› Xiaomi Turbo Charging Power Adapter 45W EU (Model BHR07SLEU) User Manual

XIAOMI BHR07SLEU

Xiaomi Turbo Charging Power Adapter 45W EU (Model BHR07SLEU) User Manual

1. INTRODUCTION

This manual provides essential information for the safe and efficient use of your Xiaomi Turbo Charging Power Adapter 45W EU (Model BHR07SLEU). Please read this manual thoroughly before using the product and retain it for future reference.

Image 1.1: Xiaomi Turbo Charging Power Adapter 45W EU. This image shows the white power adapter with two European-style prongs and "45W DESIGNED BY XIAOMI" printed on its side.

2. SAFETY INFORMATION

To prevent injury, electric shock, fire, or damage to the product, please observe the following safety precautions:

- Do not disassemble, modify, or repair the adapter yourself.
- Do not expose the adapter to water, moisture, or high humidity.
- Avoid using the adapter in extreme temperatures or direct sunlight.
- Keep the adapter away from children and pets.
- Ensure the adapter is fully inserted into the power outlet.
- Unplug the adapter during lightning storms or when unused for extended periods.
- Use only with compatible devices and cables.
- If the adapter becomes unusually hot, emits smoke, or produces strange odors, immediately unplug it from the power outlet.

3. SETUP

Follow these steps to set up your Xiaomi Turbo Charging Power Adapter:

1. **Unpack the Adapter:** Carefully remove the power adapter from its packaging.
2. **Inspect for Damage:** Before use, visually inspect the adapter for any signs of physical damage. Do not use if damaged.
3. **Connect the Cable (if applicable):** If your device requires a separate charging cable, connect the appropriate USB-A end of the cable to the output port of the power adapter.
4. **Plug into Power Outlet:** Insert the EU plug of the power adapter firmly into a standard European wall socket (AC 100-240V, 50/60Hz).

4. OPERATING INSTRUCTIONS

To charge your device using the Xiaomi Turbo Charging Power Adapter:

1. Ensure the power adapter is securely plugged into a wall outlet.
2. Connect the other end of your charging cable (e.g., USB-C, Micro-USB, Lightning) to your compatible mobile device.
3. The device should indicate that it is charging. If your device supports Xiaomi's Turbo Charging, it will display the corresponding fast charging indicator.
4. Once charging is complete, disconnect your device from the cable, and then unplug the adapter from the wall outlet.

Note: For optimal "Turbo Charging" performance, use a compatible Xiaomi device and a high-quality charging cable designed for fast charging.

5. MAINTENANCE

Proper maintenance ensures the longevity and safe operation of your power adapter:

- **Cleaning:** Disconnect the adapter from the power outlet before cleaning. Use a soft, dry cloth to wipe the surface. Do not use liquid cleaners or aerosols.

- **Storage:** Store the adapter in a cool, dry place away from direct sunlight and extreme temperatures when not in use.
- **Handling:** Avoid dropping the adapter or subjecting it to strong impacts. Do not pull the cable forcefully when disconnecting.

6. TROUBLESHOOTING

Problem	Possible Cause	Solution
Device not charging.	• Adapter not properly plugged in. • Faulty charging cable. • Incompatible device. • Power outlet issue.	• Ensure adapter is fully inserted into the wall outlet. • Try a different, known-good charging cable. • Verify device compatibility. • Test the outlet with another appliance.
Slow charging.	• Cable not supporting fast charging. • Device not supporting fast charging. • Background apps consuming power.	• Use a high-quality cable designed for fast charging. • Confirm your device supports Xiaomi Turbo Charging. • Close unnecessary applications on your device.
Adapter feels warm.	• Normal operation during charging. • Overload or poor ventilation.	• A slight warmth is normal. • Ensure adequate ventilation around the adapter. If it becomes excessively hot, unplug immediately and contact support.
