PATHWATER Grapefruit Mango 20 Fl Oz (Pack of 4)

PATH Grapefruit Mango Flavored Sparkling Water User Manual

Brand: PATHWATER

1. Introduction and Product Overview

This manual provides essential information for the use and care of your PATH Grapefruit Mango Flavored Sparkling Water and its reusable aluminum bottle. PATH water is ultra-purified, pH-balanced, and infused with electrolytes, offering a refreshing and sustainable hydration option.

Experience the refreshing blend of locally sourced, pH-balanced, electrolyte-infused water combined with the delightful flavors of grapefruit and mangoes in an aluminum water bottle. Quench your thirst guilt-free with our newest Grapefruit Mango flavor of PATH sparkling water!

2. Usage Instructions

PATH Grapefruit Mango Sparkling Water is ready to drink upon purchase. For optimal refreshment, serve chilled. The durable aluminum bottle is designed for infinite refills. Simply unscrew the cap and fill with your preferred cold liquid.

The sleek and portable design makes it ideal for on-the-go hydration, whether for travel, work, or gym activities. Elevate your daily essentials and take our refreshingly delicious Grapefruit Mango flavored sparkling water with you anytime, anywhere!

3. Care and Maintenance

To clean your PATH aluminum bottle, hand-wash it with a few drops of dish soap and warm water. Cap the bottle and shake to clean, then rinse thoroughly.

Important Notes:

- Do not microwave the bottle.
- Avoid cleaning with abrasive materials.
- The bottle is not suitable for dishwashers or freezing, as these can damage the aluminum and its internal lining.
- The bottle features industry-leading thicker walls (0.44 mm thickness) designed specifically for cold liquids.

4. Sustainability and Environmental Impact

PATHWATER is committed to ending single-use plastic. Our aluminum bottles are 100% recyclable and infinitely refillable, significantly reducing environmental impact. We are forging a path to end single-use plastic bottles for our bubbly water. With PATH aluminum bottled water, you'll receive a beautiful, recyclable, infinitely refillable container you can use to encourage healthy hydration habits while minimizing your impact on the environment.

All PATHWATER products are sourced and manufactured entirely in the U.S., minimizing the carbon footprint associated with transportation. We are proud to be manufactured 100% in the U.S., sourcing and producing from resources from our own backyard to help reduce carbon footprint by limiting the distance it travels to get to you.
