## 2. SAFETY INFORMATION

- **Small Parts Warning:** This set contains small parts and is not suitable for children under 3 years old due to choking hazards.
- **Age Recommendation:** Recommended for ages 14 and up.
- **Adult Supervision:** Adult supervision is recommended during assembly, especially for younger builders.
- **Handling:** Handle components with care to avoid breakage.
- **Disposal:** Dispose of packaging materials responsibly.

## 3. PACKAGE CONTENTS

The Reobrix Viking Ship Model Building Set 66101 includes:

- 2547 building block pieces
- Flock sails with detailed design
- Viking shields and oars
- Detailed paper assembly instructions

- Display stand components

Please verify all components are present before beginning assembly. If any parts are missing, refer to the 'Troubleshooting' section for assistance.

## 4. ASSEMBLY INSTRUCTIONS (SETUP)

---

Follow the included paper assembly instructions carefully. The manual provides step-by-step diagrams to guide you through the construction process. Organize your pieces by color and shape to facilitate assembly.

1. **Unpack and Sort:** Open all bags and sort the building blocks. It is recommended to use trays or containers to keep similar pieces together.
2. **Follow Manual:** Refer to the numbered steps in the paper instruction manual. Each step illustrates the pieces required and their placement.
3. **Hull Construction:** Begin with the hull sections, ensuring each piece is firmly connected. The modular design allows for precise construction.
4. **Detailing:** Attach the bow and stern structures, oars, and shields as indicated in the instructions. Pay attention to the orientation of decorative elements.
5. **Sail Assembly:** Carefully attach the flock sails to the mast and rigging. Ensure the rigging is taut but not overly stressed.
6. **Display Stand:** Assemble the interlocking display base and securely place the finished ship onto it.

## 6. MAINTENANCE

- **Cleaning:** Dust the model regularly with a soft, dry cloth or a soft brush. Avoid using harsh chemicals or abrasive materials.
- **Storage:** Store the model in a cool, dry place away from direct sunlight to prevent discoloration or material degradation.
- **Handling:** When moving the model, support it from the base to prevent stress on individual components.
- **Part Replacement:** If a piece is lost or damaged, contact Reobrix customer support for potential replacement options.

## 7. TROUBLESHOOTING

- **Missing Pieces:** If you discover missing pieces, carefully re-check the packaging and all sorted piles. If still missing, contact Reobrix customer support with the specific part number (if available in the manual) and the set model number (66101).
- **Loose Connections:** Ensure all building blocks are pressed firmly together. Some connections may require more pressure to secure properly.
- **Instructions Unclear:** Review the diagrams carefully. If a step remains unclear, try looking at subsequent steps to understand the overall structure. Online resources or community forums might also offer visual guides.
- **Model Instability:** Ensure the display stand is correctly assembled and the ship is seated properly on it. Check for any loose connections in the hull structure.
