## SAFETY INFORMATION

---

- Ensure all parts are properly secured before use.
- Do not allow children to play on, with, or around the cart.
- Use caution when moving the cart on uneven surfaces to prevent tipping.
- Be careful around sharp edges during assembly and use.

## SETUP AND ASSEMBLY

---

The TUTOTAK 3-Tier Bar Cart is designed for easy assembly, typically taking approximately 15 minutes. Detailed graphic instructions and all necessary parts/accessories are included in the package. No special tools are required beyond what is provided.

### Assembly Steps:

1. Unpack all components and verify against the included parts list.
2. Follow the step-by-step graphic instructions provided in the packaging to connect the frame and shelves.

3. Attach the 360° rotating casters to the bottom of the cart. Ensure the two casters with brakes are positioned as indicated in the manual for stability.
4. Securely fasten all screws and connectors.

## OPERATING INSTRUCTIONS

The TUTOTAK 3-Tier Bar Cart is a versatile unit suitable for various uses beyond serving drinks, such as a kitchen cart, coffee cart, or microwave stand. Its design allows for easy movement and secure placement.

### Key Features:

- **3-Tier Storage:** Provides ample space for drinks, snacks, and bar accessories.
- **Wine Rack and Glass Holder:** The first tier includes a dedicated wine rack for up to 2 wine bottles and a glass holder for up to 4 wine glasses. These components can be disassembled if not needed.
- **Protective Fence:** The bottom shelf features a protective fence to prevent items like wine bottles from falling.
- **Handle:** An integrated handle allows for easy control and direction when moving the cart.
- **6 S-shaped Hooks:** These hooks are ideal for hanging small utensils, mugs, or towels.

- **360° Rotating Casters with Brakes:** Equipped with four smooth-rolling casters for mobility, two of which include brakes to secure the cart in place.

## MAINTENANCE

To ensure the longevity and appearance of your bar cart, follow these maintenance guidelines:

- Wipe surfaces regularly with a soft, damp cloth.
- Avoid using harsh chemicals or abrasive cleaners, as these may damage the finish.
- Periodically check all screws and connections to ensure they remain tight. Retighten if necessary.
- Keep the cart dry and away from excessive moisture to prevent material degradation.

## TROUBLESHOOTING

If you encounter any issues with your bar cart, consider the following common solutions:

- **Wobbling:** Ensure all screws are fully tightened. Verify that the cart is placed on a level surface.
- **Casters not rolling smoothly:** Check for any debris or hair caught in the caster wheels. Clean as needed. Ensure brakes are disengaged if you intend to move the cart.
- **Difficulty with assembly:** Re-read the assembly instructions carefully. Ensure all parts are oriented correctly before tightening. Do not force parts together.
