Snailax SL-548

Snailax Foot Spa Bath Massager SL-548 Instruction Manual

Model: SL-548

1. Important Safety Instructions

Please read all instructions carefully before using this product. Failure to follow these instructions may result in electric shock, fire, or serious injury.

- Always unplug the appliance from the electrical outlet immediately after using and before cleaning.
- Do not reach for an appliance that has fallen into water. Unplug immediately.
- Do not use while bathing or showering.
- Do not place or store appliance where it can fall or be pulled into a tub or sink.
- Do not place in or drop into water or other liquid.
- Close supervision is necessary when this appliance is used by, on, or near children, invalids, or disabled persons.
- Use this appliance only for its intended use as described in this manual. Do not use attachments not recommended by the manufacturer.
- Never operate this appliance if it has a damaged cord or plug, if it is not working properly, if it has been dropped or damaged, or dropped into water.
- Keep cord away from heated surfaces.
- Never use while sleeping or drowsy.
- Never drop or insert any object into any opening.
- Do not use outdoors.
- Do not operate where aerosol (spray) products are being used or where oxygen is being administered.
- Do not stand on or in the foot spa. Use only while seated.
- Do not use on sensitive skin or in the presence of poor circulation.
- This appliance is designed for household use only.

2. Product Overview

The Snailax Foot Spa Bath Massager SL-548 is designed to provide a relaxing foot soaking experience with integrated massage, heating, and bubble functions. Its collapsible design allows for convenient storage.

3. Product Components

- Snailax Foot Spa Bath Massager (Model SL-548)
- Remote Control
- Integrated Shiatsu Massage Rollers (6 sets)
- Power Cord

4. Setup Guide

1. **Unfolding the Foot Spa:** Place the collapsed foot spa on a flat, stable surface. Pull up the rear end, then the front end of the spa to extend it to its full height. Ensure the supporting rod is rotated into place to secure the structure.

2. **Filling with Water:** Fill the foot spa with warm water. Ensure the water level is between the 'MIN' and 'MAX' lines indicated inside the basin. Do not overfill.
3. **Initial Power Connection:** Connect the power cord to a suitable electrical outlet.

5. Operating Instructions

The Snailax Foot Spa is operated using the control panel on the unit or the included remote control.

Figure 3: Remote control and control panel layout with function buttons.

1. **Power On/Off:** Press the **ON/OFF** button on the control panel or remote to turn the unit on or off. The digital display will illuminate.
2. **Temperature Control:** Use the **TEMP+** and **TEMP-** buttons to adjust the water temperature. The temperature can be set between 95°F and 118°F. The unit will automatically maintain the set temperature.
3. **Massage Functions:** Press the **MASSAGE** button to cycle through the 3 available Shiatsu massage modes. The 6 sets of rollers will provide a customizable foot massage.
4. **Bubble Function:** Press the **RED LIGHT BUBBLE** button to activate or deactivate the bubble massage. This button also controls the red light function.

5. **Timer Settings:** Press the **TIMING** button to set the duration of your foot spa session. Available settings are 10, 20, 30, 40, 50, or 60 minutes. The unit will automatically shut off once the timer expires.
6. **Remote Control Usage:** The remote control allows for effortless adjustments of all functions without bending over. Ensure the remote is aimed at the indicator within 1 meter for optimal response.

6. Maintenance and Cleaning

1. **Draining Water:** After each use, unplug the unit. Locate the drainage spout at the bottom of the foot spa. Open the spout to drain the water.
2. **Cleaning the Unit:** Wipe down the interior and exterior of the foot spa with a soft, damp cloth. Do not use abrasive cleaners or brushes. Ensure all components are dry before storage.
3. **Storage:** Collapse the foot spa by gently pressing down on both sides until it folds flat. Store in a cool, dry place away from direct sunlight.

Figure 4: Collapsible design for easy storage.

7. Troubleshooting

- **Unit does not power on:** Ensure the power cord is securely plugged into a working electrical outlet. Check if the safety lock on the ON/OFF button is engaged.
- **Water is not heating:** Verify that the temperature setting is above the current water temperature. Ensure the unit is filled with water above the 'MIN' line.
- **Massage rollers or bubbles are not working:** Check if the respective function buttons (**MASSAGE** or **RED LIGHT BUBBLE**) have

been activated.

- **Remote control is unresponsive:** Ensure the remote control is aimed at the unit's indicator within 1 meter. Check the remote control's battery.
