Moimhear Low Bunk Bed with Ladder (90 x 200 cm)

Model: LDB00147-ZXYY

1. INTRODUCTION

Thank you for choosing the Moimhear Low Bunk Bed. This instruction manual provides essential information for the safe assembly, operation, and maintenance of your new bunk bed. Designed for comfort and durability, this solid wood bunk bed maximizes space in children's bedrooms while providing a secure sleeping solution.

Please read this manual thoroughly before assembly and retain it for future reference.

This image displays the Moimhear Low Bunk Bed in grey, fully assembled and furnished within a child's bedroom setting. It highlights the house-shaped frame and the integrated ladder.

2. SAFETY INFORMATION

WARNING: Please exercise extreme care during handling and assembly of this product. Ensure that both packages are correctly assembled and joined to prevent instability or collapse. Failure to follow these instructions can result in serious injury.

- Always assemble the bed on a soft, clean surface to prevent damage to the product and your floor.
- Ensure all fasteners are securely tightened before use. Periodically check and re-tighten as necessary.
- Do not allow children to play on or under the bed during assembly.
- The top bunk is not suitable for children under 6 years of age.
- Only use mattresses that comply with the recommended thickness and dimensions.
- Do not attach or hang items on any part of the bunk bed that are not designed for use with the bed; for example, but not limited to, hooks, belts, or ropes.

3. PACKAGE CONTENTS

Your Moimhear Low Bunk Bed is shipped in two separate packages. Due to logistics, these packages may

arrive at different times. Please wait patiently for both packages to arrive before beginning assembly.

Upon receipt of both packages, verify that all components are present and undamaged. The packages should contain:

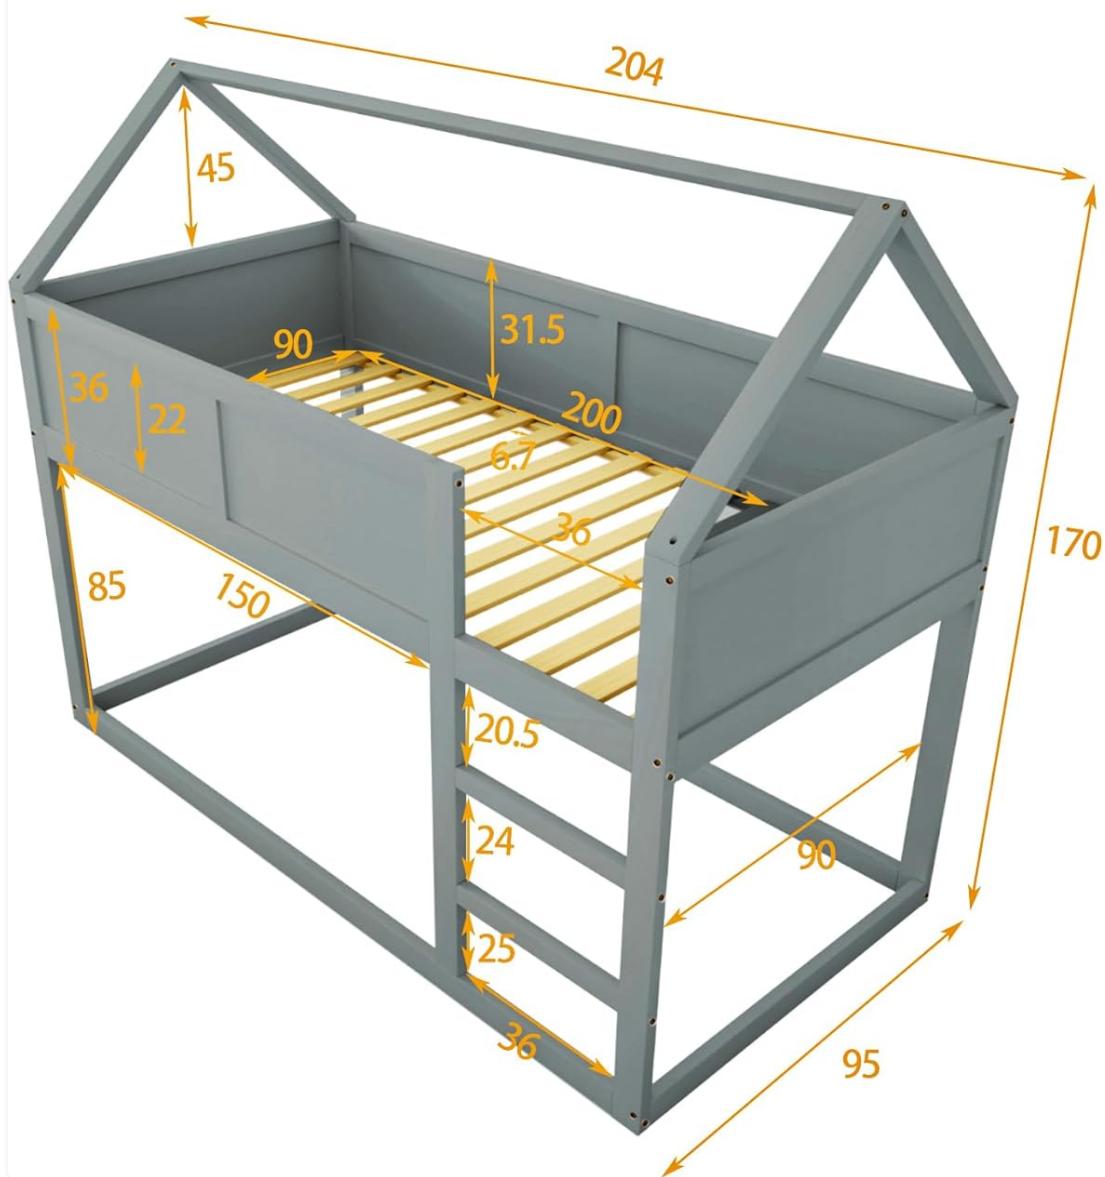

- Bed frame components (solid wood pieces)
- Slatted bed base for the upper bunk
- Integrated ladder components
- Assembly hardware (screws, bolts, etc.)
- Assembly instructions manual
- All necessary tools for assembly (e.g., screwdriver)

If any parts are missing or damaged, please contact customer service immediately.

| Estimated Assembly Time | 2 hours |
| Recommended Number of People for Assembly | 2 |

SIZE:CM

This diagram provides detailed measurements of the Moimhear Low Bunk Bed in centimeters, including overall length, width, height, and specific dimensions for the bed frame and ladder.

5. SETUP AND ASSEMBLY

Follow the step-by-step assembly instructions provided in the separate manual included with your product. Ensure you have sufficient space and a clean, soft surface for assembly.

- 1. Unpack Components:** Carefully remove all parts from the packaging. Check against the parts list in the assembly manual to ensure everything is present.
- 2. Identify Hardware:** Separate and identify all screws, bolts, and other hardware.
- 3. Follow Instructions:** Adhere strictly to the sequence of steps outlined in the assembly manual. Do not skip steps.
- 4. Two-Person Assembly:** Assembly is recommended for two people to ensure safety and ease of construction.
- 5. Hand Tools Only:** Avoid using power tools for assembly, as they can overtighten fasteners and damage

the wood. Use the provided tools or standard hand tools.

- 6. Secure All Connections:** Ensure all bolts and screws are fully tightened. Do not overtighten.
- 7. Final Check:** Once assembled, perform a thorough check to ensure the bed is stable and all connections are secure before use.

6. OPERATING (USAGE GUIDELINES)

To ensure safe and proper use of your Moimhear Low Bunk Bed, please observe the following guidelines:

- Weight Limit:** The maximum weight capacity for each bunk is 120 kg. Do not exceed this limit.
- Mattress:** Use a mattress with dimensions 90 x 200 cm and a maximum thickness of 12 cm for optimal safety and fit.
- Ladder Use:** Always use the integrated ladder for accessing the upper bunk. Do not jump on or off the bed.
- Top Bunk Safety:** Ensure children using the top bunk understand and follow safety rules, including not playing roughly or standing on the bed.
- Ventilation:** Ensure adequate ventilation around the mattress to prevent moisture buildup.

7. MAINTENANCE

Regular maintenance will help prolong the life and safety of your bunk bed:

- **Cleaning:** Wipe surfaces with a soft, damp cloth. Avoid harsh chemicals or abrasive cleaners that could damage the finish.
- **Fastener Check:** Periodically (e.g., every 3-6 months) check all bolts, screws, and connections to ensure they are tight. Re-tighten if necessary, but do not overtighten.
- **Wood Care:** Protect the wood from extreme temperature changes and direct sunlight to prevent warping or fading.
- **Damage Inspection:** Regularly inspect the bed for any signs of wear, damage, or loose parts. Discontinue use if damage is found and contact customer support for advice.

8. TROUBLESHOOTING

- **Missing Parts:** If you find any parts missing upon unpacking, please refer to the package contents section and contact customer support with details of the missing items.
- **Instability:** If the bed feels wobbly or unstable after assembly, re-check all connections and ensure every bolt and screw is securely tightened. Ensure the bed is placed on a flat, even surface.
- **Packages Arrived Separately:** As noted, the product ships in two packages which may arrive at different times. Please wait for both packages before attempting assembly. If one package is significantly delayed, contact the shipping carrier or customer support.
- **Damaged Parts:** If any components are damaged during shipping or unpacking, do not proceed with assembly. Contact customer support for replacement parts.
