2. IMPORTANT SAFETY INFORMATION

Please adhere to the following safety guidelines to ensure safe use and prevent damage to the product or injury.

- Always assemble the desk according to the provided instructions.
- Ensure the desk is properly anchored to the floor to prevent tipping, especially if using the desk with heavy equipment or in areas with high foot traffic.
- Do not overload the desk beyond its maximum weight capacity of 250 lb.
- Keep small parts and assembly hardware away from children and pets to prevent choking hazards.
- Avoid placing hot items directly on the desk surface without protective coasters.
- Do not stand or climb on the desk.

3. SETUP AND ASSEMBLY

The Tribesigns Executive Desk is designed for easy assembly. All necessary hardware kits and an assembly guide are included. It is recommended that two people assemble this desk for optimal safety and ease.

Before You Begin:

- Unpack all components and verify against the parts list in the included assembly guide.
- Clear a spacious area for assembly, preferably near the desk's final location.
- Gather any additional tools if needed, though all essential tools are provided. A drill may be recommended for certain steps.

Assembly Steps:

1. Identify and separate all components as per the assembly guide.
2. Attach the support beams to the main desktop panel using the provided screws and tools. Ensure all connections are secure but do not overtighten.
3. Carefully attach the two pedestal bases to the underside of the desktop, aligning them with the pre-drilled holes.
4. Secure the pedestals using the designated hardware. Ensure the desk is stable and level.
5. Perform a final check of all connections to ensure they are tight and secure.

5. MAINTENANCE AND CARE

Proper care will extend the life and maintain the appearance of your Tribesigns Executive Desk.

- **Cleaning:** Wipe the desk surface with a dry, soft cloth. Avoid abrasive cleaners or harsh chemicals that may damage the finish.
- **Spills:** Immediately wipe up any spills to prevent staining or damage to the engineered wood.
- **Heat Protection:** Use coasters or protective pads under hot items to prevent heat marks.
- **Sunlight Exposure:** Avoid prolonged direct sunlight exposure, which can cause fading or discoloration over time.
- **Regular Checks:** Periodically check all screws and connections to ensure they remain tight. Retighten if necessary.

6. TROUBLESHOOTING

This section addresses common issues you might encounter with your desk.

Problem	Possible Cause	Solution
Desk wobbles or is unstable.	Loose connections; uneven floor.	Ensure all screws and bolts are securely tightened. Adjust leveling feet if present, or place shims under the pedestals on uneven surfaces.
Parts do not align during assembly.	Incorrect orientation of parts; manufacturing defect.	Double-check the assembly guide for correct part orientation. If parts appear warped or defective, contact customer service for assistance.
Surface scratches or marks.	Sharp objects; abrasive cleaning.	Use desk mats or pads for protection. Clean with a soft, dry cloth only. Minor scratches may be repairable with furniture repair kits.

If you encounter issues not listed here, or if the suggested solutions do not resolve the problem, please contact Tribesigns customer service.
