tanyaxue Portable Air Conditioner Fan User Manual

Model: B0DSG4TYM7

Introduction

The tanyaxue Portable Air Conditioner Fan is a versatile 4-in-1 personal cooling device designed for individual use. It functions as a cooling fan, air conditioner, humidifier, and features a 7-color LED atmosphere light. This compact and portable unit offers adjustable wind speeds and a timer function, making it suitable for various personal spaces such as bedrooms, offices, or cars. Please read this manual thoroughly before use to ensure proper operation and maintenance.

What's in the Box

- 1 x Portable Air Conditioner Fan
- 1 x Adapter
- 1 x Type-C Data Cable
- 2 x Cotton Swabs (located inside the water tank)
- 1 x User Manual

Setup

1. **Unpacking:** Carefully remove all components from the packaging. The adapter, Type-C data cable, and cotton swabs are located inside the water tank.
2. **Accessing the Water Tank:** To access the water tank, press the lever on the right side of the unit's base. This will allow the top portion to pivot open. Do not attempt to fully separate the top and bottom sections as they are connected by a hinge.
3. **Filling the Water Tank:** Fill the 1200 ml water tank with clean tap water. For enhanced cooling, add ice cubes to the water tank. Ensure the water level does not exceed the 'Max' fill line visible through the front window.
4. **Closing the Unit:** Gently rock the top portion back into place until you hear it snap securely.
5. **Power Connection:** Connect the provided Type-C data cable to the port at the rear top of the unit. Connect the other end to the adapter, and then plug the adapter into a power outlet. The unit requires a 5V 2A power supply. This unit is not rechargeable and must remain connected to a power source during operation.

Operating Instructions

The control panel is located on the top of the unit and features touch-sensitive buttons.

1. **Power On/Off & Fan Speed:** Press the power button ( ) to turn the unit on. Each subsequent press cycles through low, medium, and high fan speeds. Press and hold to turn off.
2. **Timer Function:** Press the timer button (◷) to set an automatic shut-off time. Options include 2 hours and 4 hours.
3. **Cooling/Humidifier Mode:** Press the snowflake button (❄) to activate the cooling and humidifying function. This mode utilizes the water in the tank to provide a cool mist.
4. **LED Light Control:** Press the light bulb button ( ) to turn on the 7-color LED atmosphere light. Press again to cycle through colors or turn off.
5. **Adjustable Wind Direction:** Use the small knob on the side of the unit to manually adjust the direction of the airflow (up/down).

Video: Demonstrates the various functions of the portable air conditioner, including fan speeds, timer, and cooling modes.

Features

- **4-in-1 Functionality:** Combines cooling fan, air conditioner, humidifier, and 7-color LED atmosphere light.
- **Dual Atomization Modes:** Features two atomization holes for continuous cold mist, keeping the air cool and preventing dryness.
- **Adjustable Fan Speeds:** Three fan speeds (natural, normal, strong) to suit different preferences and environments.
- **Long-lasting Cooling:** 1200 ml water tank provides 6-8 hours of continuous cooling.
- **Quiet Operation:** Designed with a unique airduct and advanced fluid mechanics for low noise levels (40dB, max 55dB).
- **Portable Design:** Compact (11.5 x 6.5 x 5.2 inches) and lightweight (2.2 pounds) with a handle for easy transport.
- **7-Color LED Light:** Built-in LED mood light can be used as a night light or turned off.

Maintenance

1. **Cleaning:** Before cleaning, always power off and unplug the appliance. Wipe the exterior with a soft, damp cloth.

2. **Water Tank Cleaning:** Regularly clean the water tank to prevent mold or mildew buildup.
3. **Cotton Swab Replacement:** The hydrophilic cotton swab should be replaced regularly, approximately every 2-3 months, to maintain optimal humidification and cooling performance. To replace:
    - Turn the unit counter-clockwise to detach the top section.
    - Carefully remove the invalid cotton swab, ensuring not to lose the spring.
    - Insert a new cotton swab, placing the spring first.
    - Rotate the top section clockwise to reattach.

Image: A step-by-step visual guide on how to replace the cotton swabs within the unit, including detaching and reattaching the top section.

TROUBLESHOOTING

- **No Cooling Effect:** Ensure the water tank is filled and, for best results, add ice cubes. The unit is designed for personal use and will not cool an entire room. Position it close to you for optimal effect.

- **Spray Mode Not Working:** Check the spring of the absorbent cotton stick and ensure the cotton stick is properly installed.
- **Unit Not Powering On:** Verify that the unit is connected to a 5V 2A power adapter and the cable is securely plugged in.
- **Water Leakage:** The unit features an upgraded leak-proof design. Ensure the unit is placed on a stable, flat surface and not tilted during operation.

Specifications

Feature	Detail
Brand	tanyaxue
Model	B0DSG4TYM7
Product Dimensions	5.3"D x 6.6"W x 11.6"H
Item Weight	2.31 pounds
Color	Black
Material	Acrylonitrile Butadiene Styrene (ABS), Plastic
Mounting Type	Tabletop Mount
Special Features	Adjustable Speed, Portable, Quiet, Silent Operation, Timer
Air Flow Capacity	500 Cubic Feet Per Minute
Controls Type	Buttons, Knobs
Reservoir Capacity	1200 Milliliters
Noise Level	40 Decibels (55dB max)
Number of Speeds	3
Voltage	5 Volts (DC)
Power Source	Corded Electric
Certification	Energy Star

Important Notes & Warnings

- This personal air conditioner fan is designed to reduce the surface temperature of the human body by 4-6°C and is suitable for personal use. It is not comparable to a large air conditioner and will not cool an entire room.
- Do not touch the power supply or power cord with wet hands.
- Always ensure the unit is unplugged before cleaning or performing maintenance.
- Use only tap water; purified water is not recommended for the humidifying function.

Warranty and Support

This product comes with a Limited Warranty. For any questions or support, please contact customer service. We provide

24-hour customer service to ensure your satisfaction.
