Color	Pink
Material	Wood, Metal, Velvet
Headboard Material	Velvet

Storage Options	Storage Stools
Special Feature	Easy to Assemble
Assembly Required	Yes
Item Weight	105 pounds

Setup and Assembly

Assembly of this bed frame is designed to be straightforward. All necessary parts and a step-by-step installation manual are included. Follow the instructions carefully to ensure proper construction.

Assembly Steps Overview:

1. Unpack all components and verify against the package contents list.
2. Assemble the headboard, ensuring the cartoon ears and LED light components are correctly positioned.
3. Attach the side rails to the headboard and footboard.
4. Install the solid wood slats across the bed frame for mattress support.
5. Position the two storage stools at the end of the bed.

Operating Instructions

LED Light Operation:

The bed frame features a built-in LED light in one of the cartoon ears, ideal for reading or as a night light. The yellow light provides a warm ambiance. Use the integrated on/off switch to control the light intensity.

Storage Stools Usage:

Two cute small storage stools are located at the foot of the bed. These stools can be used for seating or to store toys, bedding, or other items. The lid helps protect contents from dust.

Image: A close-up view of one of the storage stools, with its lid removed, showing small items neatly stored inside.

Adjustable Headboard:

The height of the bed head can be adjusted by 5cm to suit your preference and comfort. Ensure the headboard is securely fastened after adjustment.

Maintenance

- **Cleaning Upholstery:** For general cleaning, gently vacuum the velvet upholstery using a soft brush attachment. For spills, blot immediately with a clean, dry cloth. Do not rub. For stubborn stains, consult a professional upholstery cleaner.
- **Frame Care:** Periodically check all bolts and screws to ensure they are tight. Re-tighten if necessary to maintain stability.
- **LED Light:** The LED light is designed for long-term use. If it malfunctions, contact customer support for assistance. Do not attempt to replace the LED components yourself.

Troubleshooting

Common Issues and Solutions:

- **Bed Frame Squeaks:** Check all assembly bolts and screws. Tighten any loose connections. Ensure the slats are properly seated and not rubbing against the frame.
- **LED Light Not Working:** Verify that the power cable is securely plugged into an outlet and the bed. Check the on/off switch for proper engagement. If the issue persists, contact customer support.
- **Headboard Feels Loose:** Ensure the headboard attachment bolts are fully tightened. If the adjustable mechanism feels unstable, re-secure it according to the assembly instructions.

Warranty and Support

For any problems, missing parts, or warranty inquiries, please feel free to contact Bellemave customer support. Refer to your purchase documentation for specific warranty terms and contact information.

Ask a question about this manual

Ask about setup, troubleshooting, compatibility, parts, safety, or missing instructions. Manuals+ will review the question and use this page's manual context to help answer it.
