CHOEZON Folding Side Table with Charging Station (Model: TBZ10UBF)

User Instruction Manual

1. INTRODUCTION

Thank you for purchasing the CHOEZON Folding Side Table with Charging Station. This versatile 3-tier narrow end table features a unique folding top design, a built-in charging station, and ample storage, making it ideal for small spaces in living rooms or bedrooms. This manual provides detailed instructions for assembly, operation, and maintenance to ensure safe and efficient use of your new table.

2. SAFETY INFORMATION

- Ensure the table is placed on a stable and even surface to prevent tipping.
- Keep fingers clear of the folding mechanism when adjusting the tabletop to avoid injury.

- Do not exceed the maximum weight recommendation of 22 pounds on the tabletop.
- Do not overload the storage shelf.
- Keep liquids away from the charging station to prevent electrical hazards.

3. PACKAGE CONTENTS

Please verify that all components are present before beginning assembly:

- 1 x Side Table with Foldable Top
- 1 x Power Outlet Unit
- 1 x Accessory Kit (includes screws, screwdriver, adjustable feet)
- 1 x Instruction Manual

4. ASSEMBLY INSTRUCTIONS

Assembly typically requires two people. All necessary tools are included. Follow these steps carefully:

1. **Unpack and Identify Parts:** Carefully remove all components from the packaging. Lay them out and compare them against the parts list in the included accessory kit to ensure everything is accounted for.
2. **Assemble the Frame:** Attach the metal frame components using the provided screws. Ensure all connections are secure but do not overtighten initially.
3. **Attach Shelves:** Secure the middle shelf and the bottom wire-fenced storage shelf to the assembled frame.
4. **Install Power Outlet:** Mount the power outlet unit onto the designated slot on the middle shelf using the provided screws.
5. **Attach Tabletop:** Secure the folding tabletop to the top of the frame. Ensure the hinges are correctly aligned for smooth operation.
6. **Install Adjustable Feet:** Screw the adjustable feet into the bottom of the table legs. Adjust them as needed to ensure the table is level on uneven floors.
7. **Final Tightening:** Once all parts are in place and the table is stable, carefully tighten all screws.

5. OPERATING INSTRUCTIONS

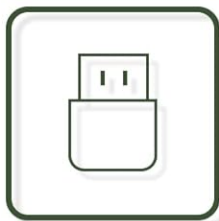

5.1. Folding Top Operation

The table features an innovative folding top design, allowing you to adjust its size based on your space requirements.

- **To Unfold:** Gently lift the hinged side of the tabletop until it is fully extended and rests securely on its support mechanism, forming a round surface.
- **To Fold:** Carefully disengage the support mechanism and lower the hinged side of the tabletop downwards until it rests against the side of the table, creating a narrower, space-saving profile.

5.2. Charging Station Usage

The integrated charging station provides convenient power access for your electronic devices.

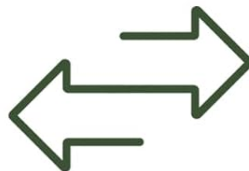

- Plug the table's 4.9ft power cord into a standard 125V/12A wall outlet.
- Use the 3-prong AC outlet to power devices requiring standard electrical current.
- Utilize the two 5V/2A USB ports to charge smartphones, tablets, and other USB-powered devices.

2 Usage Methods

Fold the semi-round sides to make side table perfect for compact spaces.

6. MAINTENANCE

To maintain the appearance and longevity of your CHOEZON side table:

- Wipe the surfaces with a dry cloth regularly to remove dust and debris.

- Avoid using harsh chemicals or abrasive cleaners, as these may damage the finish.
- Periodically check and tighten all screws to ensure structural integrity.
- Keep the table away from direct sunlight and excessive moisture.

7. TROUBLESHOOTING

Problem	Possible Cause	Solution
Table is wobbly	Uneven floor; loose screws	Adjust the leveling feet at the bottom of the legs. Tighten all assembly screws.
Folding top does not operate smoothly	Hinges are stiff or misaligned	Check hinge alignment. Apply a small amount of lubricant if hinges are stiff. Ensure no obstructions.
Charging station not working	Power cord not plugged in; faulty outlet; device issue	Ensure the power cord is securely plugged into a working wall outlet. Test the charging station with a different device.
