LVSOMT B0DSK4W17T

LVSOMT 43"x16" Arched Wall Mounted Jewelry Organizer with LED Lights - User Manual

Model: B0DSK4W17T

1. INTRODUCTION

This manual provides instructions for the assembly, operation, and maintenance of your LVSOMT 43"x16" Arched Wall Mounted Jewelry Organizer. This product features an arched full-length mirror with integrated LED lighting, a lockable jewelry cabinet, and versatile installation options (wall-mounted or over-the-door). Please read these instructions thoroughly before installation and use to ensure proper function and safety.

The LVSOMT Arched Wall Mounted Jewelry Organizer, showcasing its elegant design and functional storage.

2. SAFETY INFORMATION

- Ensure the product is securely mounted using the provided hardware for either wall or door installation. Improper installation may result in injury or damage.
- Keep keys out of reach of children to prevent unauthorized access to stored items.
- Avoid placing heavy objects on the shelves or hanging excessive weight on hooks to prevent tipping or damage.
- Do not expose the mirror to direct sunlight for prolonged periods, as this may cause distortion or damage.
- Handle the mirror with care to prevent breakage. In case of breakage, dispose of glass fragments safely.
- Ensure the power adapter for the LED lights is connected to a suitable power outlet and kept away from water.

3. PACKAGE CONTENTS

Verify that all components are present before beginning installation:

- 1 x Jewelry Cabinet with Arched Mirror
- 1 pack x Screws (for wall mounting)
- 2 x Door Hangers (for over-the-door installation)
- 2 x Keys (for lockable cabinet)
- 1 x Power Adapter (for LED lights)

4. PRODUCT FEATURES

- **HD Mirror & Arched Design:** A 43"x16" full-length glass mirror with a frameless arched top.
- **3-Color Lighting & Interior LEDs:** The outer mirror features a touch button to toggle White, Warm, and Natural light. Six auto-on interior LED lights illuminate when the cabinet door is opened.
- **Visual Cosmetic Storage:** Large capacity armoire with 108 earring slots, 24 necklace hooks, transparent acrylic drawers, and brush holders.
- **FSC-Certified Wood & Secure Protection:** Constructed from sustainable wood with an anti-tarnish velvet interior lining. Includes a secure key lock.
- **Flexible Mounting:** Can be hung over a door with adjustable hooks or mounted on a wall with screws.

LARGE JEWELRY STORAGE

Simultaneously meets the needs of makeup, jewelry storage, and dressing.

5. SETUP AND INSTALLATION

The cabinet body comes pre-assembled. Choose between two installation methods:

5.1. Over-the-Door Installation

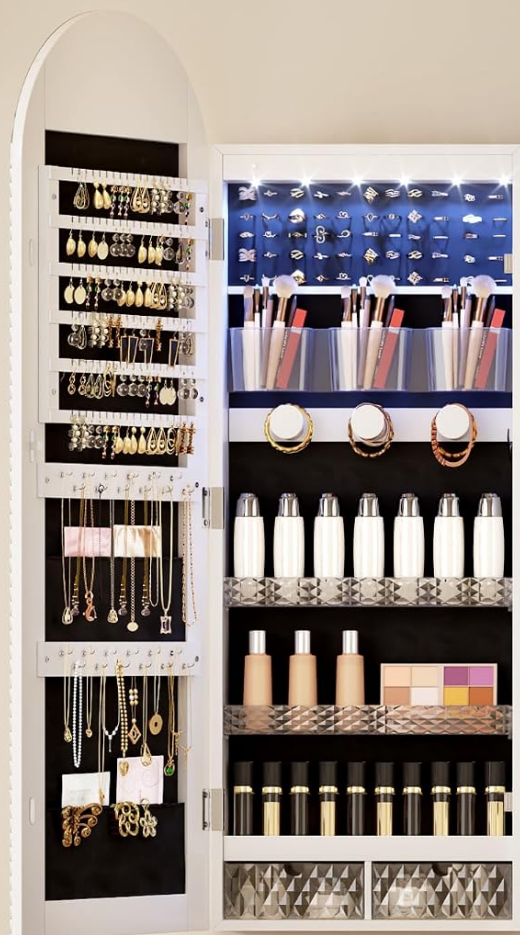

1. Attach the two door hangers to the top of the cabinet using the provided screws.
2. Adjust the height of the hangers to your preference (3 adjustable heights available).
3. Carefully hang the cabinet over the top edge of a sturdy door. Ensure the door can close properly without obstruction.

5.2. Wall-Mounted Installation

1. Determine the desired location on the wall. Use a level to mark the positions for the mounting screws.

2. Drill pilot holes at the marked locations. Insert wall anchors if necessary for drywall.
3. Securely fasten the cabinet to the wall using the provided screws. Ensure it is stable and level.

2 WAYS FOR INSTALLATION

Wall Mounted

Door Mounted

The jewelry organizer can be installed over the door or wall-mounted.

6. OPERATING INSTRUCTIONS

6.1. External LED Mirror Lights

The arched mirror features integrated LED lights with a touch-sensitive button on the mirror surface:

- **Short Press:** Tap the touch button to cycle through three color temperatures: White (6500K), Natural (4000K), and Warm Yellow (3000K).
- **Long Press:** Press and hold the touch button to adjust the brightness level (0% to 100%) for the selected color

temperature.

LED LIGHTED MIRROR WITH TOUCH

White Light
6500K

Natural Light
4000K

Warm Yellow
3000K

Short press to switch light colors;
Long press to adjust light brightness.

Includes 59" (1.5m) Adapter

6.2. Internal LED Lights

The interior of the jewelry cabinet is equipped with 6 LED lights that automatically turn on when the cabinet door is opened, providing illumination for your stored items. These lights are battery-operated.

6 LED LIGHTS

Light up your jewelry

The interior of the cabinet is illuminated by 6 LED lights when opened.

6.3. Locking Mechanism

The cabinet features a key lock for securing your valuables. Insert one of the provided keys into the lock on the side of the cabinet and turn to lock or unlock the door.

6.4. Storage Organization

Utilize the various compartments for optimal organization:

- **Earring Slots/Holes:** Store earrings on the designated slots and holes on the left panel.
- **Necklace Hooks:** Hang necklaces on the hooks provided on the left panel.
- **Ring Slots:** Place rings in the dedicated ring slots on the right panel.
- **Cosmetic Boxes/Shelves:** Use the transparent acrylic boxes and shelves for makeup, perfumes, and other accessories.
- **Storage Drawers:** The bottom drawers offer additional storage for smaller items.

This video provides an overview of the LVSOMT Wall Mounted Jewelry Organizer with LED Light, highlighting its features and functionality.

7. MAINTENANCE

- **Cleaning the Mirror:** Use a soft, lint-free cloth and a non-abrasive glass cleaner. Spray the cleaner onto the cloth, not directly onto the mirror, to avoid liquid seeping into the edges.
- **Cleaning the Cabinet:** Wipe the exterior and interior surfaces with a soft, damp cloth. Avoid harsh chemicals or abrasive cleaners.
- **Velvet Lining:** Gently vacuum or use a lint roller to clean the velvet lining. Do not wet the velvet.
- **Battery Replacement (Internal LEDs):** If the internal LED lights dim or stop working, replace the batteries. Refer to the battery compartment location, typically near the internal lights.

8. TROUBLESHOOTING

- **External LED Mirror Lights Not Working:**
 - Ensure the power adapter is securely plugged into both the mirror and a working electrical outlet.
 - Check if the outlet is receiving power.
 - Gently press the touch button to ensure it is responsive.
- **Internal LED Lights Not Turning On:**
 - Check the batteries and replace them if necessary.
 - Ensure the door sensor (if present) is not obstructed.
- **Cabinet Door Not Closing/Locking Properly:**
 - Check for any obstructions inside the cabinet or along the door frame.
 - Ensure the cabinet is mounted level and plumb. Adjust if needed.
 - Verify the lock mechanism is free of debris and the key turns smoothly.
