## SETUP AND INSTALLATION

Follow these steps for proper installation of your outdoor gazebo fan.

1. **Choose Location:** Select a suitable outdoor location such as a gazebo, patio, or pergola. Ensure the mounting

surface is sturdy and can safely support the fan's weight.

2. **Mounting:** Use the provided Easy Hanger Hook for mobile or fixed installation. Secure the hook to the chosen overhead structure.
3. **Attach Downrod:** Select the appropriate downrod (9.8 inches or 5.9 inches) based on your desired hanging height and attach it to the fan unit and the hanger hook.
4. **Power Connection:** The fan features a plug-in design for convenience. Route the 16-foot power cord to a suitable outdoor power outlet. Ensure the waterproof connector is securely fastened if applicable.
5. **Final Checks:** Before plugging in, ensure all connections are secure and the fan blades are free to rotate without obstruction.
