Samsung EF-GS936

Samsung Galaxy S25 Plus Standing Grip Case User Manual

Model: EF-GS936

1. Introduction

This manual provides instructions for the proper installation, use, and maintenance of your Samsung Galaxy S25 Plus Standing Grip Case. Please read this manual thoroughly before using the product to ensure optimal performance and longevity.

2. Product Overview

The Samsung Galaxy S25 Plus Standing Grip Case is designed to provide protection for your device while offering enhanced usability through its integrated grip and standing functions. It features a sleek design and is constructed from durable, eco-friendly polycarbonate material.

Key Features:

- **2-in-1 Grip & Standing Design:** Provides a secure grip and converts into a convenient stand.
- **Soft Touch Feeling:** Enhanced tactile experience.
- **Eco-Friendly Material:** Made with a minimum of 19% post-consumer recycled content, UL Certified.
- **Slim Profile:** Up to 25% slimmer for a comfortable fit.

Product Components:

The product package includes one (1) Samsung Galaxy S25 Plus Standing Grip Case.

Figure 2.1: Rear view of the Samsung Galaxy S25 Plus Standing Grip Case with the grip fully retracted, showcasing its sleek design.

Figure 2.2: Rear view of the case with the integrated grip partially extended, illustrating the initial stage of deployment.

Figure 2.3: Side view of the Samsung Galaxy S25 Plus with the case installed and the grip fully extended, functioning as a horizontal viewing stand.

3. Setup and Installation

Follow these steps to properly install the case on your Samsung Galaxy S25 Plus:

1. Ensure your Samsung Galaxy S25 Plus is clean and free of dust or debris.
2. Align the camera cutouts and ports of the case with your phone.
3. Gently insert one side of your phone into the case, starting with the top or bottom edge.
4. Press the remaining edges of the phone into the case until it is securely seated. Ensure all corners are fully covered and the case fits snugly.

4. Operating Instructions

Using the Grip Function:

The integrated grip provides a secure hold on your device, reducing the risk of accidental drops.

1. To engage the grip, gently pull the strap located on the back of the case outwards.
2. Slide your fingers through the loop created by the extended strap for a comfortable and secure hold.
3. To retract the grip, push the strap back into its recessed position until it lies flat against the case.

Using the Standing Function:

The grip can also be used as a stand for hands-free viewing.

1. Extend the grip strap as described above.
2. Position your phone horizontally on a flat surface.
3. Adjust the extended grip strap to prop up the phone at your desired viewing angle. The strap acts as a stable

kickstand.

4. Ensure the phone is stable before releasing it.

5. Maintenance

To keep your case clean and in good condition:

- Wipe the case regularly with a soft, damp cloth.
- Avoid using harsh chemicals, abrasive cleaners, or solvents, as these may damage the material or finish.
- Ensure the case is completely dry before reattaching it to your phone.

6. Troubleshooting

Case does not fit properly:

- Ensure you have the correct model case for your phone (Samsung Galaxy S25 Plus).
- Re-align the phone within the case, ensuring all edges and corners are properly seated.

Grip/Stand mechanism feels loose or stiff:

- Check for any obstructions or debris in the mechanism.
- Ensure the grip is fully extended or retracted as intended. Avoid forcing the mechanism.
