## OPERATING INSTRUCTIONS

Once set up, your tracker is ready for use.

### Attaching the Tracker

Securely fasten the paw print tracker to your dog's collar using the provided attachment mechanism. Ensure it is snug but not too tight, allowing for your pet's comfort and preventing accidental detachment.

### Real-time Location Monitoring

Use the dedicated mobile application to view your pet's real-time location. The tracker is designed for versatile use in both indoor and outdoor environments, providing continuous monitoring capabilities when connected.

### Battery Life

The device is battery-powered. Batteries are not included with the product and must be purchased separately. Monitor the battery level through the mobile application to ensure continuous tracking and replace batteries as indicated by the app or device indicators.

## MAINTENANCE

- **Cleaning:** Wipe the tracker with a soft, damp cloth to remove dirt or debris. Do not use harsh chemicals or abrasive cleaners.
- **Storage:** When not in use, store the tracker in a cool, dry place away from direct sunlight.
- **Battery Replacement:** If the tracker uses replaceable batteries, follow the instructions in the app or on the device for safe battery replacement. Ensure correct battery type and polarity.

## TROUBLESHOOTING

If you encounter issues with your Paw Print Dog Collar Tracker, please refer to the following common solutions:

- **Device Not Connecting:**

- Ensure Bluetooth is enabled on your smartphone and the tracker is within range.
  - Check if the tracker's battery is charged or needs replacement.
  - Restart both your smartphone and the tracker.
  - Try re-binding the device through the app.
- **Inaccurate Location:**
    - Ensure your smartphone's location services are enabled and the app has permission to access them.
    - Check for environmental interference that might affect Bluetooth signal.
    - Update the tracking app to the latest version.
- **Short Battery Life:**
    - Ensure you are using fresh, high-quality batteries.
    - Reduce the frequency of location updates in the app settings if possible, to conserve battery.
    - Operating in extreme temperatures can affect battery performance.

If problems persist, contact customer support.
