MAINTENANCE

To maintain the appearance and longevity of your upholstered bed frame, follow these care instructions:

- **Spot Clean Only:** For spills or stains, immediately blot the affected area with a clean, dry cloth. Use a mild, water-free solvent or upholstery cleaner following the product's instructions. Test on an inconspicuous area first.
- **Regular Dusting:** Gently vacuum the upholstery with a brush attachment or use a soft cloth to remove dust and debris.
- **Avoid Direct Sunlight:** Prolonged exposure to direct sunlight can cause fabric fading. Position your bed away from direct sun exposure or use window coverings.
- **Avoid Harsh Chemicals:** Do not use harsh cleaners, abrasives, or bleach, as these can damage the fabric.
- **Check Fasteners:** Periodically check all bolts and screws and re-tighten them to ensure the frame remains stable.
