VINGLI Home Office Desk Chair Instruction Manual

Model: 6ad047ef-027a-42a6-89a8-a3602a26a3dd

1. INTRODUCTION

This manual provides instructions for the assembly, operation, and maintenance of your VINGLI Home Office Desk Chair. Please read these instructions carefully before use and retain them for future reference. This chair is designed for home office, study, makeup area, and similar indoor environments.

Important Safety Information:

- Maximum weight capacity: 330.7 lbs (150 kg). Do not exceed this limit.
- Ensure all components are securely fastened before use.
- Keep hands and feet clear of moving parts during adjustment.

Image 1.1: The VINGLI Home Office Desk Chair, featuring a green upholstered seat and backrest, gold metal armrests, and a gold five-star base with casters. The chair is positioned on a rug in a home office setting.

2. PACKAGE CONTENTS

Before beginning assembly, verify that all parts are present and undamaged. If any parts are missing or damaged, please contact VINGLI customer support.

- Seat Cushion
- Backrest
- Armrests (2)
- Gas Lift Cylinder
- Base (5-star)
- Casters (5)
- Feet Pegs (5, optional replacement for casters)
- Hardware Pack (screws, washers, Allen wrench)

3. SETUP AND ASSEMBLY

Assembly of the VINGLI Home Office Desk Chair is designed to be straightforward and requires minimal effort. Follow these steps carefully.

1. **Attach Casters/Feet Pegs to Base:** Insert the five casters or feet pegs firmly into the holes at the end of each leg of the chair base. Ensure they are fully seated.
2. **Insert Gas Lift:** Place the gas lift cylinder into the center hole of the assembled base.
3. **Attach Armrests to Seat:** Secure the armrests to the underside of the seat cushion using the provided screws. Ensure the armrests are oriented correctly.
4. **Attach Backrest to Seat:** Connect the backrest to the seat cushion assembly. Fasten securely with the appropriate screws.
5. **Connect Seat Assembly to Gas Lift:** Carefully place the assembled seat and backrest onto the gas lift cylinder, ensuring the center mechanism aligns with the top of the gas lift. Apply downward pressure to secure.
6. **Final Check:** Verify that all screws are tightened and all components are stable before using the chair.

4. OPERATING INSTRUCTIONS

Your VINGLI Home Office Desk Chair offers several adjustable features for personalized comfort.

4.1 Height Adjustment

To adjust the chair's height, locate the lever beneath the seat on the right side. While seated, pull the lever upwards to lower the chair. To raise the chair, stand up and pull the lever upwards. Release the lever at the desired height to lock it in place.

4.2 Tilting Function

The chair features a tilt-back mechanism for relaxation. To activate the tilt, pull the lever on the left side of the chair outwards. To lock the chair in an upright position, push the lever inwards. The tension of the tilt can often be adjusted by rotating a knob located under the seat, typically at the front.

4.3 360° Swivel and Mobility

The chair is equipped with a 360-degree silent swivel function, allowing for easy rotation without noise. The five high-quality ball casters provide smooth mobility across various floor surfaces. For stationary use, the casters can be replaced with the included feet pegs.

4.4 Removable Armrests

The armrests are designed to be removable. If you prefer to use the chair without armrests, they can be detached by unscrewing them from the seat base. This provides flexibility for different user preferences or to fit under desks with limited clearance.

FLEXIBLE ADJUSTABILITY

Image 4.1: An illustration detailing the chair's adjustable height, 360-degree swivel, removable armrests, and tilting function for user customization.

5. MAINTENANCE

Proper maintenance will extend the life and appearance of your VINGLI Home Office Desk Chair.

- **Cleaning:** For PU leather or cat scratch-resistant PU surfaces, wipe with a soft, damp cloth. For microfiber (suede) surfaces, use a dry brush or a specialized fabric cleaner. Avoid harsh chemicals or abrasive cleaners.
- **Hardware Check:** Periodically check all screws and bolts to ensure they are tight. Re-tighten if necessary to maintain stability.
- **Caster Care:** Keep casters free of hair and debris to ensure smooth rolling. Clean them regularly.
- **Avoid Overloading:** Do not exceed the maximum weight capacity of 330.7 lbs (150 kg).
- **Sunlight Exposure:** Avoid prolonged direct sunlight exposure to prevent fading and material degradation.

6. TROUBLESHOOTING

This section addresses common issues you might encounter with your chair.

- **Chair feels unstable or wobbly:**

- Ensure all assembly screws are securely tightened.
- Verify that the gas lift is properly seated in the base and the seat mechanism.
- Check if the floor surface is even.

- **Chair does not adjust height:**

- Ensure the height adjustment lever is fully engaged when pulled.
- Check if the gas lift cylinder is damaged or stuck. If so, contact support.

- **Chair leans to one side:**

- Re-check all connections, especially where the seat attaches to the mechanism and the backrest to the seat. Uneven tightening can cause leaning.
- Ensure the base is not bent or damaged.

- **Casters do not roll smoothly:**

- Clean any debris (hair, lint) from the caster wheels.
- Ensure casters are fully inserted into the base.

7. SPECIFICATIONS

Detailed specifications for the VINGLI Home Office Desk Chair.

Feature	Detail
Brand	VINGLI
Model Number	6ad047ef-027a-42a6-89a8-a3602a26a3dd
