## Aitjunz LDQMFJ77K-BK

# Aitjunz Modern King Size Bed Frame Instruction Manual

Model: LDQMFJ77K-BK

## INTRODUCTION

---

Thank you for choosing the Aitjunz Modern King Size Bed Frame. This manual provides detailed instructions for the assembly, operation, and maintenance of your new bed frame. Please read all instructions carefully before beginning assembly and retain this manual for future reference.

## SAFETY INFORMATION

---

- Do not exceed the maximum weight limit of 882 lbs (400 kg) for the bed frame.
- Assemble the bed frame carefully, following all instructions provided.
- Be cautious of sharp edges during assembly and use.
- Keep drawers closed when not in use to prevent tripping hazards.
- Ensure all connections are securely tightened before use. Periodically check and re-tighten fasteners.
- Keep small parts away from children during assembly.

## PRODUCT OVERVIEW

---

The Aitjunz Modern King Size Bed Frame features a 50-inch tall storage headboard, integrated LED lighting, a charging station, and four hidden storage drawers. It is designed for use without a box spring.

### Key Features:

- **50" Tall Storage Headboard:** Provides comfortable back support and includes three concealed doors and three open compartments for storage.
- **Integrated Charging Station:** Features 2 standard power outlets (110V/12A) and 2 USB ports (5V/2A) for convenient device charging.

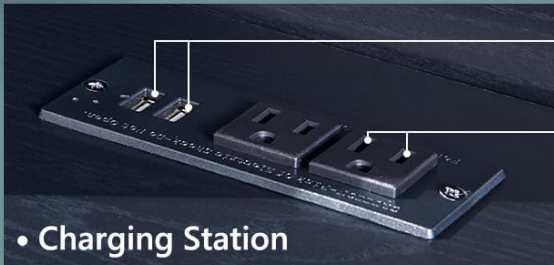

- **LED Light Strip:** A 7-color LED light strip with remote control for customizable ambiance.
- **4 Hidden Storage Drawers:** Two drawers on each side of the bed frame offer maximized storage for bedding, clothing, and essentials. Drawers include magnetic locks to prevent sliding.
- **Sturdy Construction:** Crafted from high-quality engineered wood and metal frame bars, supporting up to 882 lbs.

## SETUP AND ASSEMBLY

Assembly is required for this bed frame. It is recommended to have two people for assembly. Please ensure all parts are present before beginning. The item will be delivered in two packages, which may not arrive on the same day.

### Package Contents:

Refer to the included parts list in your packaging. Ensure all components and hardware are accounted for.

# KING SIZE STORAGE BED FRAME

90"L x 78.3"W x 50.35"H

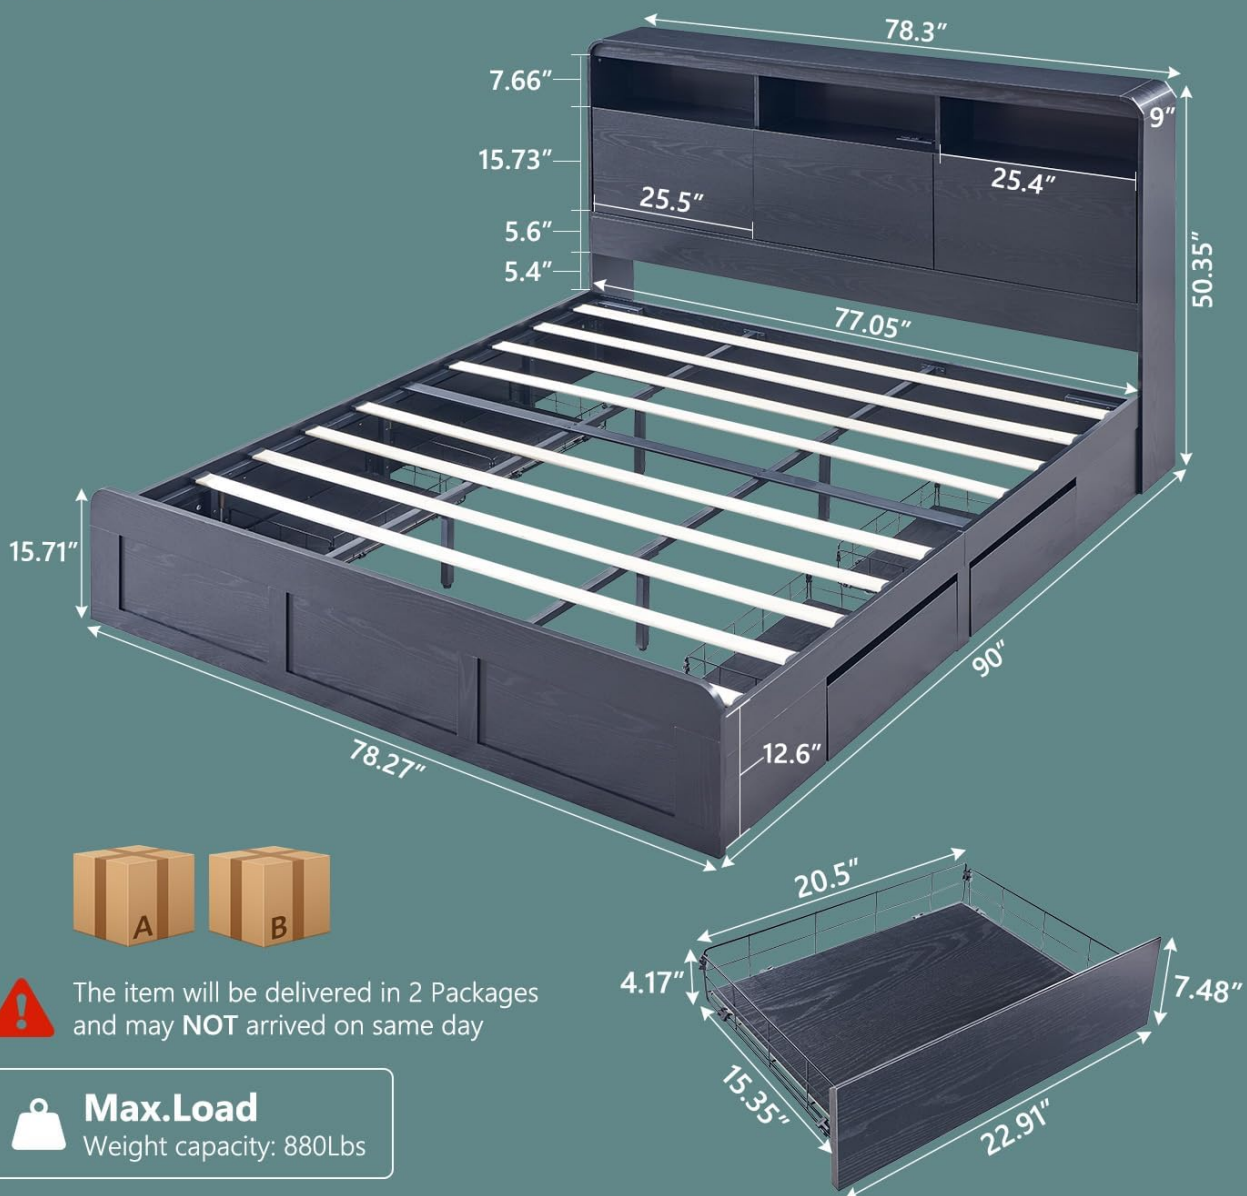

Image: Diagram illustrating the overall dimensions of the King Size Storage Bed Frame (90"L x 78.3"W x 50.35"H) and the dimensions of the headboard and drawers. It also indicates the item ships in 2 packages and has a max load capacity of 880 lbs.

## Assembly Steps:

- Unpack and Identify Parts:** Carefully unpack all components and lay them out on a clean, soft surface to prevent scratches. Identify each part using the provided parts list.
- Assemble the Headboard:** Follow the specific instructions in your manual to connect the headboard panels, including the storage compartments and the charging station. Ensure the LED light strip is correctly positioned.
- Assemble the Side Rails:** Attach the side rails to the headboard and footboard (if separate). Ensure all bolts are tightened securely.
- Install the Center Support System:** Place the metal frame bars and wood beams across the bed frame to create the mattress support. Ensure they are evenly spaced and securely fastened.
- Assemble and Insert Drawers:** Assemble the four hidden sliding drawers according to the instructions. Insert them into the designated slots on the bed frame. Verify the magnetic locks function correctly.
- Final Checks:** Double-check all connections and fasteners to ensure the bed frame is stable and secure.

## OPERATING INSTRUCTIONS

### Using the Charging Station:

- Locate the charging station on the headboard.
- Plug the bed frame's power cord into a standard wall outlet.
- Connect your devices to the 2 standard AC power outlets (110V/12A) or the 2 USB ports (5V/2A) as needed.

### Controlling the LED Light Strip:

- The LED light strip is located within the headboard's open compartments.
- Use the provided remote control to power the lights on/off, change between the seven available colors, and adjust brightness.
- Ensure the remote control has working batteries and is pointed towards the LED receiver.

Image: The 50-inch tall headboard with the LED light strip illuminated, alongside the remote control for color and brightness adjustments.

## Using the Storage Drawers and Headboard Compartments:

- The four hidden drawers slide out from under the bed frame. They are ideal for storing bedding, clothing, or other personal items.
- The drawers feature magnetic locks to keep them securely in place when closed.
- The headboard offers three open compartments and three concealed compartments behind doors for additional storage.

### 4 Hidden Storage Drawers

Designed with 2 drawers on each side, this bed frame provides ideal storage for bed sheets, accessories, and clothes. The four drawers help you keep your bedroom organized efficiently, and they can be easily disassembled when needed

### 3 Storage Cabinets with Doors

The oversized headboard features three hinged modern-style storage cabinets, offering additional storage space to keep your belongings neatly organized and protected from damage.

## MAINTENANCE

- **Cleaning:** Wipe the bed frame surfaces with a dry cloth. Avoid using harsh chemicals or abrasive cleaners that may damage the finish.
- **Fastener Checks:** Periodically check all bolts and screws to ensure they remain tight. Re-tighten as necessary to maintain stability and prevent noise.

- **Drawer Care:** Ensure the drawer sliding wheels are free of debris for smooth operation.

## TROUBLESHOOTING

Problem	Possible Cause	Solution
Bed frame is wobbly or noisy.	Loose fasteners or uneven assembly.	Check and tighten all bolts and screws. Ensure the bed frame is on a level surface.
LED lights not working.	Power cord unplugged, remote batteries dead, or remote not pointed correctly.	Ensure the bed frame is plugged into a working outlet. Replace remote batteries. Point the remote directly at the LED receiver.
Charging station not working.	Bed frame not plugged in, or device cable issue.	Verify the bed frame's power cord is securely plugged into a live outlet. Test with a different device or cable.
Drawers do not slide smoothly or fall out.	Debris in tracks, misaligned drawers, or magnetic locks not engaging.	Clear any debris from the drawer tracks. Re-align drawers. Check if magnetic locks are properly installed and engaging.
Missing parts upon delivery.	Shipping error or package contents incomplete.	Contact Aitjunz customer support immediately with your purchase details and a list of missing parts.
