Symphony Silenzo 120i

Symphony Silenzo 120i Desert Cooler User Manual

Model: Silenzo 120i (ACODE494)

INTRODUCTION

Thank you for choosing the Symphony Silenzo 120i Desert Cooler. This manual provides essential information for the safe and efficient operation, maintenance, and troubleshooting of your new appliance. Please read it thoroughly before use and retain it for future reference.

SAFETY INSTRUCTIONS

- Always place the cooler on a stable, level surface to prevent tipping.
- Ensure the power supply matches the voltage specified on the product label.
- Do not operate the cooler with a damaged power cord or plug. Contact qualified service personnel for repairs.
- Keep children and pets away from the cooler during operation.
- Never insert objects into the cooler's grilles or openings.
- Unplug the cooler from the power outlet before filling water, cleaning, or performing any maintenance.
- Do not use the cooler near flammable materials or in wet environments.
- Avoid overfilling the water tank. Use the water level indicator to monitor.
- Ensure proper ventilation in the room for effective cooling.

WHAT'S IN THE BOX

Upon unpacking, please ensure all components are present and undamaged:

- 1N - Symphony Silenzo 120i Cooler Unit
- 4N - Castor Wheels
- 4N - Legs
- 1N - Remote Control
- User Manual (this document)

Symphony®

Thinking of Tomorrow

Feel the freshness with

Discover the joy of pure air with the Symphony air cooler, crafted to deliver clean, fresh air in your living space or workplace.

SETUP AND ASSEMBLY

1. **Attach Castor Wheels:** Carefully tilt the cooler and insert the four castor wheels into the designated slots at the bottom of the unit's legs. Ensure they are securely locked into place for easy mobility.
2. **Placement:** Position the cooler on a firm, level surface in a well-ventilated area. For optimal cooling, ensure there is an open window or door nearby to allow for air circulation.
3. **Initial Water Fill:** Open the Easy-Fill water inlet and pour clean water into the tank. Monitor the water level indicator to avoid overfilling.
4. **Power Connection:** Plug the power cord into a suitable electrical outlet.

Video: This video demonstrates the key features of the Symphony Silenzo 120i, including its silent operation, powerful air throw, digital touchscreen, remote control, 3-side honeycomb pads, easy-fill system, water level indicator, castor wheels, and inverter compatibility.

PRODUCT FEATURES AND OPERATION

Super Silent Operation

The Silenzo 120i is engineered for quiet performance, featuring an Owl Wing Fan and special acoustic design. It operates at a low noise level of 30 Decibels, ensuring a peaceful environment.

Image: The Symphony Silenzo 120i Desert Cooler delivering whisper-quiet cooling, ideal for maintaining a serene atmosphere.

i-Pure+ Technology

This advanced technology filters dust, allergens, and pollutants from the air, providing a healthier and cleaner environment. The multi-stage filter system ensures improved air quality.

OPERATING INSTRUCTIONS

- Power On/Off:** Press the 'Power' button on the touchscreen or remote to turn the cooler on or off.
- Adjust Fan Speed:** Use the 'Fan' button on the remote or the fan speed icon on the touchscreen to cycle through High, Medium, and Low speeds.
- Select Cooling Mode:** Press the 'Cool' button on the remote or the snowflake icon on the touchscreen to activate or deactivate the cooling function.
- Activate Swing Function:** Press the 'Swing' button on the remote or the swing icon on the touchscreen to enable or disable the automatic louver movement for wider air distribution.
- Set Timer:** Use the 'Timer' button on the remote or the clock icon on the touchscreen to set an operating timer (if available on your model).
- Water Refilling:** When the water level is low, refill the tank through the Easy-Fill inlet. Ensure the cooler is unplugged before refilling.

MAINTENANCE

Regular maintenance ensures optimal performance and longevity of your cooler.

- Cleaning Cooling Pads:** Periodically clean the honeycomb pads to prevent dust and mineral buildup. Refer to the detailed cleaning instructions in the full manual for your specific model.
- Draining Water:** Drain the water tank regularly, especially if the cooler will not be used for an extended period. This prevents stagnant water and odor.
- Exterior Cleaning:** Wipe the exterior surfaces with a soft, damp cloth. Do not use harsh chemicals or abrasive cleaners.
- Dust Filter Cleaning:** Clean the dust filter regularly to maintain air quality and airflow.

TROUBLESHOOTING

If you encounter issues, refer to the following common problems and solutions:

Problem	Possible Cause	Solution
Cooler does not turn on	No power supply, power cord loose, power button not pressed.	Check power outlet, ensure cord is securely plugged in, press power button.
No cooling effect	Water tank empty, cooling pads dry, pump malfunction, poor ventilation.	Fill water tank, check water pump operation, ensure adequate room ventilation.
Unusual noise	Obstruction in fan, loose parts, low water level.	Check for obstructions, ensure all parts are secure, refill water tank.
Water leakage	Overfilling, damaged water tank, improper drainage.	Do not overfill, check for cracks, ensure drain plug is secure.

If the problem persists after attempting these solutions, please contact Symphony customer support.

SPECIFICATIONS

Feature	Detail
Brand	Symphony
Model Name	SILENZO - 120 I
Model Number	ACODE494
Material	Plastic
Mounting Type	Freestanding
Special Feature	Adjustable Speed
Colour	light Grey
Controls Type	Remote & Touchscreen
Reservoir Capacity	112 Liters
Floor Area Coverage	34 Square Meters
Item Weight	17 Kilograms
Recommended Uses	Residential indoor cooling
Form Factor	Desert
Wattage	195 Watts
Noise Level	30 Decibels
Item Dimensions (D x W x H)	66D x 50W x 133H Centimeters

WARRANTY AND SUPPORT

The Symphony Silenzo 120i Desert Cooler comes with a **1 Year On-Site Warranty**. For any service requests, technical assistance, or warranty claims, please contact the manufacturer directly.
