaning instructions to ensure no blockages are present. If problems persist, contact customer support.

SPECIFICATIONS

Feature	Detail
Model Name	Electric NoseFrida
Item Model Number	100001971

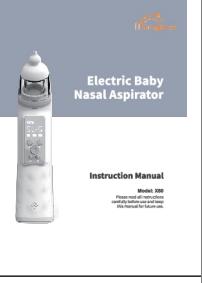

Brand	Frida Baby
Age Range	Baby
Power Source	Battery Powered (USB Rechargeable)
Material Type	Silicone
Color	White
Item Weight	13.4 ounces
Package Dimensions	8.74 x 4.02 x 2.48 inches
Product Care Instructions	Hand Wash Only (for removable parts)
