If any items are missing or damaged, please contact customer support.

3. Setup and Installation

Follow these steps to properly install the Kindsuit Case on your Samsung Galaxy S25:

1. **Prepare your device:** Ensure your Samsung Galaxy S25 is clean and free of dust or debris.
2. **Align the case:** Hold the Kindsuit Case with the camera cutout aligned with your phone's camera module.

3. **Insert the phone:** Gently push your Samsung Galaxy S25 into the case, starting with one side (e.g., the top or bottom). Ensure all corners snap securely into place.
4. **Check fit:** Verify that the case fits snugly around your phone and that all buttons and ports are accessible and unobstructed.

4. Operating Instructions

The Kindsuit Case is designed for passive protection and does not require active operation. Once installed, it provides continuous protection for your device.

- **Button Access:** The case features precise cutouts and covers for the power and volume buttons, ensuring full functionality.
- **Port Access:** All charging ports, speaker grilles, and microphone openings are easily accessible.
- **Wireless Charging:** The case is designed to be compatible with wireless charging.

5. Maintenance and Care

To ensure the longevity and appearance of your Kindsuit Case, follow these maintenance guidelines:

- **Cleaning:** Wipe the case regularly with a soft, damp cloth. Avoid using harsh chemicals, abrasive cleaners, or solvents, as these may damage the material.
- **Storage:** When not in use, store the case in a cool, dry place away from direct sunlight and extreme temperatures.
- **Avoid Scratches:** While durable, the vegan leather finish can be scratched by sharp objects. Handle with care.

6. Troubleshooting

If you encounter any issues with your Kindsuit Case, refer to the following common solutions:

- **Case does not fit properly:**
  - Ensure you have the correct model case for your Samsung Galaxy S25. This case is specifically designed for the Samsung Galaxy S25.

- Remove any existing screen protectors or skins that might interfere with the fit.
- Re-align and gently press the phone into the case, ensuring all edges are seated correctly.

- **Buttons are stiff or unresponsive:**
  - Ensure the phone is fully seated in the case.
  - Check for any debris trapped between the phone buttons and the case buttons.

- **Wireless charging not working:**
  - Ensure your wireless charger is compatible with your Samsung Galaxy S25.
  - Verify that the phone is correctly positioned on the wireless charging pad.
  - Remove any metal objects or cards from between the phone and the case.
