BUOAZR 1

BUOAZR 250ml Ultrasonic Essential Oil Diffuser

Model: 1 | Brand: BUOAZR

1. Introduction

The BUOAZR 250ml Ultrasonic Essential Oil Diffuser is designed to enhance your environment through aromatherapy. It uses ultrasonic technology to disperse a fine mist of water and essential oils, creating a pleasant and relaxing atmosphere. This diffuser is suitable for various settings, including bedrooms, offices, living rooms, and spas.

Image 1: The BUOAZR diffuser seamlessly integrates into different environments, providing aromatherapy in bedrooms, offices, and living rooms.

2. Safety Instructions

Please read and understand all safety instructions before using the diffuser to prevent injury or damage to the product.

- **Water Level:** Do not fill water beyond the maximum water level indicator inside the tank. Overfilling can lead to malfunction or water leakage.
- **Power Off Before Refilling:** Always turn off and unplug the diffuser before adding water or essential oils, or when cleaning. Never open the lid while the unit is operating.
- **Keep Base Dry:** Ensure the diffuser's base remains dry. Do not immerse the base in water or allow it to get wet, as this can cause electrical damage.
- **Secure Covers:** Always ensure both the inner and outer covers are securely placed to prevent water splashing during operation, which could damage the machine's base.
- **Children and Pets:** Keep the diffuser out of reach of children and pets.

- **Essential Oil Caution:** Use essential oils with caution. Some individuals may experience skin irritation or allergic reactions. Avoid direct contact with undiluted essential oils.
- **Ventilation:** Ensure the room is well-ventilated when using the diffuser.

Image 2: The diffuser features an automatic shut-off function when water levels are low. Ensure water is filled below the maximum line for optimal mist production and safety.

3. Package Contents

Verify that all items are present in the package:

- 1 x BUOAZR Ultrasonic Essential Oil Diffuser
- 1 x USB Charging Cable
- 1 x User Manual (this document)
- 4 x 10ml Essential Oil Bottles (Lavender, Tea Tree, Orange, Peppermint - typical starter pack)

4. Product Overview

Familiarize yourself with the components and features of your diffuser.

Image 3: Key features of the BUOAZR diffuser, including its 250ml capacity, long mist duration, quiet operation, safety features, and compact dimensions (13cm height, 10cm width).

Key Features:

- **250ml Capacity:** Provides up to 16 hours of continuous mist.
- **Ultrasonic Technology:** Operates quietly (≤ 18 dB) for a peaceful environment.
- **7 LED Colors:** Offers a choice of 7 rotating colors or a fixed color, usable as a night light.
- **Automatic Shut-off:** For safety, the diffuser automatically turns off when water runs out.
- **Timer Settings:** Customizable operation with 1H, 3H, 6H, or continuous mist modes.
- **BPA-Free Material:** Constructed from safe, high-quality PP material.

5. Setup

Follow these steps to set up your diffuser for the first time:

1. **Remove Covers:** Gently remove the top cover and the inner lid of the diffuser.
2. **Connect Power:** Connect the USB charging cable to the port at the bottom of the diffuser and plug the other end into a suitable power adapter (not included) or USB port.
3. **Add Water:** Fill the water tank with clean tap water up to the maximum water level line. Do not exceed this line.
4. **Add Essential Oils:** Add 3-5 drops of your preferred essential oil directly into the water tank. Adjust the amount based on your preference and room size.
5. **Replace Covers:** Securely place the inner lid and then the top cover back onto the diffuser. Ensure they are properly aligned and closed to prevent leaks.

Image 4: Visual instructions for setting up the diffuser, from removing covers to adding water and essential oils, and finally closing the unit.

6. Operation

The diffuser features two main buttons: **MIST** and **LIGHT**, allowing for independent control of mist and lighting functions.

6.1 Mist Control

- Press the **MIST** button once to turn on continuous mist.
- Press the **MIST** button a second time to set the timer for 1 hour (1H).
- Press the **MIST** button a third time to set the timer for 3 hours (3H).
- Press the **MIST** button a fourth time to set the timer for 6 hours (6H).
- Press the **MIST** button a fifth time to turn off the mist function.

6.2 Light Control

- Press the **LIGHT** button once to turn on the LED light with a 7-color cycling mode.
- Press the **LIGHT** button again to fix the light on your desired color.
- Press the **LIGHT** button a third time to turn off the light function.

Image 5: The diffuser offers 7 LED light colors, which can cycle automatically or be fixed to a single color. Mist and light functions can be

operated independently.

Image 6: The diffuser allows for independent control of mist and light features, enabling users to enjoy mist without light, or light without mist.

7. Maintenance

Regular cleaning ensures optimal performance and extends the lifespan of your diffuser.

1. **Daily Cleaning:** After each use, empty any remaining water from the tank.
2. **Weekly Cleaning:**
    - Unplug the diffuser and remove the covers.
    - Wipe the inside of the water tank with a soft, damp cloth or paper towel.
    - For stubborn residue or essential oil buildup, add a small amount of white vinegar (about 1 teaspoon) to the tank and let it sit for 5-10 minutes.
    - Gently wipe the ultrasonic plate (the small ceramic disc at the bottom of the tank) with a cotton swab dipped in vinegar. Do not scrub or use abrasive materials.

- Rinse the tank thoroughly with clean water, being careful not to get water into the air outlet.
- Dry all parts completely before reassembling or storing.

3. **Important:** Never use harsh detergents, solvents, or abrasive cleaners. Do not immerse the main unit in water.

8. Troubleshooting

If you encounter any issues, refer to the following common problems and solutions:

Problem	Possible Cause	Solution
No mist or low mist output	◦ Insufficient water in the tank. ◦ Water level exceeds MAX line. ◦ Ultrasonic plate dirty or blocked. ◦ Covers not properly closed.	◦ Add water to the appropriate level. ◦ Empty some water to below the MAX line. ◦ Clean the ultrasonic plate as per maintenance instructions. ◦ Ensure covers are securely in place.
Diffuser does not turn on	◦ No power connection. ◦ Water has run out (auto shut-off activated). ◦ Faulty USB cable or power adapter.	◦ Check USB cable connection and power source. ◦ Refill water tank. ◦ Try a different USB cable or power adapter.
Water leakage	◦ Overfilled water tank. ◦ Covers not properly closed. ◦ Diffuser placed on an uneven surface.	◦ Ensure water is below MAX line. ◦ Securely close both inner and outer covers. ◦ Place the diffuser on a flat, stable surface.

9. Specifications

Model Number	1
Brand	BUOAZR
Capacity	250 ml
Dimensions (L x W x H)	10 cm x 10 cm x 10 cm
Weight	400 grams
