## Dripex Desk1

# Dripex Makeup Vanity Desk with LED Mirror (Model: Desk1) User Manual

Model: Desk1

## 1. INTRODUCTION

This manual provides detailed instructions for the assembly, operation, and maintenance of your new Dripex Makeup Vanity Desk with LED Mirror. Please read this manual thoroughly before assembly and use to ensure proper function and safety.

### Important Safety Information

- Always unplug the vanity when not in use.
- Exercise caution with sharp edges and potential pinch points during assembly and daily use.
- Keep the vanity away from water sources to prevent electrical hazards.
- Ensure all connections are secure before operating the LED lights or charging station.

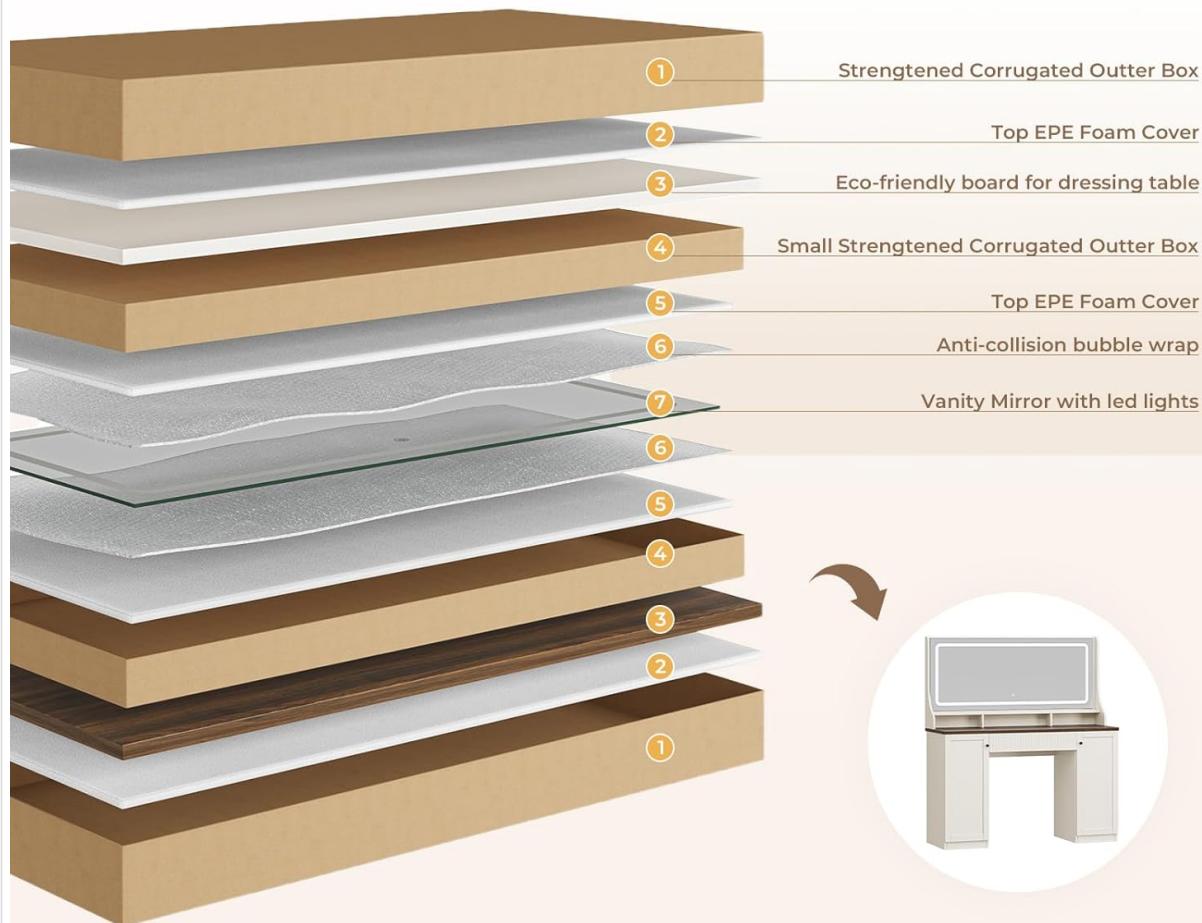

## 2. PACKAGE CONTENTS AND ASSEMBLY

Your Dripex Makeup Vanity Desk is designed for straightforward assembly. All components are clearly marked, and detailed instructions are included in the package to guide you through the process. It is recommended to assemble the unit with assistance for certain steps, particularly when attaching the mirror.

### Package Contents

Verify that all parts listed in the assembly guide are present before beginning. The vanity desk and mirror are typically shipped in one package, with upgraded packaging for mirror protection.

The vanity desk and mirror will be shipped in **1** package

Upgraded packaging, Multiple protection for mirrors

## Assembly Steps

1. Unpack all components and lay them out on a clean, soft surface to prevent scratches.
2. Follow the step-by-step instructions provided in the included assembly manual. Each part is labeled for easy identification.
3. Assemble the main desk frame, ensuring all screws and fasteners are tightened securely.
4. Install the drawers and cabinets. The drawers feature silent slide rails for smooth operation.
5. Carefully attach the LED mirror to the desk. This step is easier with two people due to the mirror's weight and size.
6. Connect the power cord for the LED lights and charging station to a suitable wall outlet.

### 3. OPERATING INSTRUCTIONS

---

#### LED Mirror Operation

The integrated LED mirror offers adjustable brightness and three color lighting modes for optimal illumination.

- **Power On/Off:** Lightly touch the power button icon on the mirror surface to turn the lights on or off.
- **Adjust Brightness:** Long-press the power button icon to adjust the brightness from 10% to 100%. Release when the desired brightness is reached.
- **Change Color Mode:** Short-press the power button icon to cycle through the three color modes: 6000K Cold Light, 4000K Natural Light, and 3000K Warm Light.

### BRIGHTNESS MODES

### 3 COLOR LIGHTING MODES

## Charging Station Usage

The vanity desk is equipped with a convenient charging station to power your electronic devices.

- **AC Outlets:** Two standard 125V/12A AC outlets are provided for devices such as hair dryers, curling irons, or other beauty equipment.
- **USB Ports:** Two 5V/2A USB ports are available for charging mobile phones, tablets, or other USB-powered devices.
- Ensure the vanity desk is plugged into a functional wall outlet for the charging station to operate.

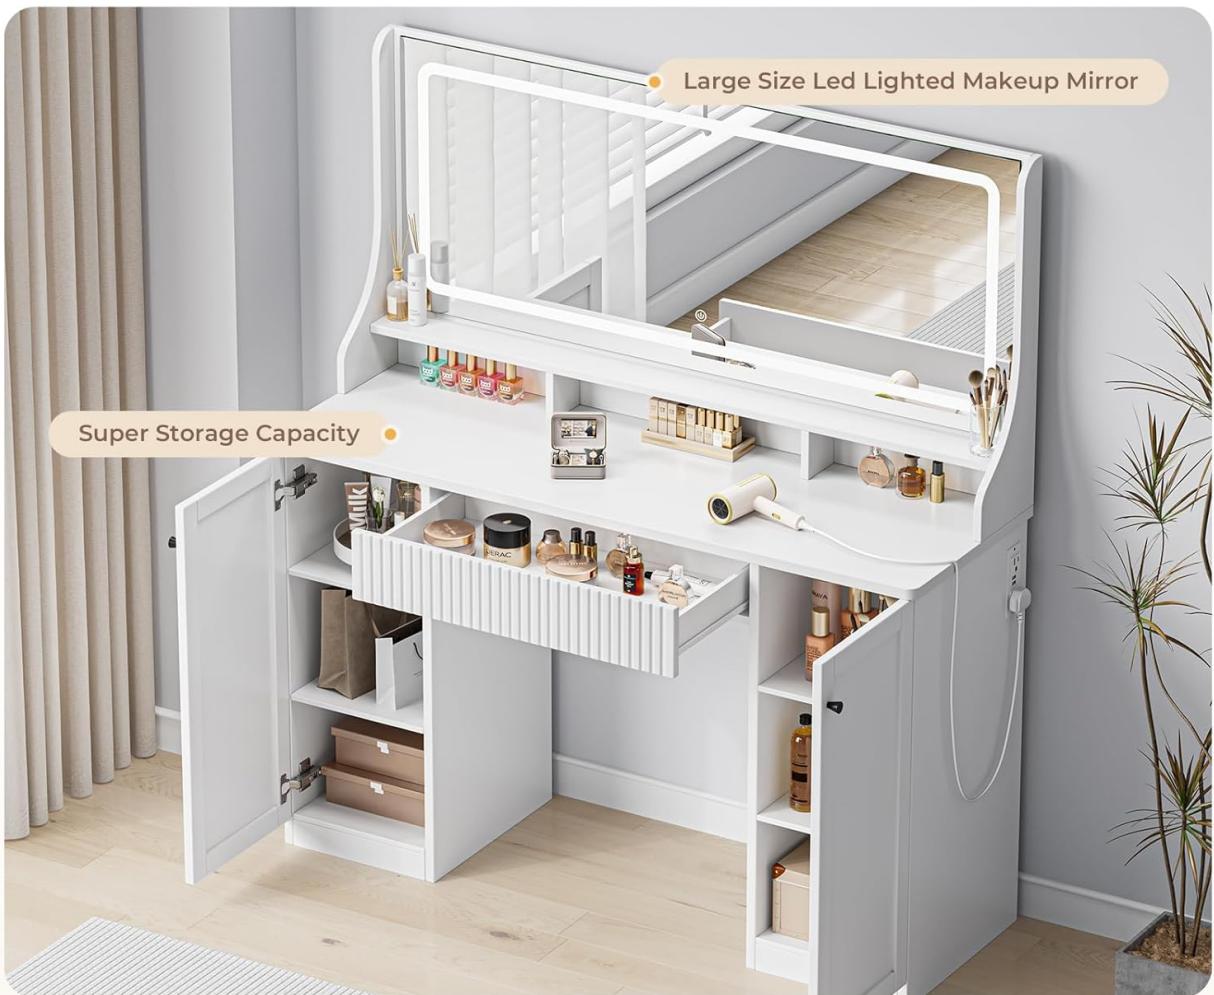

Figure 3.2: Details of the charging station and design features.

## Storage Features

The vanity desk offers ample storage to keep your items organized.

- **Desktop Open Shelves:** Utilize the open shelves on the desktop for frequently used items like perfumes, nail polish, or small decorative pieces.
- **Spacious Drawer:** A large central drawer provides concealed storage for makeup, jewelry, or other personal items.
- **Three-Tier Storage Cabinets:** Two side cabinets with multiple tiers offer extensive storage for larger items, skincare products, or accessories.

## 4. MAINTENANCE

Regular maintenance will help preserve the appearance and functionality of your vanity desk.

- **Cleaning the Surface:** Wipe the wooden surfaces with a soft, damp cloth. Avoid abrasive cleaners or harsh chemicals that could damage the finish.
- **Mirror Care:** Clean the mirror surface with a glass cleaner and a lint-free cloth. Do not spray cleaner directly onto the mirror; apply it to the cloth first.
- **Dusting:** Regularly dust all surfaces, including inside drawers and cabinets, to prevent buildup.
- **Electrical Components:** Ensure the power cord and charging station ports are free from dust and debris. Do not attempt to clean electrical components with liquids.

## 5. TROUBLESHOOTING

If you encounter issues with your vanity desk, refer to the following common problems and solutions:

Problem	Possible Cause	Solution
LED lights do not turn on.	Power cord not plugged in; loose connection; power outage.	Ensure the power cord is securely plugged into a working outlet. Check the connection between the mirror and the desk. Verify power to the outlet.
Charging station (AC outlets/USB ports) not working.	Vanity not powered; device not properly connected.	Confirm the vanity is plugged in and receiving power. Ensure devices are correctly inserted into the ports. Test with a different device.
Drawer is stiff or not sliding smoothly.	Obstruction in the slide rail; misaligned rail.	Check for any objects blocking the drawer slides. Ensure the drawer is properly seated on its rails. Refer to assembly instructions for rail alignment.
Mirror brightness or color mode not changing.	Incorrect touch gesture; temporary sensor issue.	Ensure you are using the correct touch gesture (long-press for brightness, short-press for color). Try unplugging and re-plugging the vanity to reset the sensor.

## 6. SPECIFICATIONS
