SETUP

1. Charging the Earbuds and Case

47 Hours Long Battery Time

With LED digital display, you can check the remaining power of the earbuds at any time

An image illustrating the 47-hour long battery time, showing the charging case with its digital display and icons for listening time and USB-C fast charging.

1. Before first use, fully charge the charging case and earbuds.
2. Connect the provided USB-C cable to the charging port on the case and to a power source.
3. The LED digital display on the case will show the charging status and battery percentage.
4. Place the earbuds into the charging case. Ensure they are correctly seated; the indicator lights on the earbuds will show charging status.
5. A full charge provides approximately 47 hours of total playtime with the charging case (5-7 hours per earbud charge).

2. Wearing the Earbuds

3.0g

Ultra-light Design

The wireless earbuds weigh only 3 grams and provide an excellent wearing experience that you may not even feel

A step-by-step visual guide demonstrating how to properly wear the SU8 Sleep Earbuds: 1. Choose appropriate ear caps, 2. Insert ear cap downwards into ear canal, 3. Twist to lock in place.

1. Choose the appropriate ear caps for your ear size to ensure a comfortable and secure fit.
2. Gently insert the earbud into your ear canal with the ear cap pointing downwards.
3. Twist the earbud slightly to lock it into place, ensuring a snug fit that minimizes external noise.
4. The lightweight and ergonomic design is optimized for comfort, even during extended wear or while sleeping on your side.

Soft Silicone
earmuffs

3.0g
No feeling

24dB
Noise Blocking

Comfortable to wear and suitable for long time use

Customized for sleep, with effective noise reduction and enhanced bass for a naturally deeper sleep

An image of a person comfortably wearing the earbuds, highlighting features like soft silicone earmuffs, 3.0g weight, and 24dB noise blocking.

3. Pairing with Your Device

One Step Pairing

It will automatically connect when the lid is opened.

An image showing the earbuds and charging case next to a smartphone displaying the Bluetooth pairing screen, indicating "SU8 Connected audio".

1. Open the lid of the charging case. The earbuds will automatically power on and enter pairing mode.
2. On your device (smartphone, tablet, laptop), go to Bluetooth settings.
3. Search for "SU8" in the list of available devices and select it to connect.
4. Once connected, you will hear a confirmation tone, and the earbuds will be ready for use.
5. The earbuds will automatically reconnect to the last paired device when the lid is opened, if Bluetooth is enabled on the device.

MAINTENANCE

- Cleaning:** Regularly clean the earbuds and charging case with a soft, dry, lint-free cloth. Do not use abrasive cleaners or solvents. For the eartips, you can gently wipe them with a damp cloth and mild soap, then dry thoroughly before reattaching.
- Storage:** When not in use, store the earbuds in their charging case to protect them and keep them charged. Store the case in a cool, dry place away from direct sunlight and extreme temperatures.
- Water Resistance:** The earbuds have a waterproof rating. However, avoid prolonged exposure to water or submersion. Dry them completely if they get wet before placing them back in the charging case.

TROUBLESHOOTING

Problem	Solution
Earbuds not pairing	<ul style="list-style-type: none">Ensure earbuds are charged.Make sure Bluetooth is enabled on your device.Place earbuds back in the case, close the lid, then open it again to re-enter pairing mode.Forget "SU8" from your device's Bluetooth list and try pairing again.
Only one earbud working	<ul style="list-style-type: none">Ensure both earbuds are charged.Place both earbuds back in the charging case, close the lid, and then open it again.Try resetting the earbuds (refer to specific reset instructions if available in a full manual, otherwise, a full charge cycle often helps).

Problem	Solution
Low volume or poor sound quality	<ul style="list-style-type: none"> ◦ Adjust the volume on both your device and the earbuds. ◦ Ensure the eartips are clean and free of debris. ◦ Try different sized eartips for a better seal in your ear canal. ◦ Ensure there are no obstructions between the earbuds and your device.
Charging case not charging	<ul style="list-style-type: none"> ◦ Check the USB-C cable and power adapter. ◦ Try a different charging cable or power source. ◦ Ensure the charging port on the case is clean.
