Xiaomi M2425W1

Xiaomi Watch S4 Smartwatch User Manual

Model: M2425W1

INTRODUCTION

The Xiaomi Watch S4 is a sophisticated smartwatch designed to enhance your daily life with advanced features and a sleek design. It boasts a vibrant 1.43-inch AMOLED display, offering exceptional clarity and smooth visuals with an astounding HBM brightness of up to 1500 nits. Experience seamless interaction with the upgraded rotating crown, providing quick access to widgets and message previews.

This smartwatch is equipped with over 150 professional sports modes, comprehensive health monitoring, and convenient connectivity features like Bluetooth calls and message alerts. Its long-lasting battery ensures extended usage, making it an ideal companion for both active lifestyles and everyday convenience.

WHAT'S IN THE BOX

Upon opening your Xiaomi Watch S4 package, you will find the following items:

- Main unit (Xiaomi Watch S4 Smartwatch)
- Charging wire (magnetic charger)
- Instruction manual (English language not guaranteed, but this document serves as a comprehensive guide)

1. Initial Charging

Before first use, it is recommended to fully charge your Xiaomi Watch S4. Connect the magnetic charging wire to the charging contacts on the back of the watch. Connect the USB end of the charging wire to a compatible USB power adapter (not included) or a computer USB port. A 5-minute fast charge can provide up to 2 days of usage, and a full charge typically lasts up to 15 days depending on usage.

2. Pairing with Your Smartphone

1. Download the official Xiaomi Wear app (or Mi Fitness app) from your smartphone's app store (Google Play Store for Android, Apple App Store for iOS).
2. Open the app and follow the on-screen instructions to create or log in to your Xiaomi account.
3. Turn on your Xiaomi Watch S4 by pressing and holding the side button.
4. In the app, select "Add device" or "Pair new device" and choose Xiaomi Watch S4 from the list of available devices.
5. Confirm the pairing request on both your watch and smartphone.
6. Once paired, follow the app's instructions to complete initial setup, including personal information and notification

preferences.

OPERATING YOUR SMARTWATCH

Display Navigation

The Xiaomi Watch S4 features a responsive touchscreen and an upgraded rotating crown for intuitive navigation:

- **Swipe:** Swipe left/right to access widgets, and up/down to view notifications or quick settings.
- **Tap:** Tap on icons or options to select them.
- **Rotating Crown:** Rotate the crown for quick scrolling through lists, adjusting volume, or zooming. Press the crown to return to the watch face or access the app list.

Sports Modes and Activity Tracking

With over 150 professional sports modes, the Watch S4 accurately tracks a wide range of activities. Select your desired sport from the workout menu to begin tracking. Advanced dual sensors enhance motion detection for more accurate data.

Health Monitoring

The smartwatch continuously monitors your health metrics:

- **Heart Rate & Blood Oxygen:** Real-time monitoring through the integrated sensor.
- **Sleep Analysis:** Provides detailed breakdown of light, deep, and REM sleep stages for a clear sleep score.
- **Other Sensors:** Accelerometer, Gyroscope, Ambient light sensor, Electronic compass, Barometer sensor, and Hall sensor contribute to comprehensive tracking.

Connectivity and Smart Features

- **Bluetooth Calls & Message Alerts:** Stay connected by receiving calls and messages directly on your wrist.
- **On-wrist Music Controls:** Manage your music playback without reaching for your phone.
- **Weather Updates:** Get real-time weather information.
- **Gesture Control:** Utilize quick wrist movements (twist or flick) to operate customized functions like rejecting calls, activating Alexa, or taking photos.
- **Watch Faces:** Personalize your watch with hundreds of available watch face designs, from elegant to dynamic.
- **Interchangeable Bezel:** The Xiaomi Watch S4 features a textured bezel that can be interchanged. Installing a dress-up bezel automatically switches to a dedicated watch face with sound, offering a unique interactive experience.

MAINTENANCE

Cleaning Your Smartwatch

To maintain the appearance and functionality of your Xiaomi Watch S4, regularly clean the watch body and strap. Use a soft, lint-free cloth. For stubborn dirt, slightly dampen the cloth with water. Avoid using harsh chemicals or abrasive materials.

Charging Best Practices

- Always use the provided magnetic charging cable.
- Ensure the charging contacts on the watch and cable are clean and dry before charging.
- Avoid exposing the watch to extreme temperatures during charging.

TROUBLESHOOTING

Common Issues and Solutions

Issue	Possible Cause	Solution
Watch not turning on	Low battery	Charge the watch for at least 30 minutes.
Unable to pair with phone	Bluetooth off, app issue, or watch not in pairing mode	Ensure Bluetooth is on, restart both devices, and try pairing again through the app.
Inaccurate health data	Loose fit, dirty sensors	Ensure the watch is snug on your wrist and clean the sensors on the back.
Short battery life	Frequent GPS use, high brightness, always-on display	Adjust settings (brightness, always-on display), limit GPS usage, and ensure full charge cycles.

If you encounter issues not listed here, please refer to the official Xiaomi support website or contact customer service.
