DICTAC LB-06

DICTAC Full Over Twin Bunk Bed with Desk and LED Lights Instruction Manual

Model: LB-06 | Brand: DICTAC

1. Important Safety Information

Always unplug the charging station when not in use to prevent electrical shock. Be cautious when using the upper bunk, especially for children, and consider using a safety net for added protection. Follow the assembly instructions carefully to ensure the stability of the bunk bed. Do not exceed the weight capacity of each bunk to maintain safety and prevent accidents.

WARNING: Failure to follow these safety instructions could result in serious injury or death.

2. Product Overview

The DICTAC Full Over Twin Bunk Bed is designed to optimize space in bedrooms, offering a comfortable sleeping solution along with integrated study and storage features. This metal loft bed frame includes a built-in desk, LED lights, a charging station, storage shelves, and fabric drawers, making it ideal for teens and adults.

Figure 2.1: Overall view of the DICTAC Full Over Twin Bunk Bed, showcasing its integrated desk, LED lights, and storage solutions.

Key Features:

- **Integrated Desk and Charging Station:** Features a spacious study desk and a convenient charging station with 125V/12A (2 AC Outlets) and 5V/2.1A (2 USB Ports) to support work, study, or gaming.
- **Enhanced Safety:** Equipped with full-length and heightened guardrails on the upper bunk and sturdy metal anti-tip nails for wall fixation, ensuring maximum security.
- **Robust Construction:** Built with a heavy-duty metal frame and closely packed metal slats for superior security and stability. The lower bunk supports up to 400 lbs, and the upper bunk supports up to 450 lbs. No box spring is needed.
- **RGB LED Lights:** Vibrant RGB LED lights with over 60,000 colors, adjustable brightness, dynamic modes, music sync, mic mode, and timing functions via app or line controller.
- **Space-Saving Design:** Provides two ample sleeping areas (Full size top bunk, Twin size lower bunk) and optimizes vertical space.
- **Multifunctional Storage:** Includes 2 open storage shelves, 2 fabric drawers, an extra side storage bag, and a metal decorative mesh with 6 hooks for hanging items. A hanging rail is also provided for clothes.

DICTAC Full Over Twin Bunk Bed Assemble Video

Video 3.1: Official assembly guide for the DICTAC Full Over Twin Bunk Bed. This video provides a visual walkthrough of each step, from unboxing to final setup.

Key Assembly Steps:

1. **Unpack and Identify Parts:** Lay out all components and hardware. Verify against the parts list in your manual.
2. **Assemble Ladder Sections:** Connect the ladder rungs to the side rails using the specified screws and washers. Pay close attention to the direction of the holes.
3. **Construct Bed Frames:** Assemble the main bed frames (upper and lower) by connecting the horizontal and vertical metal bars. Ensure all connections are secure but do not fully tighten screws until instructed.
4. **Attach Support Beams:** Secure the long support beams for both the upper and lower bunks.
5. **Install Desk and Shelves:** Place the wooden desk and shelf panels onto their designated metal supports. Secure them with screws.
6. **Integrate Charging Station:** Install the charging station into the pre-cut slot on the desk.
7. **Attach Accessories:** Secure the metal decorative mesh, hanging rail, and fabric storage bag.
8. **Install LED Lights:** Remove the adhesive backing from the LED light strip and carefully apply it to the underside of the upper bunk frame. Connect the power supply.
9. **Final Tightening:** Once all components are in place and aligned, fully tighten all screws.
10. **Anti-Tipping Device:** Securely attach the anti-tipping device to the bed frame and wall as per the instructions to prevent accidental tipping.

4. Operating Instructions

4.1. LED Lights Operation

The integrated RGB LED lights offer extensive customization options to create your desired ambiance. Control the lights using the dedicated mobile application or the inline controller.

- **Color Selection:** Choose from over 60,000 colors directly from the app or controller.
- **Brightness Adjustment:** Customize the light intensity to suit your preference.
- **Dynamic Modes:** Select from various pre-set dynamic lighting effects.
- **Music Sync Mode:** Lights can synchronize with music played through your device, creating a dynamic visual experience.
- **Mic Mode:** Lights respond to ambient sounds detected by your device's microphone.
- **Timing Modes:** Set schedules for the lights to turn on or off automatically.

Video 4.2: A display video showcasing the DICTAC Full Over Twin Bunk Bed with Desk, highlighting its features including the LED lights and charging station.

4.2. Charging Station Usage

The built-in charging station provides convenient power access for your electronic devices.

- **AC Outlets:** Two 125V/12A AC outlets are available for standard plugs.
- **USB Ports:** Two 5V/2.1A USB ports are provided for charging mobile phones, tablets, and other USB-powered devices.
- **Safety Precaution:** Always unplug the charging station from the wall outlet when not in use to prevent electrical hazards.

Figure 4.3: Close-up view of the integrated charging station on the desk, showing the AC outlets and USB ports in use.

5. Maintenance

Regular maintenance will help prolong the life and appearance of your bunk bed.

- **Cleaning:** Wipe metal surfaces with a soft, damp cloth. Avoid abrasive cleaners or harsh chemicals that may damage the finish. For wooden surfaces, use a wood-safe cleaner.
- **Hardware Check:** Periodically check all screws and bolts to ensure they are tight. Re-tighten if necessary to maintain stability and prevent squeaking.
- **LED Lights:** Ensure the LED strip and power connections are free from dust and debris. Do not attempt to repair the LED strip or charging station yourself; contact customer support if issues arise.
- **Fabric Drawers:** Clean fabric drawers with a mild detergent and water, spot cleaning as needed. Allow to air dry completely.

6. Troubleshooting

If you encounter any issues with your DICTAC bunk bed, refer to the following common troubleshooting tips:

- **Bed Squeaks:** Check all bolts and screws. Tighten any loose connections. Ensure the bed is placed on a level surface.
- **Instability/Wobbling:** Verify that all assembly steps were followed correctly and all hardware is securely tightened. Ensure the anti-tipping device is properly installed and anchored to the wall.
- **LED Lights Not Working:** Check the power connection to the charging station and the LED strip. Ensure the app is correctly paired and the controller is functioning.
- **Charging Station Not Functioning:** Confirm the power cord is securely plugged into a working wall outlet. Check for any loose connections at the charging station unit.
- **Missing Parts:** If any parts are missing upon arrival, please contact DICTAC customer service immediately with your purchase details.

7. Specifications

Attribute	Detail
Size	Full /Twin
Product Dimensions	77.95"L x 57.1"W x 72.05"H
