Reobrix V200

Reobrix V200 Motorcycle Building Toy Instruction Manual

Model: 11037

1. INTRODUCTION

This manual provides detailed instructions for assembling and maintaining your Reobrix V200 Motorcycle Building Toy. Please read all instructions carefully before beginning assembly to ensure a smooth and enjoyable building experience. This model kit contains 1,169 pieces and is designed for individuals aged 14 years and up.

2. SAFETY INFORMATION

- **Small Parts Warning:** This product contains small parts and is not suitable for children under 3 years of age due to choking hazards.
- **Adult Supervision:** Adult supervision is recommended during assembly, especially for younger builders.
- **Handle with Care:** Exercise care when handling individual pieces to prevent damage or loss.
- **Storage:** Store unassembled and assembled parts in a safe place away from pets and young children.

3. PACKAGE CONTENTS

Your Reobrix V200 Motorcycle Building Toy package should contain the following:

- 1,169 Building Pieces (sorted into numbered bags)
- 1 Instruction Manual
- 1 Sheet of Decorative Stickers

Please verify all contents upon opening the package. If any pieces are missing or damaged, refer to the 'Troubleshooting' section for assistance.

4. ASSEMBLY INSTRUCTIONS

Follow the step-by-step visual guide provided in the included instruction booklet. The building pieces are organized into numbered bags corresponding to the assembly stages. It is recommended to open bags sequentially as instructed to avoid mixing pieces.

4.1 General Assembly Tips

- **Organize:** Lay out pieces for each step on a clean, flat surface.
- **Connect Firmly:** Ensure all bricks are pressed firmly together for a stable structure.
- **Refer to Images:** Pay close attention to the images in the instruction booklet for correct piece placement and orientation.

4.2 Key Assembly Stages

The assembly process is divided into several stages, typically starting with the base and progressing to the detailed components.

5. OPERATING FEATURES

Once assembled, your Reobrix V200 model offers several interactive features:

- **Steering:** The front handlebars can be turned left and right, allowing for dynamic posing.
- **Support Stand:** The model includes a foldable support stand to keep it upright for display.
- **Decorative Basket:** A small basket with a bouquet of flowers is included for the rear, adding to the aesthetic.

6. MAINTENANCE

Proper care will ensure the longevity and appearance of your Reobrix V200 model:

- **Cleaning:** Use a soft, dry cloth or a small brush to gently remove dust. Avoid abrasive cleaners or harsh chemicals.
- **Storage:** Store the assembled model in a cool, dry place away from direct sunlight to prevent discoloration or material degradation.
- **Handling:** When moving the model, support it from the base to prevent stress on individual components.

7. TROUBLESHOOTING

Here are solutions to common issues you might encounter:

- **Missing Pieces:** If you find any missing pieces, carefully review the parts list in the instruction manual. Contact Reobrix customer support with the specific part number and quantity needed.
- **Difficulty Connecting Pieces:** Ensure pieces are correctly aligned. Apply firm, even pressure. If a piece is consistently difficult, check for any molding imperfections.
- **Model Instability:** Re-examine the connections in the affected area. Loose connections can lead to instability. Ensure all pieces are fully seated.
