DOOGEE Note58 Pro

DOOGEE Note 58 Pro Smartphone User Manual

Model: Note58 Pro | Brand: DOOGEE

Introduction

The DOOGEE Note 58 Pro is a high-performance smartphone designed for a seamless user experience. Featuring the latest Android 15 system, a powerful Octa-Core processor, and a large 6250mAh battery, it offers extended usage and smooth multitasking. Its vibrant 6.75-inch HD+ 90Hz display provides clear visuals, while the 16MP AI camera captures stunning photos. This manual provides essential information on setting up, operating, maintaining, and troubleshooting your device to ensure optimal performance and longevity.

What's in the Box

Upon unboxing your DOOGEE Note 58 Pro, please verify that all the following items are included:

- 1 x Note 58 PRO mobile phone
- 1 x Type-C cable
- 1 x Charger
- 1 x Manual
- 1 x Warranty card
- 1 x Screen protector (pre-applied)
- 1 x SIM ejector tool
- 1 x Protective case

Image: Contents of the DOOGEE Note 58 Pro retail package.

Setup

1. SIM Card and TF Card Installation

The DOOGEE Note 58 Pro supports dual SIM cards or one SIM card and one TF card for expandable storage up to 2TB. To install:

1. Locate the SIM card tray on the side of the device.
2. Insert the SIM ejector tool into the small hole next to the tray and gently push until the tray pops out.
3. Place your Nano-SIM card(s) and/or TF card into the designated slots on the tray, ensuring correct orientation.
4. Carefully push the tray back into the device until it is flush with the side.

2. Powering On/Off

- **To Power On:** Press and hold the Power button (located on the right side) until the DOOGEE logo appears on the screen.
- **To Power Off:** Press and hold the Power button until the power options menu appears. Select 'Power off' and confirm.
- **To Restart:** From the power options menu, select 'Restart'.

3. Initial Configuration

Upon first power-on, the device will guide you through the initial setup process for Android 15. This includes selecting your language, connecting to Wi-Fi, setting up your Google account, and configuring security features like fingerprint and face ID.

Operating Your Device

System Overview: Android 15

The DOOGEE Note 58 Pro runs on the latest Android 15 operating system, offering enhanced performance, improved privacy features, and a more intuitive user interface. Enjoy a fluid and efficient experience for all your daily tasks and entertainment.

Image: The ultra-fast Android 15 system interface.

Performance: RAM, ROM, and Processor

Equipped with a powerful Octa-Core T7250 processor and an impressive 32GB of extended RAM (8GB base + 24GB extended), the Note 58 Pro ensures smooth multitasking and responsive application performance. The 256GB internal storage, expandable up to 2TB with a TF card, provides ample space for all your apps, photos, and videos.

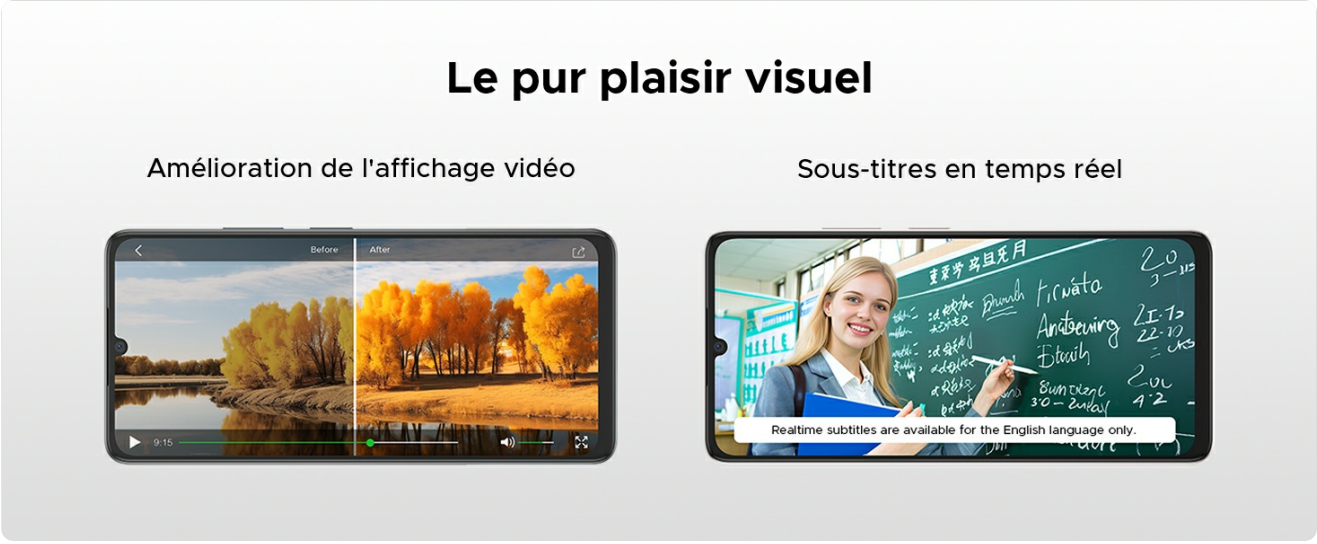

Image: Powerful Octa-Core T7250 processor with 1.8GHz maximum frequency and Arm Mali-G57 GPU.

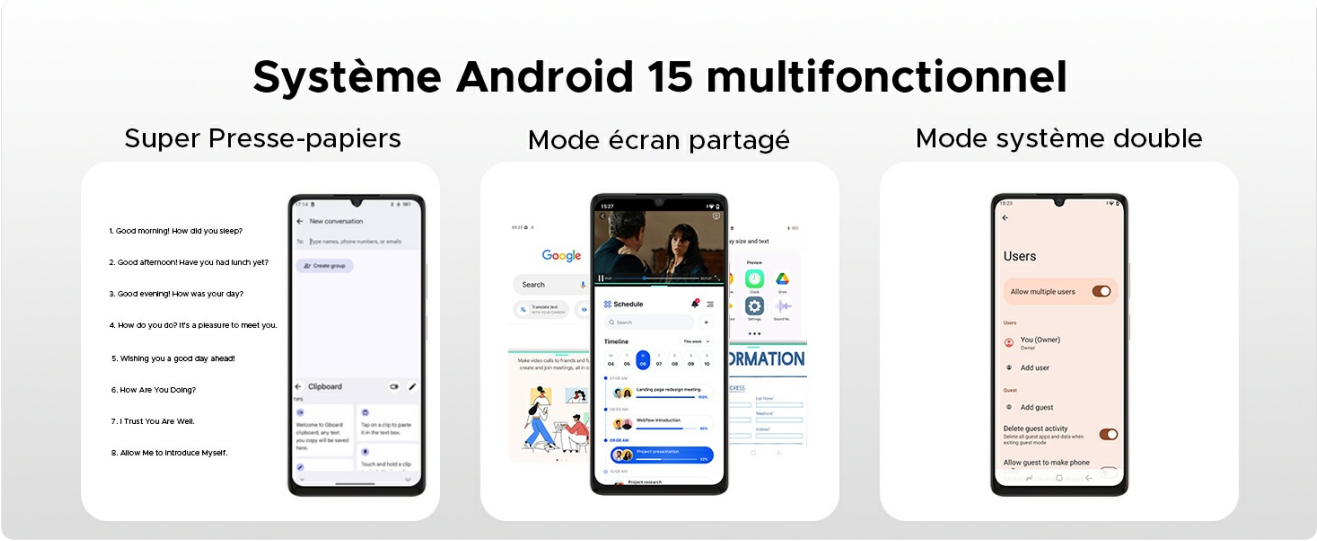

Image: Memory configuration with 8GB base RAM, 24GB extended RAM, 256GB ROM, and 2TB expandable storage.

Display: 6.75-inch HD+ 90Hz Waterdrop Screen

Experience immersive visuals on the 6.75-inch HD+ Waterdrop display with a 90Hz refresh rate. This high refresh rate ensures smoother scrolling and more fluid animations, enhancing your viewing pleasure for videos, games, and everyday browsing. The display supports Widevine L1 for high-quality streaming content.

Image: The 6.75-inch HD+ 90Hz Waterdrop display, designed for an immersive visual experience.

Battery: 6250mAh Large Capacity

The DOOGEE Note 58 Pro is equipped with a robust 6250mAh battery, providing extended usage on a single charge. It supports OTG reverse charging, allowing you to use your phone as a power bank to charge other devices. The battery is designed for durability, supporting up to 800 charge and discharge cycles.

Image: The powerful 6250mAh battery, ensuring long-lasting performance.

Camera System: 16MP AI Main Camera & 8MP Front Camera

Capture clear and vibrant photos with the 16MP AI main camera and take stunning selfies with the 8MP front camera. The integrated Google Intelligent Camera offers features like text extraction, translation, and object identification, making your camera a versatile assistant. Additional features include portrait mode, time-lapse photography, night mode, and a professional mode for advanced users.

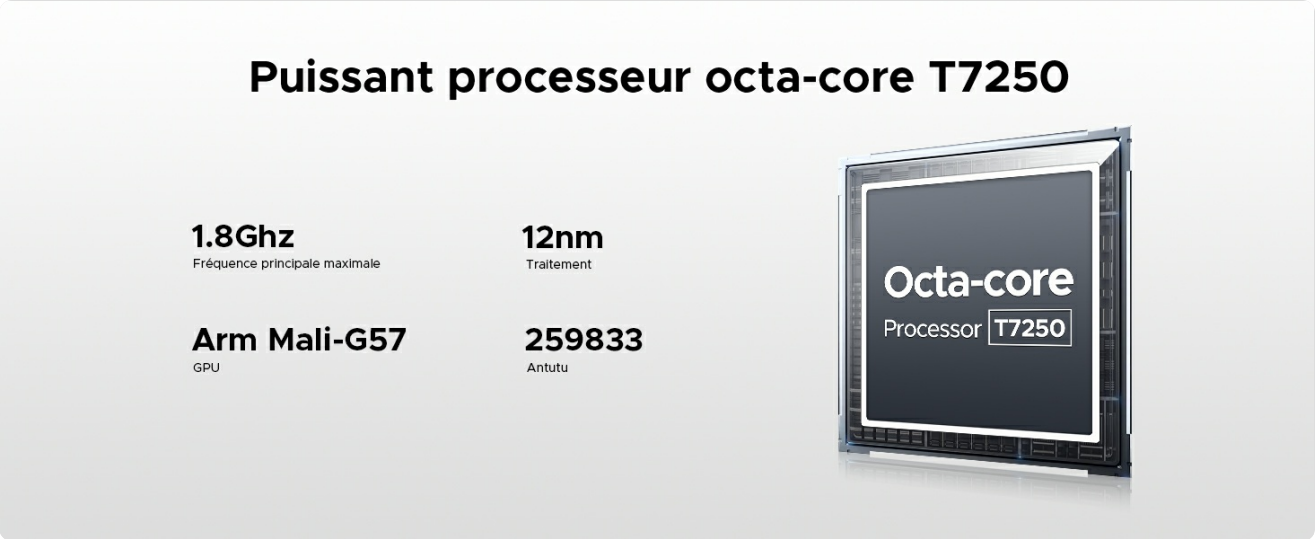

Image: The 16MP AI main camera and 8MP front camera for clear image capture.

Connectivity: NFC, Wi-Fi 5, and GPS

The Note 58 Pro supports NFC for convenient mobile payments and quick data transfer. Enjoy high-speed and stable internet connectivity with Wi-Fi 5 (2.4G/5G dual-band support). The integrated GPS, GLONASS, Galileo, and Kompass navigation systems ensure precise location tracking for all your travel needs.

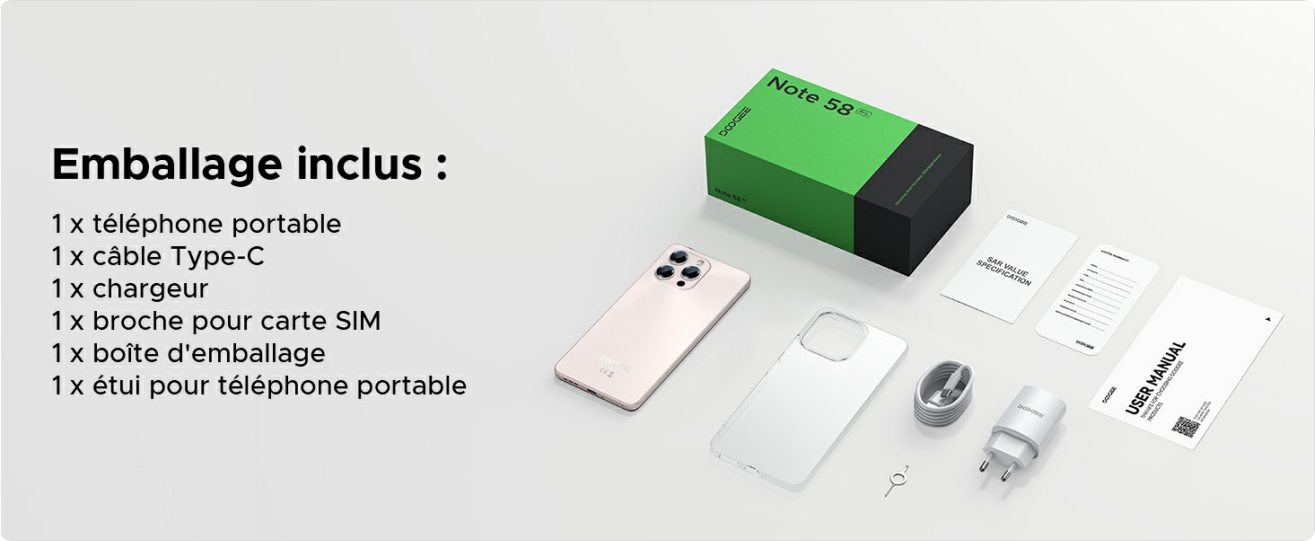

Image: Multifunctional NFC support for contactless payments and Google Pay.

Security: Fingerprint and Face ID

Unlock your device quickly and securely using either the side-mounted fingerprint sensor or the facial recognition feature. These biometric security options provide convenient and robust protection for your personal data.

Image: Instant access with facial recognition and fingerprint unlock.

Maintenance

To ensure the longevity and optimal performance of your DOOGEE Note 58 Pro, follow these maintenance guidelines:

- **Regular Cleaning:** Use a soft, lint-free cloth to clean the screen and body of the phone. Avoid abrasive materials or harsh chemicals.
- **Software Updates:** Keep your device's software up to date. System updates often include performance improvements, security patches, and new features. You can check for updates in Settings > System > System update.
- **Battery Care:** Avoid extreme temperatures when charging or using the device. Do not let the battery completely drain frequently, and avoid overcharging for extended periods.
- **Storage Management:** Regularly clear unnecessary files, cache data, and uninstall unused apps to free up storage space and maintain smooth operation.
- **Protect from Damage:** Use the provided protective case and screen protector to guard against drops and scratches. Avoid exposing the phone to water or excessive dust.

Troubleshooting

Here are solutions to some common issues you might encounter:

- **Device Not Turning On:**
  Ensure the battery is charged. Connect the phone to the charger for at least 15 minutes, then try to power it on again. If it still doesn't turn on, try holding the Power button for 10-15 seconds for a forced restart.
- **Rapid Battery Drain:**
  Check for background apps consuming excessive power. Go to Settings > Battery to identify power-hungry apps. Reduce screen brightness, disable Wi-Fi/Bluetooth when not in use, and limit location services. Ensure your software is updated.
- **Poor Call Quality or Signal:**
  Ensure your SIM card is correctly inserted. Try moving to an area with better network coverage. If the issue persists, contact your mobile carrier.
- **Apps Crashing or Freezing:**
  Clear the cache of the problematic app (Settings > Apps > [App Name] > Storage > Clear cache). If the issue continues, try reinstalling the app. Ensure you have sufficient free RAM and storage.

- **Phone Overheating:**
  Excessive use of demanding apps (like games or video streaming) or charging in hot environments can cause overheating. Close background apps, reduce screen brightness, and avoid direct sunlight. If overheating is frequent, consider reducing usage of intensive applications.
- **Storage Full:**
  Delete unnecessary photos, videos, and files. Uninstall apps you no longer use. Move large files to a TF card if installed. Regularly clear app caches.

Specifications

Detailed technical specifications for the DOOGEE Note 58 Pro:

Brand	DOOGEE
Model Number	Note58 Pro
Operating System	Android 15
Display Size	6.75 inches
Display Resolution	720 x 1600 pixels
Refresh Rate	90 Hz
RAM	32 GB (8GB base + 24GB extended)
Internal Storage	256 GB
Expandable Storage	Up to 2 TB (TF card)
Processor	MediaTek Kompanio 800T Octa-Core
Main Camera	16 MP AI Camera
Front Camera	8 MP
Battery Capacity	6250 mAh
Connectivity	NFC, Wi-Fi 5 (2.4G/5G), Bluetooth, GPS, GLONASS, Galileo, Kompass
Security Features	Fingerprint ID, Face ID
SIM Card Support	Dual SIM
Dimensions (Thickness)	8.6 mm

Warranty and Support

DOOGEE is committed to providing excellent customer service and product reliability. Your Note 58 Pro comes with comprehensive support:

- **24-Month Limited Warranty:** All DOOGEE smartphones are covered by a 24-month warranty from the date of purchase, ensuring peace of mind against manufacturing defects.
