2. PRODUCT OVERVIEW

2.1 Key Features

- **Modular Design:** Allows for versatile configurations (L-shaped, U-shaped, sofa bed) to adapt to various living spaces and needs.
- **Comfortable Seating:** Features super-sized, deep cushions for enhanced support and relaxation.
- **Integrated Storage:** Each section includes a built-in storage compartment for efficient space organization.
- **Chenille Fabric:** Upholstered in soft, skin-friendly chenille fabric that is easy to maintain.
- **Removable & Washable Covers:** All sofa covers can be removed and washed for convenient cleaning.
- **Tool-Free Assembly:** Designed for simple and quick installation without the need for additional tools.

2.2 Components

Your Belffin Modular Sectional Sofa typically arrives in multiple packages, each containing individual modules and components. The 6-seat sleeper model includes:

- Individual seat modules with integrated storage.
- Back cushions and armrests.
- Connecting brackets/mechanisms for modular assembly.
- Legs (if not pre-attached).

3. SETUP AND ASSEMBLY

The Belffin Modular Sectional Sofa is designed for easy, tool-free assembly. Please note that packages may arrive on different days.

3.1 Unpacking

1. Carefully open all packages. Retain packaging materials until assembly is complete in case of returns or exchanges.
2. Remove all components from the boxes. Verify that all parts are present according to the packing list (usually found inside one of the boxes).

3.2 Assembly Steps

1. **Position Modules:** Arrange the individual seat modules in your desired configuration (e.g., L-shape, straight line). Ensure they are aligned properly.
2. **Connect Modules:** Each module is equipped with connecting brackets. Lift one module slightly and slide the brackets into the corresponding slots on the adjacent module. Push down firmly to secure the connection. Repeat for all modules.
3. **Attach Backrests:** Slide the backrest cushions onto the metal frames or connecting points at the rear of each seat module. Ensure they are securely seated.
4. **Attach Armrests:** If your configuration includes separate armrests, slide them onto the designated connection points on the end modules.
5. **Place Cushions:** Position the seat and back cushions onto their respective modules.

4. OPERATION

4.1 Modular Configuration

The primary feature of your Belffin sofa is its modularity. You can easily rearrange the individual seat modules to create different layouts:

- **L-Shape:** Combine modules to form an L-shaped sectional, ideal for corner spaces or defining a living area.
- **U-Shape:** For larger spaces, arrange modules into a U-shape for maximum seating.
- **Straight Sofa:** Connect modules in a straight line to form a traditional sofa.
- **Sleeper Bed:** By removing back cushions and arranging the seat modules, you can create a flat surface suitable for a temporary sleeping area.

To change configurations, simply lift and separate the connected modules, then re-connect them in the desired arrangement.

4.2 Storage Access

Each seat module features a built-in storage compartment. To access the storage:

1. Lift the seat cushion of the desired module. The cushion is typically hinged and will lift upwards, revealing the storage space underneath.
2. Place or retrieve items from the compartment.
3. Gently lower the seat cushion back into place, ensuring it latches securely.

5. MAINTENANCE

Proper care will extend the life and appearance of your Belffin sofa.

5.1 Fabric Care (Chenille)

- **Regular Cleaning:** Vacuum the sofa regularly using an upholstery attachment to remove dust and loose debris.
- **Spot Cleaning:** For spills, blot immediately with a clean, dry cloth. Avoid rubbing, as this can spread the stain. For stubborn stains, use a mild fabric cleaner specifically designed for chenille or upholstery, following the product instructions. Test on an inconspicuous area first.
- **Removable Covers:** All sofa covers are removable and washable. Locate the zippers on the cushions and carefully remove the covers.

5.2 Washing Instructions for Covers

Refer to the care label on the inside of the fabric covers for specific washing instructions. Generally, for chenille fabric:

- Machine wash cold on a gentle cycle with mild detergent.
- Do not bleach.
- Tumble dry low or air dry. Avoid high heat.
- Iron on low heat if necessary, avoiding direct contact with the fabric surface by using a pressing cloth.

5.3 General Care

- Avoid direct sunlight exposure to prevent fading.
- Keep away from heat sources like radiators or fireplaces.
- Rotate cushions periodically to ensure even wear.

6. TROUBLESHOOTING

This section addresses common issues you might encounter with your modular sofa.

6.1 Modules Not Connecting Securely

- **Check Alignment:** Ensure the modules are perfectly aligned before attempting to slide the connecting brackets.
- **Clear Obstructions:** Verify that no fabric or debris is blocking the connection mechanism.
- **Firm Pressure:** Apply firm, even pressure when pushing modules together to ensure the brackets fully engage.

6.2 Cushions Appear Flat or Uneven

- **Fluff Cushions:** Regularly fluff and rotate seat and back cushions to maintain their shape and even out wear.
- **Allow Expansion:** New cushions may require a few days of use to fully expand and settle into their intended shape.

6.3 Squeaking Noises

- **Check Connections:** Ensure all modular connections are tight and secure. Loose connections can sometimes cause noise.
- **Inspect Legs:** Verify that all sofa legs are securely attached and tightened.

If you encounter issues not covered here or require further assistance, please contact Belffin customer support.
