## MAGOLFIN YH-F112

# MAGOLFIN 8-inch Magnetic Fan User Manual

**MODEL: YH-F112**

Portable Outdoor Fan with 5 Speed Settings & Remote Control

## Introduction

Thank you for choosing the MAGOLFIN 8-inch Magnetic Fan. This versatile and powerful fan is designed to provide optimal airflow and convenience in various settings, especially on cruise ships. With its strong magnetic base, clip-on design, and long-lasting battery, it ensures comfort wherever you go. Please read this manual thoroughly before use to ensure proper operation and maintenance.

## Product Features

- Cruise Ship Approved:** Certified for use on all cruise lines, featuring a magnetic base for secure attachment to cabin walls and ceilings.
- Powerful Magnetic Base & Secure Clip Mounting:** Equipped with dual 1-inch strong magnets for metal surfaces and a robust clip for versatile attachment.
- 12000mAh Long-Lasting Battery:** Provides up to 30 hours of continuous cooling. Supports 5V-2A fast charging via USB and Type-C ports.
- Power Bank Functionality:** The USB port allows charging of mobile devices, doubling as a backup power source.
- Ultra-Quiet Operation:** High-performance brushless motor and 5 aerodynamic blades ensure strong airflow with minimal noise.
- Five Adjustable Speed Settings:** Customize airflow to your preference.
- LED Lantern:** Integrated 3-gear LED lantern for ambient lighting.
- Timer Function:** Set the fan to operate for 1, 2, or 3 hours.
- 5-in-1 Versatile Design:** Functions as a magnetic fan, clip-on fan, table fan, wall-mounted fan, and hanging fan.

- **Detachable Front Cover:** For effortless cleaning and hygiene.

## Package Contents

- 8-inch Magnetic Fan (1 unit)
- Oxford Storage Bag (1 unit)
- User Manual (1 unit)
- USB Charging Cable (1 unit)

## Setup

### Initial Charging

Before first use, fully charge the fan. Connect the provided USB cable to the fan's Type-C port and a 5V-2A power adapter (not included). The battery level indicator will show charging progress. A full charge typically takes several hours.

### Mounting Options

- **Magnetic Mounting:** The fan features strong magnets on its base. Simply place the fan on any suitable metal surface, such as cruise ship cabin walls or ceilings, for secure attachment.

Sturdy base without wobbling,  
enjoy coolness on the go this summer! Yachat

Image: The fan securely attached to a metal surface, demonstrating its magnetic mounting capability.

- **Clip-on Mounting:** Utilize the integrated clip to attach the fan to clotheslines, desks, shelves, or other suitable edges. Ensure the clip is firmly secured before operation.
- **Tabletop Use:** Place the fan on any flat surface. The stable base ensures it stands upright for personal cooling.
- **Wall-Mounted/Hanging:** The fan's design allows for hanging or wall-mounting in appropriate locations, providing flexible air circulation.

## Operating Instructions

### Power On/Off

Locate the ON/OFF switch on the fan's base. Slide the switch to 'ON' to power on the fan, and to 'OFF' to power it off.

## **Fan Speed Control**

Press the fan speed button (often indicated by fan blade icons) to cycle through the 5 available speed settings. Each press increases the fan speed. The current speed level may be indicated on a small display.

## **LED Lantern Control**

Press the light button (often indicated by a light bulb icon) to cycle through the 3 LED lantern brightness settings. Press again to turn the light off.

## **Timer Function**

Press the timer button (indicated by '1H', '2H', '3H' icons) to set the fan to automatically turn off after 1, 2, or 3 hours. The corresponding indicator will light up.

## **Power Bank Function**

To use the fan as a power bank, connect your mobile device's charging cable to the USB-A output port on the fan's base. The fan's internal 12000mAh battery will provide power to your device.

## Maintenance

### Cleaning

To clean the fan, ensure it is powered off and unplugged. The front cover is detachable for easy cleaning of the

blades. Gently twist or unclip the front cover as indicated in the product diagrams. Use a soft, dry cloth to wipe down the fan and blades. Do not use abrasive cleaners or immerse the fan in water.

# Detachable Front Cover

For Effortless Cleaning & Hygiene

## Battery Care

To prolong battery life, avoid fully discharging the fan frequently. Recharge the fan regularly, even if not in constant use. Store the fan in a cool, dry place when not in use for extended periods.

## Troubleshooting

- Fan not turning on:** Ensure the ON/OFF switch is in the 'ON' position. Check if the battery is charged; if not, connect to a power source.
- Weak airflow:** Verify the fan speed setting. Ensure the fan blades are clean and free from obstructions.
- LED lantern not working:** Check if the fan is powered on. Press the light button to cycle through brightness settings.
- Device not charging via USB:** Ensure the fan has sufficient battery charge. Check the USB cable and the connection to your device.
- Magnetic attachment not strong enough:** Ensure the surface is metal and clean. Avoid placing on uneven or coated surfaces that may reduce magnetic strength.

## Specifications

<b>Brand</b>	MAGOLFIN
<b>Model Name</b>	YH-F112
<b>Color</b>	Black
<b>Electric Fan Design</b>	Table Fan
<b>Power Source</b>	Battery Powered
<b>Product Dimensions</b>	3"D x 9.5"W x 12"H
<b>Item Weight</b>	1.16 Kilograms (2.55 pounds)
<b>Battery Capacity</b>	12000mAh (1 Lithium Polymer battery included)
<b>Number of Power Levels</b>	5 (Fan Speeds)
<b>LED Lantern</b>	3-Gear LED Lantern
<b>Control Method</b>	Touch
