COMHOMA B200

COMHOMA Makeup Vanity Desk with Mirror and Lights (Model B200) Instruction Manual

Your guide to assembly, operation, and maintenance.

1. INTRODUCTION

Thank you for choosing the COMHOMA Makeup Vanity Desk with Mirror and Lights. This manual provides detailed instructions for the safe assembly, proper operation, and effective maintenance of your new vanity desk. Please read this manual thoroughly before beginning assembly or use, and retain it for future reference.

2. SAFETY INFORMATION

Please observe the following safety precautions to prevent injury or damage to the product:

- Assembly may require safety precautions. Always use appropriate tools and follow instructions carefully.
- Use electrical components (LED mirror, charging station) with caution. Ensure proper voltage and avoid overloading outlets.
- Keep all electrical cords away from water and heat sources.
- Do not allow children to climb on or play with the vanity desk.
- Regularly check all fasteners to ensure they remain tight.
- Place the vanity desk on a stable, level surface to prevent tipping.

3. PACKAGE CONTENTS

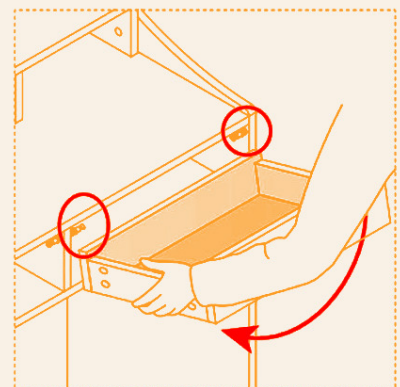

Before assembly, verify that all components are present and undamaged. If any parts are missing or damaged, please contact customer support.

- Vanity Desk Panels (Top, Side, Back, Drawer components)
- LED Mirror Assembly
- Stool (if included in your model)
- Hardware Pack (screws, dowels, cam locks, drawer slides, handles)
- Charging Station Unit (pre-installed or separate)
- Instruction Manual

4. ASSEMBLY INSTRUCTIONS

Assembly is required for this vanity desk. All parts and accessories are labeled for easy identification. Follow the clear instructions provided in the included assembly guide. It is recommended to assemble the unit with two people.

1. **Unpack and Identify Parts:** Carefully remove all components from the packaging. Lay them out on a clean, soft surface to prevent scratches. Identify each part using the provided labels and the parts list in your separate assembly guide.
2. **Assemble the Main Desk Frame:** Attach the side panels to the main desk top and bottom supports using the specified hardware (e.g., cam locks, screws). Ensure all connections are secure.
3. **Install Drawers:** Assemble the drawer boxes according to the instructions. Install drawer slides onto the desk frame and the drawer boxes. Insert the assembled drawers into their respective slots.
4. **Attach the Mirror Unit:** Carefully position the LED mirror unit onto the designated area of the desk. Secure it using the provided fasteners. Ensure the electrical connection for the mirror is accessible.
5. **Connect Charging Station:** If the charging station is not pre-installed, follow the instructions to secure it to the desk and connect its power cable.
6. **Final Checks:** Once assembled, gently move the desk to its desired location. Ensure all connections are tight and the desk is stable.

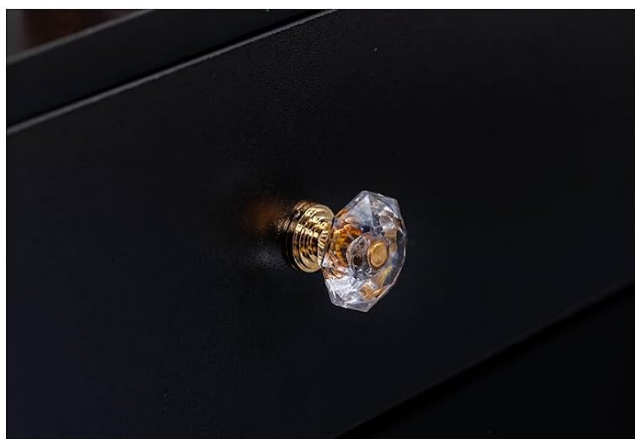

Convenient To Assemble

Easy take & disassemble, boost use, convenience life.

Image 4.1: Illustration of drawer assembly for convenient installation.

REMOVABLE DRAWER

Easy to install and store

DIAMOND HANDLE

Beautiful and stylish and easy to use

5. OPERATING INSTRUCTIONS

5.1. LED Mirror Operation

The integrated LED mirror features adjustable lighting to suit various needs and preferences.

- **Power On/Off:** Locate the touch sensor on the mirror surface. Tap once to turn the lights on or off.
- **Change Color Mode:** With the lights on, tap the touch sensor repeatedly to cycle through the three available color modes: Cold White, Warm White, and Warm Yellow.
- **Adjust Brightness (Stepless Dimmable):** With the lights on, press and hold the touch sensor. The brightness will gradually increase or decrease. Release the sensor when the desired brightness level is reached.

LARGE STORAGE CAPACITY

Drawers and an open shelf for easy storage of cosmetics

Image 5.1: The LED mirror offers three distinct color lighting modes.

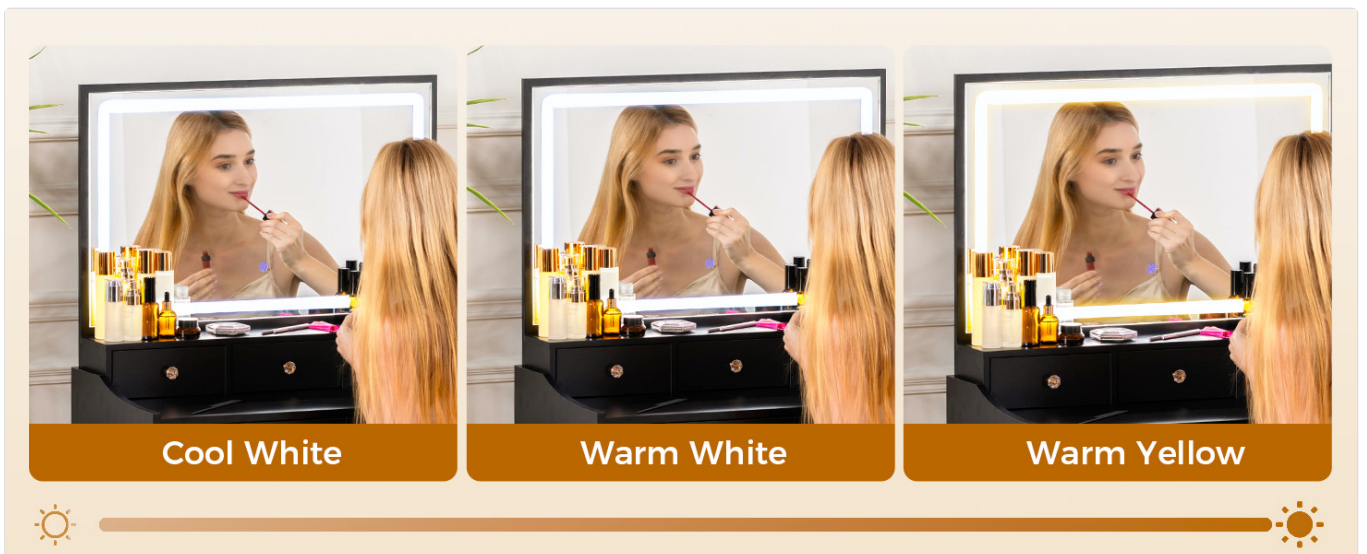

Image 5.2: Smooth simulation of 2700K tungsten light mixed with 6500K daylight for optimal lighting.

5.2. Charging Station Usage

The built-in power strip provides convenient access to power for your electronic devices.

- The charging station includes 2 standard 125V/12A AC outlets and 2 USB ports (5V/2A).
- Plug in your hair dryer, curling iron, phone charger, or other electronic devices directly into the available ports.
- Ensure the vanity desk is plugged into a wall outlet for the charging station to function.

BEST GIFT CHOICE

BUILT-IN CHARGING STATION

Ideal for charging mobile phones and operating hair dryers with ease

120V/ 12A
(2 AC Outlets)

5V / 2A
(2 USB Ports)

Image 5.4: Ideal for charging mobile phones and operating hair dryers with ease.

6. STORAGE FEATURES

The vanity desk is designed with ample storage to keep your cosmetics and accessories organized.

- It features 5 drawers of varying sizes, suitable for different types of items.
- The spacious desktop provides additional surface area for frequently used items or decorative ornaments.
- Drawers are equipped with crystal-inspired knobs for easy opening and closing.

BUILT-IN PROWLER STRIP

Ideal for charging mobile phones and operating hair dryers with ease

125V / 12A
(2 AC Outlets)

5V / 2A
(2 USB Ports)

Image 6.1: The vanity desk offers large storage capacity with multiple drawers.

AMPLE STORAGE DRAWERS

Provides ample storage space and privacy and safety protection to make the desktop tidy and beautiful.

Image 6.2: Ample storage drawers help maintain a tidy and beautiful desktop.

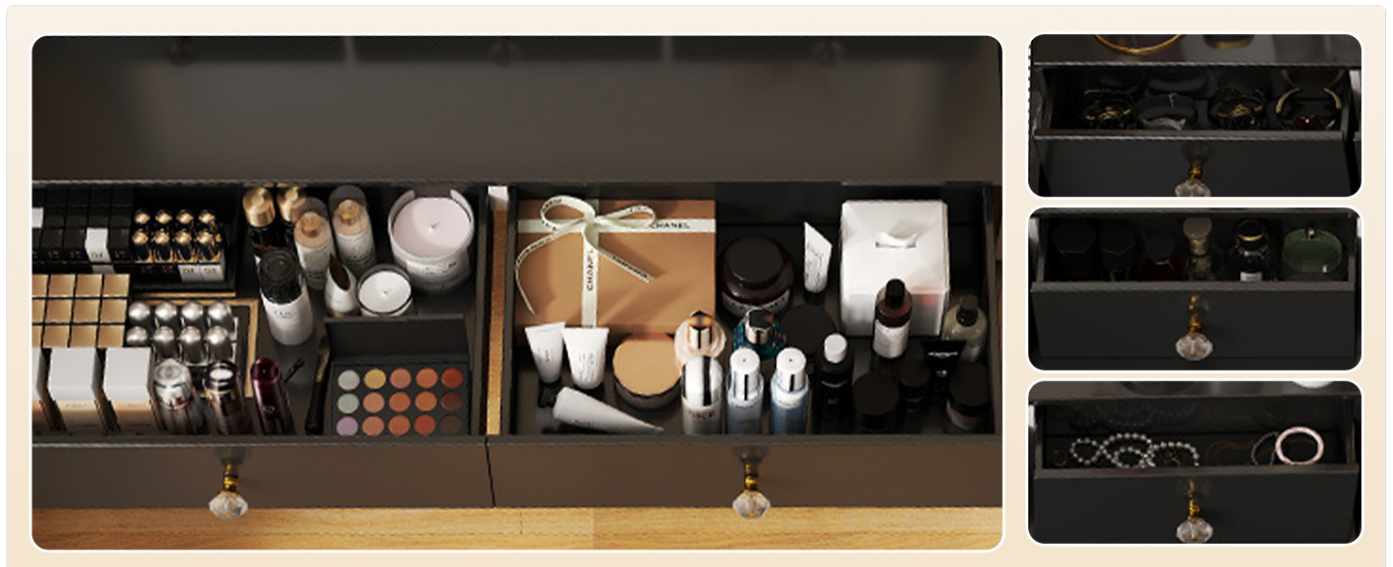

Image 6.3: Various drawer sizes accommodate different items, ensuring organized storage.

7. MAINTENANCE AND CARE

Proper care will extend the life and appearance of your vanity desk.

- **Cleaning the Surface:** Wipe the desk surfaces with a soft, damp cloth. Avoid harsh chemicals or abrasive cleaners that may damage the finish.
- **Mirror Cleaning:** Use a glass cleaner specifically designed for mirrors and a lint-free cloth. Do not spray cleaner directly onto the mirror; apply it to the cloth first.
- **Electrical Components:** Ensure the charging station and mirror lights are unplugged before cleaning. Do not immerse electrical components in water.
- **Hardware:** Periodically check and tighten all screws and fasteners to maintain stability.
- **Avoid Direct Sunlight:** Prolonged exposure to direct sunlight can cause fading or damage to the finish.

8. TROUBLESHOOTING

If you encounter issues with your vanity desk, refer to the following common problems and solutions:

- **LED Mirror Lights Not Working:**
 - Ensure the vanity desk is properly plugged into a functional wall outlet.
 - Check if the power switch for the mirror (if separate) is turned on.
 - Gently tap the touch sensor on the mirror to activate.
- **Charging Station Not Providing Power:**
 - Verify the vanity desk's main power cord is securely plugged into a live electrical outlet.
 - Test the wall outlet with another device to confirm it is working.
 - Ensure devices are correctly plugged into the AC outlets or USB ports.
- **Drawers Stick or Do Not Close Smoothly:**
 - Check for any obstructions inside the drawer or along the drawer slides.
 - Ensure the drawer slides are properly aligned and securely attached.
 - Verify that the drawer box was assembled correctly and is not warped.

- **Desk Feels Unstable:**
 - Confirm that all assembly hardware (screws, cam locks) are fully tightened.
 - Ensure the desk is placed on a flat, level surface. Adjust any leveling feet if present.

If these solutions do not resolve the issue, please contact COMHOMA customer support for further assistance.
