DeerRun AS03

DeerRun Treadmills for Home User Manual

Model: AS03

Product Overview

The DeerRun Treadmill is a versatile 3-in-1 fitness machine designed for home use, offering walking, jogging, and running capabilities. It features a powerful 3.5HP low-noise motor and a robust five-layer anti-slip belt, providing a stable and comfortable exercise experience. Its compact, foldable design makes it ideal for small spaces, and it supports a weight capacity of up to 350 LBS. The treadmill can be controlled via remote, touch keyboard, or the PitPat mobile application, offering a comprehensive and interactive fitness journey.

Setup and Assembly

The DeerRun Treadmill is designed for instant usage with minimal assembly required. Simply unpack the unit, and it is ready for operation. Its portable and foldable design, equipped with transport wheels, allows for convenient storage under a sofa, bed, or desk when not in use.

Operating Instructions

Speed and Modes

The DeerRun Treadmill offers flexible speed control to suit various exercise needs. When the handrail column is raised, the treadmill can reach speeds from 0.6 to 10 mph, suitable for running and jogging. For a more relaxed pace, such as walking while working, the handrails can be lowered, transforming it into an under-desk treadmill with a top speed of 3.8 mph. Speed can be adjusted using the remote control or the integrated touch keyboard on the console.

PitPat APP Control

Enhance your fitness experience by connecting your DeerRun Treadmill to the global intelligent sports community platform, PitPat. This application provides a variety of course content and allows you to record your fitness data for personalized exercise tracking. Through PitPat's social functions, you can participate in online activities such as marathons and running relays, expanding your fitness community.

Important: The treadmill requires downloading and activating through the PitPat app before first use. This unlocks its full potential, including training programs, events, social features, and entertainment options. If you encounter any difficulties with activation, please contact customer support.

Safety Features

For your safety, the treadmill is equipped with a safety key. Always attach the safety key to your clothing before starting your workout. In case of an emergency, pulling the safety key will immediately stop the treadmill.

Maintenance

The treadmill features a five-layer anti-slip belt designed to provide a stable running surface and effectively absorb impact and vibration, reducing stress on joints like knees and ankles. To ensure optimal performance and longevity of your treadmill, regular maintenance is recommended.

Belt Lubrication: Periodically lubricate the running belt using the provided lubricant. Refer to the instruction manual for specific guidelines on frequency and application method to maintain smooth operation and prevent wear.

Troubleshooting

If you experience any issues with your DeerRun Treadmill or are unable to operate it as described, please refer to the comprehensive troubleshooting section in the full instruction manual. For further assistance, do not hesitate to contact DeerRun customer support.

Product Specifications

Feature	Specification
Brand	DeerRun
Model Name	AS03
Color	44.09In Black&Orange
Product Dimensions (LxWxH)	53.35"D x 24.06"W x 44.57"H
