IMPORTANT SAFETY INFORMATION

- **Weight Capacity:** The upper bed has a maximum weight capacity of 400 lbs. The bottom bed has a maximum weight capacity of 600 lbs. Do not exceed these limits.
- **Guardrails:** The top bunk is equipped with full-length guardrails for safety. Ensure they are properly installed and secured before use.
- **Ladder:** Use the built-in ladder for safe access to the upper bunk. Do not use alternative climbing methods.
- **Mattress Thickness:** Recommended mattress thickness for the upper bed is 6 inches. Recommended mattress thickness for the bottom bed is 8 inches. Ensure mattresses fit snugly to prevent gaps.
- **Assembly:** Ensure all parts are correctly assembled and all fasteners are tightened according to the instructions to prevent instability or collapse.
- **No Box Spring Needed:** This bed frame is designed for use without a box spring.

SETUP AND ASSEMBLY

The HKOLIE Full Over Full Metal Bunk Bed is designed for straightforward assembly. It is recommended to have two adults for assembly. All necessary tools and hardware are typically included.

Assembly Steps Overview:

1. Unpack all components and verify against the parts list (refer to included manual for detailed list).
2. Assemble the headboards and footboards for both the upper and lower beds.
3. Attach the side rails and support slats to form the bed frames.
4. Connect the upper and lower bed frames using the provided posts and fasteners.
5. Install the built-in ladder and secure all guardrails.
6. Ensure all connections are tight and the structure is stable before placing mattresses.

Video: A 15-second animation demonstrating the assembly process for a Full Over Full Metal Bunk Bed. This video provides a visual guide to connecting the frame components, installing slats, and securing the upper bunk.

Versatile Configuration: This bunk bed can also be separated into two individual full-size beds, offering flexibility for different room layouts or future needs. To convert, simply detach the upper bunk and posts, and reconfigure the headboards/footboards as individual beds.

OPERATING AND USAGE

The HKOLIE Full Over Full Metal Bunk Bed is designed for comfort and durability, suitable for both teens and adults.

- **Space-Saving Design:** Maximizes floor space, making it ideal for smaller bedrooms or shared living areas.
- **Noise Reduction:** Engineered to minimize creaking sounds, ensuring a quiet and restful sleep experience.
- **Built-in Ladder:** Provides easy and secure access to the top bunk.
- **Under-Bed Clearance:** Offers approximately 9.8 inches of space beneath the bottom bunk, perfect for storage bins or other items.

Built-in ladder

This bunk bed comes with ladders , making it easy for you to climb up to the top bunk

Safety guardrail

The top bunk has a safety guardrail, so you can sleep on it without worrying about falling

MAINTENANCE

- Regularly check all bolts and fasteners to ensure they remain tight. Re-tighten as needed.
- Clean the metal frame with a soft, damp cloth and mild soap. Avoid abrasive cleaners that could damage the finish.
- Inspect the ladder and guardrails periodically for any signs of wear or damage.

TROUBLESHOOTING

- **Wobbling:** If the bed feels wobbly, check all connections and ensure all bolts are securely tightened.
- **Noise:** If creaking occurs, identify the source and ensure all joints are tight. Applying a small amount of lubricant to metal-on-metal contact points may help.

- **Missing Parts:** If any parts are missing upon delivery, contact HKOLIE customer support immediately.
