

HIXX HICIRCLE-DB

HIXX Smart Bird Feeder with Camera (Model HICIRCLE-DB) Instruction Manual

INTRODUCTION

Welcome to the HIXX Smart Bird Feeder with Camera instruction manual. This guide provides essential information for setting up, operating, maintaining, and troubleshooting your Model HICIRCLE-DB smart bird feeder. Please read this manual thoroughly before use to ensure optimal performance and longevity of your device.

KEY FEATURES

- **2K HD Live Video Streaming:** View real-time, high-definition video of birds directly on your smartphone.
- **AI Bird Recognition:** Identify over 10,000 bird species using advanced artificial intelligence technology.
- **Interactive CoolFly App:** Connect with a birdwatching community, share discoveries, and learn through engaging content.
- **Solar-Powered:** Equipped with a 5200mAh battery and a solar panel for sustainable, continuous operation.
- **Weather-Resistant Design:** IP65 rated, ensuring durability against water, snow, and heat.
- **Two-Way Audio:** Communicate through the feeder to deter unwanted visitors like squirrels.
- **Easy Top-Fill Mechanism:** Conveniently refill bird seed without disassembling the unit.
- **Color Night Vision:** Capture clear, colorful footage of birds even in low-light conditions.
- **150° Wide Angle Lens:** Provides a broad view of your bird visitors.

PACKAGE CONTENTS

Verify that all items are present in your package:

- HIXX Smart Bird Feeder with Camera
- Perch

- Fruit Holders
- Jelly Feeder
- Mounting Brackets
- Mounting Screws and Anchors
- Straps for Pole/Tree Mounting
- Solar Panel
- USB Charging Cable
- Cleaning Brush
- Instruction Manual

SETUP GUIDE

1. **Choose a Location:** Select an outdoor area with a strong 2.4GHz Wi-Fi signal for optimal app connectivity. Ensure the location receives ample direct sunlight for the solar panel to charge effectively.
2. **Assemble Feeder:** Attach the perch, fruit holders, and jelly feeder to the main body of the bird feeder.
3. **Mount the Feeder:** Use the provided straps for secure mounting on a pole or tree. Alternatively, use the screws and anchors for wall mounting.
4. **Connect Solar Panel:** Position the solar panel to maximize sunlight exposure and connect its cable to the charging port on the feeder. This ensures continuous power.
5. **Fill with Food:** Open the roof of the feeder or use the designated trays to fill with your preferred bird seed, fruit, or jelly.
6. **App Connection:** Download the "CoolFly" app from your smartphone's app store. Open the app and follow the on-screen instructions to add and connect your HIXX Smart Bird Feeder.

OPERATING INSTRUCTIONS

CoolFly App Features:

- **Live Bird Watching:** Access the camera's 2K HD live feed at any time to observe birds.
- **AI Bird Recognition:** Upload captured videos or images to the CoolFly app for automatic identification of bird species.
- **Real-time Alerts:** Receive instant notifications on your phone when the feeder detects bird activity.
- **Interactive Community:** Share your bird sightings, engage with other bird enthusiasts, and participate in bird-related games and quizzes.
- **Two-Way Audio:** Use the app's two-way audio function to speak through the feeder, which can help deter squirrels or other pests.
- **Color Night Vision:** The camera provides clear, full-color video even in low-light conditions, allowing for 24/7 bird observation.

MAINTENANCE

Refilling the Feeder:

The HIXX Smart Bird Feeder features a wide-mouth top opening for convenient refilling. Simply pull back the top cover and pour in your desired bird seed, fruit, or jelly. There is no need to disassemble the entire feeder for this process.

NEW

Bird Highlight Log

Open the app and unlock your daily birdwatching highlights. We don't just record —we make sharing effortless: Generate your 'Bird Log' with one tap

TROUBLESHOOTING

- No Wi-Fi Connection:**
Ensure your feeder is placed within range of a strong 2.4GHz Wi-Fi signal. Check your router and app settings to confirm proper connection.
- Battery Not Charging:**
Verify that the solar panel is positioned in direct sunlight and is clean and free of obstructions. If using the USB cable, ensure it is properly connected to both the feeder and a functional power source.
- Moldy Seed:**
Mold can develop if the feeder is exposed to excessive moisture or if food is left for extended periods. Always ensure

the feeder cover is tightly closed. Regularly clean the feeder and consider relocating it to an area with better protection from heavy rain or high humidity.

- **Camera Malfunction:**
If the camera stops working or fails to charge, first attempt a full recharge of the battery. If the issue persists, refer to the warranty and support section for assistance.
- **Squirrels or Pests:**
Utilize the two-way audio feature in the CoolFly app to issue voice warnings or play alert sounds to deter squirrels and other unwanted visitors. Ensure the cover is tightly closed to prevent easy access.

SPECIFICATIONS

Brand	HIXX
