Vente-unique CALIFE

Vente-unique CALIFE 4-Seater Convertible Sofa Bed Instruction Manual

Model: CALIFE

1. PRODUCT OVERVIEW

The Vente-unique CALIFE convertible sofa bed is designed to offer both comfortable seating and a practical sleeping solution. This 4-seater sofa features an express conversion mechanism, a 160 cm sleeping area, and a 22 cm memory foam mattress for enhanced comfort. The seat cushions are removable for easy maintenance.

2. SETUP AND ASSEMBLY

Assembly is required for this product. Please ensure all components are present before beginning. It is recommended to have two people for assembly due to the size and weight of the sofa.

2.1 Unpacking

- Carefully remove all packaging materials. Retain packaging for potential returns or future transport.
- Verify that all parts listed in the packing list (not provided in this manual) are present and undamaged.

2.2 Frame Assembly

Follow the specific instructions provided with your product for assembling the main frame and attaching the armrests. Ensure all bolts and fasteners are securely tightened.

Image 2.1: A view of the sofa during partial assembly, illustrating the integrated metal bed mechanism and frame structure.

3. OPERATING INSTRUCTIONS

3.1 Converting from Sofa to Bed

1. Remove all cushions from the sofa seat and backrest.
2. Grasp the handle or strap located at the front center of the seat.
3. Pull the mechanism upwards and outwards in a single, fluid motion. The bed frame and mattress will unfold automatically.
4. Ensure the legs of the bed frame are fully extended and locked into place for stability.

Image 3.1: The CALIFE sofa bed fully converted into a comfortable bed, showcasing the 160 cm sleeping area and mattress.

3.2 Converting from Bed to Sofa

1. Lift the bed frame slightly from the center and push it inwards towards the sofa base.
2. Guide the mechanism as it folds back into the sofa position.
3. Ensure the mechanism is fully retracted and locked.
4. Replace the seat and backrest cushions.

Image 3.2: A side perspective of the CALIFE sofa bed in its bed configuration, highlighting the mattress and support structure.

3.3 Using the Pillow Storage

The CALIFE sofa bed includes two integrated pillow storage compartments. These are typically located within the sofa frame, accessible when the bed mechanism is deployed or by lifting a specific section of the sofa. Use these compartments to store pillows or bedding when the sofa is in its upright position.

4. CARE AND MAINTENANCE

4.1 Fabric Care (100% Polyester)

- **Regular Cleaning:** Vacuum the fabric regularly using a soft brush attachment to remove dust and loose debris.
- **Spot Cleaning:** For spills, blot immediately with a clean, dry cloth. Do not rub, as this can spread the stain. For stubborn stains, use a mild fabric cleaner specifically designed for polyester, following the product instructions. Test on an inconspicuous area first.
- **Removable Seat Cushions:** The seat cushions are removable. Refer to the care label on the cushion covers for specific washing instructions. Typically, polyester covers can be machine washed on a gentle cycle with cold water and air-dried.
- **Avoid Direct Sunlight:** Prolonged exposure to direct sunlight can cause fabric fading. Position the sofa away from direct sunlight or use curtains/blinds.

4.2 Mattress Care (Memory Foam)

- **Protective Cover:** It is recommended to use a mattress protector to shield the memory foam from spills and stains.
- **Ventilation:** Allow the mattress to air out periodically by removing bedding. This helps to dissipate moisture and maintain freshness.
- **Spot Cleaning:** For spills on the memory foam, blot with a damp cloth and a mild detergent solution. Do not saturate the foam. Allow to air dry completely before replacing bedding.
- **Do Not Machine Wash:** Memory foam mattresses or their core should not be machine washed or dry cleaned.

4.3 Frame and Mechanism Care

- **Cleaning:** Wipe the wooden and metal parts of the frame with a soft, damp cloth. Avoid harsh chemicals.
- **Lubrication:** Periodically check the convertible mechanism for smooth operation. If it becomes stiff, a small amount of silicone-based lubricant can be applied to moving parts, avoiding contact with fabric.
- **Tighten Fasteners:** Over time, fasteners may loosen. Periodically check and tighten all bolts and screws to ensure stability and safety.

5. TROUBLESHOOTING

- **Mechanism is Stiff:** Ensure no obstructions are preventing movement. Check if all parts are aligned correctly. Apply a small amount of silicone lubricant to the moving joints if necessary.
- **Sofa Feels Unstable:** Verify that all assembly bolts and screws are securely tightened. Ensure the sofa is placed on a flat, even surface.
- **Cushions Appear Flat:** Rotate and fluff cushions regularly to maintain their shape and density.
- **Unusual Noises During Conversion:** Inspect the mechanism for any loose parts or foreign objects. Ensure all components are properly aligned and lubricated.

6. PRODUCT SPECIFICATIONS

Feature	Specification
Brand	Vente-unique
Model	CALIFE
Type	4-Seater Convertible Sofa Bed
Color	Light Grey
Overall Dimensions (Sofa)	190 cm (L) x 94 cm (D) x 85 cm (H)
